Sketch of Gen. Hooker.

Major-Gen. Hooker was born at Hadley, Mass., in 1815. In 1833 he received his appointment as Cadet in the West Point Military Academy from that State. He graduated on the 30th June, standing No. 28 in a class of 59 members.

From July to October, 1841, he acted Adjutant of the Military Academy; and from September, 1841, to May, 1845, was ranked as Regimental Adjutant. He served with distinction in Mexico and was Aid-de-Camp to Gen. Hamer.

In February, 1853, he left the army and retired to private life. He lived in California till called upon again to do battle in his country's cause. On the 17th of March, 1861, he was commissioned Brigadier General of Volunteers.

His division at this time took possession of the northern and eastern shores, or left bank of the Potomac, and several spirited excursions were made by portions of his command in the neighborhood of Budd's Ferry, Port Tobacco, &c., and to the opposite shore.

A portion of these troops afterward crossed the Potomac, and took possession of the batteries which had blockaded the river for some time previous, and having effectually removed these obstructions and advanced a short distance into the interior, were finally withdrawn and transferred to the immediate command of Gen. McClellan on the Peninsula.

In the contest at Williamsburg his division bravely stood the brunt of the battle, and at Fair Oaks the men again showed their valor, and the General his fighting qualities.

WITNER'S BRIDGE, Lancaster Tp. July 30, 1860. MESSRS. EVANS AND WATSON: GENTLEMEN—The small size No. 1 safe which I purchased from your agent, Mr. Adm'r R. B. T., in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in a Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your safe than could be expressed in any other words from me. Yours Respectfully, SAMUEL RANCK.

A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at as low rates as any other firm, at EVANS & WATSON'S, No. 15 South Fourth st., Philadelphia.
