A regimental organization of the troops rendezvousing in this camp was effected n Friday last, and the following officers elected , Colonel, John M'Keage, of Blair county; Lieut.-Colonel, --- Boles, of Centre county; Major, Richard Crozier, of Blair county; Adjutant, --- Crawford, of Centre county. The companies composing the regiment, ten in number, are as follows-Capt. Litzinger's and Capt. Hughes', Cambria; Capt. Snyder's and Capt. Boles', Centre ; Capt. M'Keage's and Capt. Crozier's, Blair ; Capt. Hohman's Bedford ; Capt. Davidson's, Centre ; Capt. Swope's, Clearfield ; Capt. Traver's, half Blair and half Cambria. The first four of the foregoing companies are "emergency" men-the residue, "three months' men."

A regiment would have been formed emergency men and the three months' men. The New York Tribune first issued in 1841. now in its twenty-second year, has obtained both a larger and a more widely diffused circulation than any other newspaper ever published in America Though it has suffered; in common with other journals, from the volunteering and departure of tens of thousands of its patrons to serve in the War for the Union, its circulation on this 6th day of December, 1862, is as follows :

215,375 Aggregate, Pre-eminently a journal of News and of Literature, The Tribune has political convictions which are well characterized by the single word REPUBLICAN. It is Republican in its hearty adhesion to the great truth that "God has made of one blood all nations of men"-Republican in its assertion of the equal and inalienable rights of all men to "life, liberty, and the pursuit of happiness"-Republican in its steadfast, earnest, defiant hostility to evcry scheme and effort of the Slave Power, from the Annexation of Texas to the great Rebellion, to grasp the empire of the New World and wield the resources of our country for its own aggrandizement-Republican in its antagonism to the aristocrats and despots of the C'd World, who fondly hail in the perils and cak mities suddenly thrust upon us by heir American counterpart the overthrow and ruin of the Model Republic--Republican in its hope and trust, its faith and effort, that this atrocious Rebellion must result in the signal overthrow of its plotters, andthe firm establishment of equal rights and equal laws throughout the whole extent of our country, wherein Liberty and Union shall indeed be "one and inseparable" henceforth and forever. The Tribune levotes attention in calmertimes, and to some extent in these, to Education, Temperance, Agriculture, Invention, and whatever else may minister to the spiritual and material progress and well-being of mankind; but for the present its energies and its columns are mainly devoted to the invigoration and success of the War for the Union. Its special correspondents accompany every considerable army and report every important incident of that great struggle which we trust is soon to result in the signal and conclusive triumph of the National arms and in the restoration of Peace and Thrift to our distracted, bleeding country. We believe that no otherwise can a fuller or more accurate view of the progress and canracter of this momentous conflict be o ... sined than through the regular perusal of our columns, And w earnestlysolicit the co-operation of all friends of thos National cause, which we regard and uphold. as that of Universal Humanity, to aid us in extending its circulation. * TERMS :- The enormous increase in the price of printing paper and other materiala, used in printing newspapers, compels us to increase the price of The Tribune. Our regiment is designated as the 54th Penna. Vol. Militia, of which Capt. Litzinger's company occupies the proud disinction of Co. A. In view of the fact that, in the distribution of field offices, the claims of Cambria were entirely overlooked, by reason that the latter were not pressed with that unyielding pertinacity characterizing those of some of the other counties, the concession of the post of honor B n the regiment to our company is but a simple act of justice.

We have been out on dress parade everal times already, and it is no ostenation to say that the 54th, when drawn h up in line, presents a by no means insig. O ificant appearance. The men are all well sized, finely developed, hardy, intelgent, as a general thing-patriotic to he last degree-just the material out of which to mould a tip-top Juggernaut, to asist in breaking the back-bone of the lebellion.
