

MISCELLANY.

PAY OF THE TROOPS.—The following from an exchange paper, gives the rate of pay allowed in the army of the United States, to which the militia is entitled when called into service:

Table with 2 columns: Rank and Pay. Rows include Colonel (\$95), Lieutenant Colonel (\$79), Major (\$70), Captain (\$60), First Lieutenant (\$50), Second Lieutenant (\$45), Brevet Second Lieutenant (\$45), First or Ordinary Sergeant (\$16), Other Sergeants (\$15), Corporals (\$18), Privates (\$8), Musicians (\$9).

The first column of figures represents the net monthly salary, and the second, includes rations, forage, &c. On the first of January 1860, the regular army consisted of 1,083 commissioned officers, musicians, artificers, and 11,848 privates, being a total of 12,931.

WHAT IS A RATION?—For the information of numerous inquirers, we give the following list of articles constituting a ration, from the army regulations: 20 oz Fresh and Salt Beef or 12 oz Pork. 18 oz Soft bread or Flour, or 12 oz Hard Bread.

- 2 1/2 oz Beans or 1 3/5 oz Rice. 1 5/6 oz Sugar. 1 oz Coffee, ground. 1/2 oz Candles. 1/2 oz Soap. 1/2 oz Salt.

This must answer for the subsistence of a soldier during the day and properly husbanded, it is enough.

Col. Colt, of Hartford, has offered his services to the Governor of Connecticut to raise a regiment, and has agreed to arm the men with breech-loading rifles, manufactured by himself, at his own expense. These arms, which are of the latest improvement, would sell in the market for \$50,000. The Governor has accepted the offer, and the regiment is being rapidly raised.

When Jeff. Davis threatens to make Lincoln quail, don't he want to make game of him?

Agents wanted to sell the Eric Sewing Machine. We will give a commission or pay wages at from \$25 to \$60 per month, and expenses paid. The Eric is a new machine and very simple in its construction. A diploma was awarded our Machine by the Industrial Association of Farmers and Mechanics, held at Chambersburg, Pa., at its exhibition in 1859, over the Grover & Baker, and Boudoir Machines. It is equal to any machine in use, and the price is but fifteen dollars. Address R. JAMES, General Agent E. S. M. Co., Milan, Ohio [mar. 14]

D. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

AN APERIENT and stomachic preparation of Iron purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice. The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable case. Inuoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz: In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incontinent Consumption, Scrophulous Tuberculosis, Salt Rheum, Misanthropy, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute diseases, or of the continued diminution of nervous and muscular energy from chronic complaints, on trial of this restorative has proved successful to an extent which no description nor written attestation of this preparation of Iron can adequately express. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world as if just returned from protracted travel in a distant land. Some very singular instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of constiveness, without ever being a gastric purgative, or inducing a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effective and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable cases it cures, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant constiveness. In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough and remittent hectic which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and interested instances.

In Scrophulous Tuberculosis this medicated Iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them. In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as allaying pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness. No remedy has ever been discovered in the whole history of medicine which exerts such prompt, happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise immediately follow its use.

Put up in neat flat metal boxes, containing 50 pills. Price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on the receipt of the price. All letters, orders, &c., should be addressed to R. B. LOCKE & CO., General Agents, 20 Cedar street, N. Y. May 31, 1860-ly
