SQUARING THE BOOKS .- The Commissioners and Auditors of this county are now and have been for a couple of weeks busily engaged in auditing the accounts of the county.

WAKE UP !- No effort has yet been made to fill the quota of Ebensburg borough, and thereby escape the necessity of a draft. If anything is to be done, and well done, 'twere well 'twere done quickly. A bounty of \$100 or \$200 would most likely secure us the required number of men.

"MATERNAL INSTINCT." -- We are under obligations to the author, Dr. J. M Toner, of Washington city, for the present of a copy of his lately issued book bearing the above title. The work is handsomely gotten up, in blue and gold, and bears internal evidence of penetration and deep thought on the part of the author. Seeing that the Doctor was at one time resident of this county, we think "Maternal Instinct" should be allowed the compliment of an extended circulation among eur people.

ARM BROKEN .- On Thursday last, Mr. Jacob Settlemoyer, whose nuptials we chronicled in these columns a couple of weeks since, met with a severe accident, in this wise: He was coming to town, the ground and precipitating the shook upon him. His arm was fractured in three different places, and he otherwise severely injured. We understand the boys residing in that vicinity. sufferer is doing as well as could be expected under the circumstances.

EDUCATIONAL COLUMN.-We this week introduce to the consideration of the readers of The Alleghanian a new teature, to wit, an Educational Department, for the discussion of matters pertaining to the great and growing Common School interest. The editorship of the professional teacher, eminently qualified for the task, who will use every effort to tender the column interesting and instructive. We hope our readers, and especially those engaged in the profession of teaching, will give ear to the bints and suggestions which may from time to time appear therein. Terse and vigorous communications on school subjects are solicited.

RAILROAD ACCIDENT .- The first accident of magnitude characterizing the Ebensburg and Cresson Railroad since its construction occurred on Saturday evening last. When rounding a curve near "Bradley's cut," the locomotive and a freight car ran off the track and over a precipice twenty feet down, smashing the former considerably, and piling the latter in fragments on top. The passenger car fortunately remained on the track, and hone of the passengers were injured .-The engineer went over with the locomotive, but was not hurt; the fireman jumped off and had his hand severely bruised. A gang of workmen were immediately put on the ruins, and in a short time had the road in running order again.

LOCAL CORRESPONDENCE. VATER WORKS-TOWN HALL-THE SCHOOLS: LIBERALITY OF WOOD, MORRELL & CO .-- A SLEIGHING PARTY, AND HOW THE MEN MONOP-OLIZED THE DANCING AND THE WOMEN THE BATING-SOLDIERS, THE DRAFT, &C., &C.

JOHNSTOWN, Jan. 24, 1864. Correspondence of The Alleghanian.

For some time past, several citizens of this place have been agitating the queswater-works, for the purpose of supplying our growing city with an inexhaustible supply of the fluidical commodity. A public meeting, to devise ways and means for putting the project into execution, was held in Council Chamber last night, when and where it was determined to which tracts were legally purchased by the apply immediately for a charter, and committees were appointed in the different wards to solicit stock subscriptions .-From the well known enterprise characterizing the gentlemen having the matter principally in charge, I have no doubt the project will be entirely successful.

Our Councils have taken in hand the matter of the building of a Town Hall. A committee of one from each ward has been appointed, to consider plan, location, &c., with instructions to report at special meeting to-morrow night. We are badly in need of a public hall of this kind, and it is due the prosperity of town that one be erected.

The present term of our public schools closes on Saturday next, with an exami- | 424 nation of pupils. In connection with this | 400 subject, I cannot refrain from paying a 400 compliment to Wood, Morrell & Co., for their large-hearted liberality evinced in employing a teacher and paying all the expenses incident to a free night school | 400 for the boys employed in the mines and | about the mill, who are, of course, deprived of many of the advantages afforded by | 430 131 Nicholson tract, our beneficent school system. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I

vet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years under the impression that they were chiefly an acloholic mixture. I am indebted to my friend Robert Shoemaker., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use J. NEWTON BROWN. PHILAD'A., JUNE 23, 1861,

PHILADELPHIA, August 12, 1862. Dr. C. M. JACKSON-Dear Sir: While in Virginia, owing to the change of water, I was taken with a severe diarrhoen, which seemed incurable, and which greatly weakened me. When we reached Martinsburg, I feared that I should have to come home; but noticing some of your Bitters in the store of Mr. H. H. Price, in that town, I purchased a supply, and on taking it was speedily restored to health The diarrhoea was quickly checked, and I experienced no return of it. A number of my comrades who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate I expect to return to the seat of war with the Legion, and I shall certainly take a supply of the Bitters in my knapsack. I would not be without it for its weight in gold, particularly on going into a limestone region.

Yours, truly, A. E. Aband Company H, Scott Legion.
