ITTER FROM CO. P. 133D PENNA. VOLS - SUN-DAY IN CAMP-MORE RAIN AND DELAYS-PAID orr, ac., ac.

CAMP NEAR FALMOUTH, VA., April 20, 1863. orrespondence of The Alleghanian.

Taking all in all, Sunday is well oberved in camp, both by men and officers. It is but seldom that any of the men are found disturbing the quiet of the day .-No duty is required of them save to appear on inspection in the morning, and dress parade in the evening. When the weather is not too inclement, preaching by our most worthy and efficient chaplain follows inspection, while regimental prayer meeting is held during the early porion of the evening.

Yesterday, Col. (Rev.) J. B. Clark, by nvitation of Chaplain Hartsock, delivered in excellent sermon taking his text from Luke x: 42. Throughout the discourse the speaker received the most strict attenion. His remarks were plain, practical and able. Col. Clark is highly esteemed by the whole brigade, both for his efficiency as an officer and his uprightness as

In the afternoon the Welsh portion of the regiment were enlivened by a sermon in their native tongue by Rev. John Mergan Thomas, (well known in Ebensburg,) Chaplain of the 155th Regiment, drew many to whom the words of the speaker were but unintelligible sounds .-The harmony and exquisite sweetness of the singing held every listener spell

On Tuesday morning last, we were placed under marching orders. That night and the next day we were visited hy a heavy and constant rain, which may have caused a delay in the move. When we move or where to is unknown to us. We do know, however, that we have eight sys rations crammed in the haversack and kuapsack.

The regiment received four months pay hast Friday. Our chaplain took \$26,000 for the regiment to be expressed home at Acquis Creek. Our company sent 31,631. The company still continues to enjoy good health. . E. P. W.

THE COUNTY INSTITUTE. - Teachers throughout the county will please bear in mind that the Cambria County Teachers' Institute convenes in this place on . Monday evening next, 4th proximo, to continue in session the three succeeding days. Every arrangement has been made to render the affair a success. Prominent men from every section of the county have been invited to be present, and will add the weight of their influence in favor of Education. Besides the regular exereises of the Institute, addresses from gentlemen of known ability will be delivered. We see that the Johnstown Direcfors have postponed the opening of their schools for several days, in order to allow their teachers to attend the Institute, and these so doing will be credited with the number of days thus consumed. This is he proper spirit, and should meet with ceneral imitation throughout the various shool districts. It is too manifestly the duty of teachers to attend these educational gatherings to admit of question, and it is equally the duty of directors to afford them every facility in their power to do. Excursion tickets, we under-Railroad between Johnstown and Gallitz lastitute. We hope to see a large reprepeople present-a sure guaranty that the life to him! ennobling cause of Education is not being onservators in this county.

OUR TABLE .- Godey's Lady's Book, Monthly, and the Knickerbocker, for May, have been received. They are all filled to the full with good things. Everybody should take these monthlies-they are the four best in existence.

TEMPERANCE .- We direct the attention of our readers to an ably written article on our fourth page to-day, on the subject of Temperance. This is a question which, in the more absorbing issues of the war, | has been pretty much forgotten lately.-In our anxiety to squelch Treason and Traitors, we have lost sight of the fact that, here, in our very midst, an insidious foe-hateful and destructive as the Rebeilion itself-stalks defiantly abroad. This tiplied cares and anxieties as a nation, as a people we should never forget that the cause of Temperance is one which still demands our most earnest and undivided attention. Intemperance even now prevails to a startling extent, and is fast becoming universal. Let us, then, as Temperance men, redouble our efforts, and spare no time or labor or expense to ex- | Monday, the first day of June next. tirpate, root and branch, this evil which is fast dragging down to destruction so many of our friends and neighbors. Every man possesses a certain degree of influence-let him use it, unostentatiously, for the furtherance of the noble cause of Temperance. The fruits will become apparent, soones or later. "Howard" talks in a practical, common-sense strain, and his suggestions are worthy of consideration. We hope to hear from him often on the same subject.

Union LEAGUE AT CHEST SPRINGS .-Quite a large number of the citizens of Chest Springs and vicinity met on Thursday evening, April 16th, for the purpose of forming a Loyal Union League. The meeting was organized by calling Dr. Geo. W. Strohecker to the chair, and appointing S. J. Weakland, Vice President, and M. M. Wagner, Secretary .-Upon taking his scat, Dr. Strohecker stated, in a few wel! chosen words, the necessity for the formation of such organizations. He closed by introducing of the month, at 1 o'clock in the afternoon, addressed the audience on the questions literay and scientific acquirements, and of of the day. This gentleman was followed skill and experience in the art of teaching, and ruin of the Model Republic-Republican as County Superintendent, for the three suc-Penna. Vols. The novelty of the sermon by Cyrus Elder, Esq., of Johnstown, in one of his usual happy efforts. Upon the close of Mr. Elder's remarks, the Secretary reported a draft of a Constitution and By-Laws, which was adopted, and under which a permanent organization was formed, by electing the following officers: President, S. J. Weakland; Vice President, Henry Nutter; Secretary, A. W. Green; Treasurer, J. A. Barker. The greatest enthusiasm was manifested throughout the whole meeting, which adjourned with three rousing cheers for the Union and the Constitution. So we learn from the Johnstown Tribune.

