EBENSBURG AND CRESSON RAILROAD. -On and after Monday, May 5, 1862, trains on this road will run as follows :

LEAVE EBENSBURG-At 5.30 A. M., connecting with Fast Mail

East and Express West. At 6.25 P. M., connecting with Mail Train West and Express East.

LEAVE CRESSON-

At 8.55 A. M., or on departure of Fast Mail East and Express West. At 7.45 P. M., or on departure of Mail Train West and Express East. ENOCH LEWIS, Gen. Supt.

OUR RAILROAD .- The Ebensburg and Cresson Branch Railroad, it rejoiceth us to note, is still in full tide of successful operation, and flourishing luxuriantly .--The amount of freight shipped hence is enormous as compared with that of dates prior to the completion of the enterprise, while the passenger travel is already a considerable item. The most sanguine anticipations of those through whose energy and far-sightedness the road was completed have been already more than realized, and the indications are, that the prosper until it proves itself to be a most this county : judicious investment, and an "institution" of the paying persuasion.

We saw, the other day, a paragraph in an exchange, giving it as an instance of unexampled prosperity, that nearly two hundred car-loads of freight had been shipped from the terminus of a neighboring Branch road within the space of two months. Now, we are credibly informed that, within the same period, something like one hundred and fifty car-loads have been shipped from this point, and that, too, while laboring under the disadvantages attendant upon the unfinished condition of the road ! When we take into consideration the fact that the first-men tioned road has enjoyed an uninterrupted career of prosperity extending over eight | again suggest to our readers the propriety ging. Those charitable individuals who have hotel." We have "been there" ourself, to their souls" that the Ebensburg and Cresson Branch "would never be completed, and even if it were completed, would never pay," are requested to pay particular notice to the foregoing facts and figures. If they can extract any consolation therefrom, they are welcome to it. POLICE MATTER .- An individual named Zeek, or a combination of letters to that effect, who hangs out somewhere in Cambria township, was brought to town the other day and committed to jail, on the charge of assault and battery upon the person of his wife. It would appear, in the transaction, that Zeek meant business, from the reason that he armed and equipped himself with a gun and an axe before engaging therein ! We have not learned to what effect he used the nturderous weapons, or whether, indeed, he used them at all, but we are certain that, what with this and the other, he has succeeded in getting himself beautifully "jugged" for his pains. Whose layeth his hand on woman save in kindness, etc. SAD ACCIDENT .- An accident of a shocking nature occurred near Carrolltown, this county, on Thursday of last week, by which a brother of the religious order of Saint Benedict was killed. It appears that the unfortunate man had occasion to visit a coal-bank on the premises of the fraternity, and while inside, a huge mass of coal became detached from the main body, and falling upon him, crushed him to death. When discovered life was extinct, and it is supposed that death had ensued almost instantly.

This somewhat celebrated company, composed principally of men averaging sixty years of age, from this county, who have been performing guard duty at Camp Curtin and the State Arsenal at Harrisburg during the past winter, were mustered out of the United States service on Wednesday of last week. The order to this effect came direct from the War Department. We are not informed as to the prime cause of this singular procedure, but presume it must have been all-sufficient--at least in the eyes of "the powers that be." We may be pardoned for saying, however, that it strikes us as being exceeding bad policy to have authorized the formation of this company and accepted their services, only-after the trouble and expense of organizing had been ex-
