Every preparation has been made on board of her for is, in reality, a marvellovs example of the dean early visit to Hampton Roads. This is a fact, and no guess work. Buchanan her former commander, if not killed, is in such a condition that he cannot again take command.

CARD.-

WITMER'S BRIDGE, Lancaster Tp. July 30, 1860. MESSRS. EVANS AND WATSON: GENTLEMEN-The small size No. 1 Salamander safe which purchased from your agent, Mr. Adam R. Bacr, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This Safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and represeting a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The Safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders 1 a better recommendation of your Safes than could be expressed in any other words from Yours Respectfully, SAMUEL RANCK.
