LOCAL AND PERSONAL.

From Our Volunteers.

MATTERS AND THINGS AT THE CAPITAL-JOT-TINGS OF LOCAL AND GENERAL INTEREST. correspondence of The Alleghanian.

CAMP NEAR WASHINGTON CITY,) Sunday, Aug 4, 1861.

We have now been here a little more than a week, and it seems almost as much like home to us as Camp Wright did, tho' we have been obliged to dispense with many of the comforts and conveniences of our former abode. In the woods here no one has any boards that we can "take" to floor our tents with. Then we have no stoves, but do all our cooking over regular camp fires, which is all very nice-when it don't rain. And last, but not least, we must eat our dry bread without the aid of mountain butter.

I believe it is arranged that the whole Reserve Corps of Pennsylvania (fifteen Regiments) will be kept together; they will be formed into Brigades, and the command given to Gen. M'Call. He is now here, attending to getting improved arms, &c. The flanking companies of the 11th regiment, A and K, marched to the arsenal yesterday morning for the purpose of getting rifles, but were disappointed, as Gen. M'Call would not allow his men the three months' men, until they were thoroughly overhauled and put in good

The State is paying off the Reserve Corps as fast as the paymasters can do it, and we expect our turn this week.

We find it difficult to get the news .--The Washington papers are brought out every morning, and sold at three cents per They contain about one-fourth as much reading matter and news as the Pittsburg "penny-papers." We occasiony get hold of New York Heralds or ribunes, which are always read until ere is nothing left of them.

Gen. M'Clellan is very strict with the ficers and soldiers about here. They are not allowed to visit Washington with out a pass from the Col. commandingtating their business. All officers or solfiers found about the streets, hotels or ablic buildings, without such passes, are arrested and put in the guard house.

We do not yet know when we will be loved from here. The 15 Regiments P. R. C. are to be placed in a camp by themelves soon. I believe the place chosen is bout five miles up the Potomac.

With the exception of a few cases of easles, the Cambria Guards are in good

Locals are awful scarce. Hope to be ble next week or soon to give you an ac-

bunt of a "brush" with the enemy. Ever, &c.,

RETURNED SOLDIERS .- On Saturday, ieut. Wm. Linton, George W. Brown, amuel Goodwin, Joseph Wherry, Thoms Jones, Robert Marlett and John C. Murray, all of whom belonged to various impanies of the three months' volunteers, nd who were discharged and paid off at larrisburg last week, arrived at their omes in this place. They all look hale nd hearty, and give it as their unanimous inion that "sojering" is decidedly the ing for these degenerate times. Their uly regret is, that, being in General Paterson's division, they were not enabled to eaure strength with the Traitors.

Adjutant J. C. Noon, of the 3d regient, also arrived home on Thursday .ince his return, we are sorry to say, he as been prostrated by an attack of sickess, from which we hope he may soon

We forgot to notice last week that our iend, Peter L. Linton, who was also conected with Gen. Patterson's division, had turned. He looks well as ever. Welcome back, all!

BURGLARY .- On Thursday night, the ore of Mr. William Davis, in the eastern art of town, was burglariously entered by me person or persons unknown, and se specie to the amount of about four ollars abstracted therefrom. The entrance

as effected by prying open the door. -On Saturday night two strangers who ad been prowling about town for some me without any visible object in view, sere arrested and lodged in jail on suspicion of being concerned in the above bbery; but no proof appearing against

em, they were discharged next morning. . We learn that Lieut. Wm. Linton tends returning to Harrisburg almost mmediately, to organize a company for the war. We wish him every success in is patriotic undertaking.

Hor !- Last Friday was the hottest day of the season. Thursday and Saturday were warm enough, but Friday was several degrees ahead, the thermometer ranging throughout the day at from 95° to 100° in the shade! Since then we have been favored with several rains, which have had the effect of slightly cooling the upward tendency of the mercury. Our general advice to our readers is this -while the dog-star rages, drink nothing more stimulating than lemonade, (with or without a fly,) eat nothing stronger than good fat beef, go not into the sun's rays without a hat, cap, havelock or bandana on your head, don't get excited, and, as you value un-wilted chokers and the like, take no more violent exercise than an occasional trip on the light fantastic or a bout with delinquent debtors. In other words, do pretty much as you please, and please us accordingly.

common thing to see mothers and servant girls pushing along the sidewalks the little carriages in which they are giving infants an airing on pleasant days. An exchange remarks that the practice is a very dangerous one, and is liable to do great and permanent injury to the child. The position of a child riding backward instead of forward, is an unnatural one, and directly affects the brain. Some grown persons even cannot ride backward to be armed with the rifles left there by in a railroad car without experiencing a sense of faintness, and to expect a child to do what a strong adult cannot, is unreasonable, to say the least. It is believed by medical writers that infants have died from disease produced from being ridden backward.