> ELECTION OF CO. SUPT .- Of course the various School Directors throughout the county will not forget that on next Monday, 4th May, the election of a Superintendent of Common Schools for this county will be held. Several good men are named in connection with the office, John Cake either one of whom would prove fully Joseph Dailey or Mary Robert D Thomas. competent to fulfil its varied and onerous responsibilities satisfactorily. It is unnecessary for us to say that, in a matter of James R Davis this sort, politics should be totally ignoted. Let the best man be electedwhoever he may be, in the estimation of the majority of the Directors. Another thing: should the question of salary chance to come before the Convention, by no means allow the present remuneration to be curtailed. On the contrary, if it be changed at all, let it be increased. The office of County Superintendency has practically demonstrated itself to be a benefit to the Common School system. A man to be enabled to perform the duties of Superintendent satisfactorily and to advantage must possess talents of the first order. A well educated, talented man will not consent to waste his time for a pittance. Therefore, let his salary be ample and generous.

Personal .- Adjutant R. A. M'Coy, of the gallant 11th Penna. Reserves, was with us on a brief visit last week, returnstand, will be issued on the Pennsylvania ing to his regiment on Saturday. He was looking hale and hearty, as though in, good during the continuance of the the life of a soldier agreed with him to a t The Adjutant bears the reputation of sentation of the profession upon which being a tip-top officer, while as a man he prices. centre our hopes of future greatness as a is unsurpassed and unsurpassable. NEW CHURCH.-We are informed that the erection of a new Cathelic church in Johnstown the coming summer is in contemplation, the present building having been found altogether too small for the wants of the congregation. Mr. James C. Easly, now of this place, is engaged in preparing the necessary plans, etc. From this gentleman's well known ability as an the groundwork of the proposed church, should not be. THE NEW-YORK TRIBUNE.

April 24, 1862, ly-.

---1863.---The New York Tribune first issued in 1841, now in its twenty-second year, has obtained both a larger and a more widely diffused circulation than any other newspaper ever published in America Though it has suffered, in common with other journals, from the volunteering and departure of tens of thous-J Johnstown, Pa .- Will practice in the ands of its patrons to serve in the War for the Union, its circulation on this 6th day of December, 1862, is as follows:

Daily, Semi-Weekly, Weekly,

Pre-eminently a journal of News and of Literature, The Tribune has political convictions which are well characterized by the single word REPUBLICAN. It is Republican in its hearty adhesion to the great truth that "God has made of one blood all nations of men"-Republican in its assertion of the equal and inhlienable rights of all men to "life, liberty, and the pursuit of happiness"-Republican in its steadfast, earnest, defiant bostility to every scheme and effort of the Slave Power, from the Annexation of Texas to the great Rebellion, to grasp the empire of the New World and wield the resources of our country for its pwu aggrandizement-Republican in its antagonism to the aristocrats and despots of the C's World, who dly hail in the per-ils and cal, mities suddenly thrust upon us of their American counterpart the overthrow this atrocious Rebellion must result in the signal overthrow of its plotters, and the firm establishment of equal rights and equal laws throughout the whole extent of our country, wherein Liberty and Union shall indeed be

one and inseparable" henceforth and forever. The Tribune levotes attention in calmer times, and to some extent in these, to Education, Temperance, Agriculture, Invention, and whatever else may minister to the spiritual and material progress and well-being of mankind; but for the present its energies and its columns are mainly devoted to the invigoration and success of the War for the Union. Its special correspondents accompany every considerable army and report every important incident of that great struggle which we trust is soon to result in the signal and conclusive triumph of the National arms and in the restoration of Peace and Thrift to our distracted, bleeding country. We believe that no otherwise can a fuller or more accurate view of the progress and canracter of this momentous conflict be o . . ined than through the regular perusal of our columns, And we earnestly solicit the co-operation of all friends of the National cause, which we regard and uphold as that of Universal Humanity, to aid us in

extending its circulation. TERMS :- The enormous increase in the price of printing paper and other materials used in printing newspapers, compels us to increase the price of The Tribune. Our new
