

LOCAL AND PERSONAL.

THE CAMBRIA COUNTY COURT WILL CONVELE ON MONDAY, JUNE 3, 1863.

WAR MATTERS.—In obedience to an Act of Assembly, entitled "an Act to create a loan, and to provide for arming the State," an allotment of the fifteen regiments directed to be organized has been made, and one company is set down as the quota of Cambria county. This, when some six or eight companies are organized and ready to march from our midst at any moment, may seem a small number; but our gallant fellows must remember that there are other counties in the State, as yet not at all represented in the Good Cause, who are willing, aye, and anxious, to go forth to the battle. And they must be respected.

We believe it is settled beyond cavil that the Ebensburg company, the "Cambria Guards," is to be the company to go from this county—indeed, it is reported that they have been accepted and ordered to "lay on their arms." But of this we have nothing definite. We hope, however, for the sake of our brave boys, who are absolutely "spilling for a fight," that the report may prove true.

LOOK OUT FOR THE LOCOMOTIVE!—We are informed by those who ought to know that the Ebensburg and Cresson Railroad will be in complete running order as far as Munster by the first of June. The original intention was to have had the entire road completed by that time, but the miserable weather furnished us thus far has spoiled that calculation. However, there is no particular hurry—we can afford to wait a while. A large force of workmen are engaged in leveling, laying the iron, spiking, &c., and from the well known energy of the "bosses of the job," we may count on a speedy termination of the enterprise. Munster is about equidistant from this place and Cresson, and we sincerely hope that the road may be completed to that point at the given time, in that case a passenger car could be put on and strangers coming to Court bro't here much more expeditiously than by the present method. So note it!

SOLDIER SHOT AT CAMP SCOTT.—On last Wednesday evening, a young man named George Glass, of Johnstown, was shot twice, and severely although not dangerously wounded, by a citizen of York. He and a companion had been bathing in a stream near town, and on returning they stopped at a private house to get a drink of water. After drinking, they insisted upon being permitted to play a game of cards in the house. This was peremptorily refused, when the companion of Glass attempted improper liberties with a woman in the house. At this demonstration, the citizen seized a revolver and fired at Glass' companion, but without effect. The second shot was fired at Glass, and took effect in his back, below the shoulder-blade. A third ball took effect in his left eye, making a slight wound. He was attended by a surgeon immediately, and it is thought he will recover.

ARREST OF ALLEGED COUNTERFEITERS.—The Pittsburg Post of to-day says that Deputy United States Marshal Dougherty, accompanied by several officers, arrested in Johnstown, on Tuesday morning, Joseph Shoemaker, hotel-keeper; D. W. Goughenour, merchant; Geo. Rushberger, Philip Williams, Sterrett Montgomery, citizens of that place, and Elijah Miller, of Maryland, on a charge of making and passing counterfeit money. On being taken to the jail, the parties were committed for hearing, except Goughenour, who gave bail in the sum of \$2,000 for his appearance. The parties have heretofore been considered substantial citizens.

DRINKING.—Geo. W. N. Bolsinger, a former attaché of this office, is in town. He has enlisted in the Cambria Guards. He has money, buy your boots and hats, caps, ready-made clothing, &c., at C. R. Jones. He sells cheaper elsewhere.

—We see it stated that T. Sidney Russell, formerly of this county, latterly of St. Louis, has been arrested at Cairo on suspicion of being a Secession spy. He was tried by court-martial, but we have not heard the result.

SETTLED AT LAST.—By Tuesday's mail John Thompson received his commission as Postmaster of this borough. We presume the long agony is now over.

TO TEACHERS.—Proposition to Establish a Normal School.—The Teachers of Cambria county who are desirous of self-improvement are respectfully requested to answer the following question immediately, by letter or otherwise: Will you attend a Normal School, to be held in the borough of Johnstown, for three months from the first Monday in June next—the School to be conducted by S. B. McCormick, Esq., and the County Superintendent, and the course of study to embrace the Common School branches and the Art of Teaching? Terms—Five Dollars for the term, to be paid to Mr. McCormick. Teachers residing at a distance could procure good boarding for ten dollars per month.

The Normal School is proposed as a substitute for Teachers' Institutes, the holding of which during the Summer is rendered impossible by the war excitement and the inability of so many of our best Teachers to find employment. The foregoing question is asked as a necessary preliminary step to the opening of the School. The services of Mr. McCormick cannot be engaged unless the attendance of a sufficient number of pupils be first guaranteed. JAMES M. SWANK, Johnstown, May 20, 1861.

A CARD.—WITNESS THE BRIDGE, Lancaster Tp, July 30, 1860. MESSRS. EVANS AND WATSON: GENTLEMEN.—The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Barr, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books, together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fire ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your Safes than could be expressed in any other words from me. Yours Respectfully, SAMUEL RANCK. A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at low rates as any other firm, at EVANS & WATSON'S, No. 304 Chestnut st., Philadelphia.
