THE WORLD,

AN INDEPENDENT DAILY AND WEEKLY NEWSPAPER,

FOR NATIONAL CIRCULATION AND FAMILY READING.

The World has now been in existence a patronage and influence which has only influence. been equaled by other journals after the labors of many years.

aims to be-the

BEST NEWSPAPER IN AMERICA.

In Politics The World is INDEPENDENT. but NEVER NEUTRAL. It will never lend itself to party service, but will help the good and expose the bad of all parties. A pure morality and a steadfast adherence to Christian Principle and Christian Truths will guard its columns and guide its judgment of men and of events. It is the organ of no man and no set of men. It is National,-always on the side of

THE UNION, THE CONSTITUTION AND THE LAWS.

In the future, as it has been in the past, it will give to the Administration a hearty and vigorous support, because in the war for the Union, twenty millions of people have confided to its hands their battles for Liberal Institutions, Good Government, Nationality and Freedom.

The World will oppose all compromises which would barter away the principles for which this war is waged; it will oppose peace itself till the success of the war assures the permanence of peace, and will urge the prosecution of the war, with economy, but with relentless vigor, until federal property is recovered, and federal authority is re-established, from the Chesapeake to the Rio Grande.

Our correspondents are attached to the various divisions of the army, will accompany them wherever they go, and, by a free use of the telegraph and the mails, present in the columns of The World

A COMPLETE HISTORY OF THE WAR, from day to day, and from month to month.

In the weekly and semi-weekly editions of The World, especially, large space will be given to Agriculture, and to all the departments of Manufasturing and Mechanical Industry.

To our Foreign Correspondence, of course, less space will be given in the coming year, but the latest and most important news from London, Paris, Turin, Rome, Syria, China, California, Japan, Egypt and South America, our correspondents will promptly and briefly send us. ALL THE NEWS

will be found in the columns of The World, in every department of human activity, Political, Agricultural, and Commercial, as well as in Literature, Science, and Art.

We shall continue the publication of our Ecclesiastical Record, and give to Religious and Educational Topics and News, and to all New Publications, Inventions, Discoveries, and works of Art, the same careful and thorough sympathy and attention.

THE DAILY WORLD.

The Daily World is the most complete Commercial and News Paper published in America. United with the Courier and that journal, it has become the principal advertising medium of the New York Auctioneers, Shipping Merchants, and business men generally. Its Commercial and Market Reports, together with its Reports of all Importations, Foreign and WEST INDIA EXPORTS AND IMPORTS, Domestic, and of Exports, and of Foreign and Domestic Ship News, are full, reliable, and give what no business men can do without. Besides these peculiar features, it is unsurpassed in the fullness of its political and miscellaneous news, its correspondence, &c., &c. It is printed on an imperial quarto sheet, larger than any other two-cent daily.

No Sunday edition is printed, and a vigilant watch will be kept over its columns, excluding everything unfit for fam-

This Safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and represeting a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The Safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruits, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your Safes than could be expressed in any other words from Yours Respectfully, SAMUEL RANCK.
