LIST OF POST OFFICES. Wouldn't You Like to Know? Post Masters. Blacklick Enoch Reese,

A MADRIGAT.

I know a stel with teeth of pearl, And shoulders white as snow; She lives-ah! well, I must not tell-Wouldn't you like to know? Her sunny hair is wondrous fair, And wavy in its flow ; Who made it less One little tress-Wouldn't you like to know?

And dazzling in their glow; On whom they beam With melting gleam, Wouldn't you like to know? Her lips are red and finely wed, Like roses ere they blow;

Her eyes are blue-celestial hue!

What lover sips Those dawy lips, Wouldn't you like to know? Her fingers are like lilies fair, When lilies fairest glow; Whose hand they press With fond caress,

Wouldn't you like to know? Her foot is small, and has a fall Like snow-flakes on the snow; And when it goes Beneath the rose. Wouldn't you like to know

She has a name-the sweetest name That language can bestow; Twould break the spell If I should tell-Ah! wouldn't you like to know?

Carefully, with delicate little fingers, she lifts the bed valance, peers into places where even Tom Thumb couldn't squeeze his diminutive corporation, and takes a cursory peep into the half emptied trunk, not forgetting to glance nervously under the sofa, the space between which and the floor is not sufficient to contain the ghost of Calvin Edson, much less an ordinary robber.
