

PROSPECTUS.
THE WORLD,
AN INDEPENDENT
DAILY AND WEEKLY NEWSPAPER,
FOR
NATIONAL CIRCULATION AND FAMILY
READING.

The World has now been in existence a little more than a year. It has attained, in that short period, to the highest rank in American journalism—to a perfectly secure financial basis, and to a circulation, patronage and influence which has only been equaled by other journals after the labors of many years.

In the future, as it has been in the past, it will give to the Administration a hearty and vigorous support, because in the war for the Union, twenty millions of people have confided to its hands their battles for Liberal Institutions, Good Government, Nationality and Freedom.

The World will oppose all compromises which would barter away the principles for which this war is waged; it will oppose peace itself till the success of the war assures the permanence of peace, and will urge the prosecution of the war, with economy, but with relentless vigor, until federal property is recovered, and federal authority is re-established, from the Chesapeake to the Rio Grande.

Our correspondents are attached to the various divisions of the army, will accompany them wherever they go, and, by a free use of the telegraph and the mails, present in the columns of *The World* a COMPLETE HISTORY OF THE WAR, from day to day, and from month to month.

In the weekly and semi-weekly editions of *The World*, especially, large space will be given to Agriculture, and to all the departments of Manufacturing and Mechanical Industry.

To our Foreign Correspondence, of course, less space will be given in the coming year, but the latest and most important news from London, Paris, Turin, Rome, Syria, China, California, Japan, Egypt and South America, our correspondents will promptly and briefly send us.

ALL THE NEWS will be found in the columns of *The World*, in every department of human activity, Political, Agricultural, and Commercial, as well as in Literature, Science, and Art.

We shall continue the publication of our Ecclesiastical Record, and give to Religious and Educational Topics and News, and to all New Publications, Inventions, Discoveries, and works of Art, the same careful and thorough sympathy and attention.

THE DAILY WORLD.
The Daily World is the most complete Commercial and News Paper published in America. United with the *Courier and Enquirer* and preserving all the Commercial news and other distinctive features of that journal, it has become the principal advertising medium of the New York Auctioneers, Shipping Merchants, and business men generally. Its Commercial and Market Reports, together with its Reports of all Importations, Foreign and Domestic, and of Exports, and of Foreign and Domestic Ship News, are full, reliable, and give what no business man can do without. Besides these peculiar features, it is unsurpassed in the fullness of its political and miscellaneous news, its correspondence, &c., &c. It is printed on an imperial quarto sheet, larger than any other two-cent daily.

No Sunday edition is printed, and a vigilant watch will be kept over its columns, excluding everything unfit for family reading.

Terms per annum, Six Dollars; Four copies to one address Twenty Dollars. To Clergymen, Five Dollars per annum.

THE SEMI-WEEKLY WORLD.
The Semi-Weekly World is a large quarto sheet, same size as the daily, containing all its news, correspondence, miscellany, and editorials, its commercial and market news, and always a good original story, or some brilliant production from the best English novelists and periodical writers. Its cattle market and provision reports make it highly valuable to every farmer.

Three Dollars per annum; two copies to one address, Five Dollars; five copies to one address, Eleven Dollars; to Clergymen, Two Dollars per year. Single copies, Three cents. Published Tuesdays and Fridays.

much editorial matter and variety of miscellaneous reading, as in the *Weekly World*.

Price Two Dollars a year; four Copies to one address, Five Dollars; twenty copies, Twenty Dollars. Clergymen can receive the Weekly, single copy, at One Dollar a Year.—Single Copies, five cts. Published on Thursdays.

Our friends in the Country will bear in mind that the season for subscribing for city papers is about commencing. A word of commendation of this paper to their neighbors is all that is needed to insure a large increase in its circulation and influence.

Postmasters are earnestly requested to aid in the circulation of this paper—especially of the weekly edition. There is probably no way in which they can render a more efficient service to their government than in diffusing authentic information among the people by a liberal patronage to accredited newspapers. They would oblige us by furnishing the names of persons to whom they think it would be desirable to send specimen numbers.

Remittances for *The World* may be made by drafts or bank-bills of special paying banks, and, where the attention of the Postmaster is called to the remittance at the time of mailing the letter, it may be made at our risk.

Specimen numbers sent to any address upon application.

A CARD.—WITMER'S BRIDGE, Lancaster Tp. July 30, 1860. MESSRS. EVANS AND WATSON: GENTLEMEN—The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Barr, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1859, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, not even being discolored. This fact was, however, to many bystanders a better recommendation of your Safes than could be expressed in any other words from me. Yours Respectfully, SAMUEL RANCK.

Use. A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at as low rates as any other firm, at EVANS & WATSON'S, No. 304 Chestnut st., Philadelphia.