FEROCIOUS CUSTOMER.-On Monday evening, a fellow named Thomas Gordon, who holds forth in Johnstown, after putting himself outside of a large and well selected load of boomerang whisky, became riproarious and pugnacious. Following ing. the inclination of the spirit, (no pun intended,) he smashed in several taverns, committed a number of aggravated assaults and batteries, and ended by being knocked down and dragged off to the lock-up. On the following Wednesday Constable Gageby started with the prisoner for this place to commit him to jail, but he succeeded in escaping on the road. A reward of ten dollars is offered for his re-arrest. Mr. Gordon should be looked up, by all means.

How to Act should Your Dress CATCH FIRE.-Ladies should, whenever they are so unfortunate as to have their dress upon them take fire, fall prostrate and roll upon the flame. An assistant then can smother it with a table-cloth, a piece of carpet, or even with any kind of clothing which may be at hand. If the lady stand erect, the flame will ascend rapidly and encircle her face and head and she will breathe in the flame, to the destruction of her lungs and life. In such cases, it is almost useless to battle with the fire with the hands.

THE TRUTH .- If there is one thing in which a man should be more careful than in another, it is in the matter of cleanliness. Cleanliness naturally begets neatness, and neatness creates a demand for good clothing. Should any one ask us, Where must I go to purchase a good, neat, cheap outfit? we would immediately answer, To C. R. Jones', at the Ebensburg Boot and Shoe Store. He keeps everything necessary to rig a man out from top to toe, and his price-list is unexceptionable. Drop in on him.

RETURNED VOLUNTEES .- On Wednesday last, three of the companies from this county, comprising the Zouave Cadets, Johnstown Infantry and the Citizen Guards, returned to their homes in Johnstown, this county. They were received by the German Home Guards and a large concourse of relatives and friends. Capt. Easley's company also returned last week, being the last of the three months' men who were absent from this county.

CHAPLAIN.—Rev. A. Torrence, pastor of the Presbyterian church at New Alexandria, Westmoreland county, has volunteered to act as Chaplain of the 11th regiment Pennsylvania Reserves for a few weeks. He is now with the regiment at Washington.

Music .- Prof. Huey, the music teach- bills, er, is now at Johnstown giving a course [je13 of lessons. We hope he may find it convenient to call around this way again, as the musical education of the rising generation has been sadly neglected latterly.

Go to Doctor Thompson's, at the Post Office, for late magazines and papers of all kinds. He sells them, cheap.

HEMLOCK, August 5, 1851. To the Editor of The Alleghanian:

The Washington Rifles (Co. G, 10th regiment,) arrived home safely on Saturday. The were received at the station by a large concourse of friends who had met to welcome them back. Capt. Behea's Home Guards were to have acted as escort, but through some misunderstanding this part of the programme was omitted.

The volunteers all look exceedingly well, and say they never experienced better health in their lives. To judge from appearances, camp life suits them exactly; and a large number express their determination of re-enlisting "for the war." They are determined to have a brush with the enemy, and, to use their own expression, would have had one before now only "the cowardly miscreants wouldn't stand fire."

They had many stirring stories to tell concerning events that transpired during their sojourn in the enemy's country, none CAUTION TO MOTHERS .- It is a very of which surprised me more than the report that the ladies in that section are all opposed to Union!

Our quiet little town, as you may well imagine, was in a high state of excitement until about 10 o'clock in the evening, when the crowd dispersed, our citizens to dream of friends and relatives returned, and the soldiers to enjoy the luxury of a feather bed once more.

By the way, our friend, "the clerk," is on hand again, looking well as usual. He will enter upon the duties of his arduous TO THE GENTLEMEN.and responsible office immediately, I be

I understand that Major White arrived home on Saturday morning, but I have not yet seen him. He has not enjoyed very good health for some time. XX.

DEAD .- A teamster hailing from Westmoreland county, who was present at the battle of Bull Run, died in Altoona last week from wounds received by being run over when the Federal forces were retreat-

tatement to the effect that the three months' volunteers were paid in Middletown money at Harrisburg. They received gold and silver for their services.

WITMER'S BRIDGE. Lancaster Tp. July 30, 1860. MESSRS. EVANS AND WATSON: GENTLEMEN-The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Bar, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This Safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and represeting a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The Safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders better recommendation of your Safes than could be expressed in any other words from
