The gentleman is well and ably qualified to do justice to the subject, and our citizens should go and hear him. at the Court House, at early lamp-lighting. —What's become of all our local correspondents? Echo answers—What?—and we are unable to answer.

TAVERN LICENSES.—In our advertising columns this week we print a list of the names of those who have filed their petitions in the office of the Clerk of Quarter Sessions of this county for Quart and Tavern License. Apropos of which, it may not be irrelevant to state that a ten cent National stamp is required to all applications for tavern licenses, if allowed, attached to the certificate of signers recommending the house, and a one dollar stamp to the warrant of attorney to confess judgment on the bond. If the license is not allowed, of course the papers are valueless, and the stamp tax in that case is not imposed.

THE 54TH PENNA. VOLS.—Since the resignation of Lieut. Col. M'Dermitt, the roster of this regiment has been as follows: Col. J. M. Campbell commanding; Lieut. Col. John P. Linton, promoted from the Majorship; Major Enoch D. Yutz, promoted from Captaincy of Co. C; Adjutant Wm. H. Rose.

In this connection, we direct attention to the proceedings in the State Legislature on the 9th inst., published elsewhere, relative to the presentation of a flag to the 54th.

PROMOTED.—We learn from the Dem. & Scot. that Lieut. J. L. Bralier, of Co. C, 115th Penna. Vols., has received the appointment of Adjutant of the regiment to which he belongs. The Lieut. is a worthy young man, and it is with pleasure we hear of his preferment.

Photographs, of unrivalled excellence, taken by Hare, at his gallery above R. Davis' store. Also, ambro and other types. Now is the time to lay in a supply of the articles. —Mr. Chris. Shinafelt, of Co. F, 133d Penna. Vols., who was shot through the head at the battle of Fredericksburg and severely wounded, has arrived home on furlough. He is recovering. —Notice the "Elegy to the memory of those of Cambria's sons who fell at Fredericksburg," to be found on the fourth page of today's paper. —Next Sunday, 22d inst., is Washington's birthday.

Assessors and Assistant Assessors of U. S. taxes are now, by law, authorized to administer the oaths to the persons making monthly returns on which excise taxes are levied. They are to do so free of charge. Besides being a saving to those making returns, it is a great convenience, as heretofore it was necessary to go, in many cases, quite a distance, to a Justice of the Peace.

The M. E. quarterly meeting for Cambria circuit commenced in this place on Saturday, Elder Lynch presiding.—Large congregations attend nightly, and the services will doubtless be productive of much good.

THE NEW YORK TRIBUNE. The New York Tribune first issued in 1841, now in its twenty-second year, has obtained such a large and a more widely diffused circulation than any other newspaper ever published in America. Though it has suffered, in common with other journals, from the volunteering and departure of tens of thousands of its patrons to serve in the War for the Union, its circulation on this 6th day of December, 1862, is as follows: Daily, 50,125; Semi-Weekly, 17,250; Weekly, 148,000. Aggregate, 215,375.

Pre-eminently a journal of News and of Literature. The Tribune has political convictions which are well characterized by the single word REPUBLICAN. It is Republican in its hearty adhesion to the great truth that "God has made of one blood all nations of men"—Republican in its assertion of the equal and inalienable rights of all men to "life, liberty, and the pursuit of happiness"—Republican in its steadfast, earnest, defiant hostility to every scheme and effort of the Slave Power, from the Annexation of Texas to the great Rebellion, to grasp the empire of the New World and wield the resources of our country for its own aggrandizement—Republican in its antagonism to the aristocrats and despots of the Old World, who fondly hail in the perils and calamities suddenly thrust upon us by their American counterparts the overthrow and ruin of the Model Republic—Republican in its hope and trust, its faith and effort, that this atrocious Rebellion must result in the signal overthrow of its plotters, and the firm establishment of equal rights and equal laws throughout the whole extent of our country, wherein Liberty and Union shall indeed be "one and inseparable" henceforth and forever. The Tribune devotes attention in calmer times, and to some extent in these, to Education, Temperance, Agriculture, Invention, and whatever else may minister to the spiritual and material progress and well-being of mankind; but for the present its energies and its columns are mainly devoted to the invigoration and success of the War for the Union. Its special correspondents accompany every considerable army and report every important incident of that great struggle which we trust is soon to result in the signal and conclusive triumph of the National arms and in the restoration of Peace and Thrift to our distracted, bleeding country. We believe that no other-wise can a fuller or more accurate view of the progress and character of this momentous conflict be obtained than through the regular perusal of our columns. And we earnestly solicit the co-operation of all friends of the National cause, which we regard and uphold as that of Universal Humanity, to aid us in extending its circulation. TERMS.—The enormous increase in the price of printing paper and other materials used in printing newspapers, compels us to increase the price of The Tribune. Our new terms are: DAILY TRIBUNE. Single Copy, 3 cents. Mail Subscribers, one year, (311 issues,) \$8. SEMI-WEEKLY TRIBUNE. One Copy, one year, (104 issues,) \$3. Two Copies, one year, \$5. Five Copies, one year, \$12.
