

LOCAL AND PERSONAL.

EBENSBURG AND CRESSON RAILROAD. On and after Monday, November 16, 1863, trains on this road will run as follows:

LEAVE EBENSBURG—At 7.20 A. M., connecting with Balt. Express West and Thro' Acrom East. At 7.15 P. M., connecting with Mail Train West and Thro' Express East.

A LIVE FROG FOUND IMBEDDED IN A MASS OF SOLID STONE.—The Johnstown Tribune of last week narrates the following extraordinary discovery: The workmen engaged in cutting stone for the new blacksmith shop at the Rolling Mill were somewhat astonished on Monday last at finding a good sized frog closely imbedded in the centre of a large stone broken by one of them.

GET OUT OF THE DRAFT!—We believe the necessary amount of money to pay a bounty of \$200 each to the quota of Ebensburg boro. under all calls of the President for men is raised. If so, would it not be a good idea to expend the same for the purpose for which it was originally intended?

ERCHINGS.—A petition is in circulation praying for divorce for Mr. Joseph Moore from the bonds of matrimony. A post office has been established at Somerset Furnace, Somerset county, and Mr. Nathan Sanders, formerly of this county, appointed Postmaster.

COAL.—By reference to a new advertisement elsewhere, it will be seen that Wm. Tiley, Jr., has become proprietor of the celebrated "Tiley coal-bank" at Lilly station, P. RR., Cambria county.

BOUNTY SHARKS.—The Legislative Record sets forth that on Wednesday, 20th inst., in our State Legislature, "Mr. St. Clair, chairman of the committee on military abuses, in reference to defrauding recruits and veterans out of their bounty money, made a lengthy report."

CHANGED HANDS.—Last week's Dem. & Sent. contains the valedictory of Mr. James S. Todd, who retires from the chair editorial of the concern under the pressure of increasing bad health. Col. M. Hasson will be the new editor.

INCOME TAX.—The collection of the national income tax, says an exchange, naturally enough embarrasses our people, as they have the whole routine of the business yet to learn.

By the law, every man is required to make a true return to the assessor of his income. Bear in mind that it is the duty of the people to call with the assessor and make their return; and this must be done on or before the 1st of May.

The income tax applies only to those whose net yearly income exceeds \$600. In ascertaining the income, the gross receipts are taken, and the gross expenditures. In the expenditures which are to be deducted are embraced the entire cost in carrying on business, including rent, clerk hire, insurance, freight, fuel, &c., the rent of the property occupied as a residence, interest on bonds or stock on which three per cent. has already been deducted, &c.

After deducting all these expenses from the gross revenues, a tax of three per cent. is imposed upon the excess over \$600 of each man's income. Persons whose net income does not exceed that sum pay no tax, unless they have silver ware or carriages, upon which a specific tax is imposed.

USEFUL RECEIPTS.—To make a nice jam, lay your head under a descending pile-driver. To be ahead of time, carry your watch behind you. To keep from being dry, stand out in the rain. To prevent a headache when getting sober, keep your goods elsewhere than at James M. Thompson's store, P. O. building, Ebensburg, Pa.

FIRE.—On Saturday night last, the dwelling house of Mr. Michael Snyder, in Carroll township, this county, with its contents, was totally destroyed by fire. We did not hear further particulars.

DR. TOBIAS' VENETIAN LINIMENT.—Died of croup—what a pretty and interesting child I saw last week! But now, alas! it is no more. Such was the conversation of two gentlemen riding down town in the cars. Died of croup! how strange! when Dr. Tobias' Venetian Liniment is a certain cure, if taken in time. Now, Mothers, we appeal to you. It is not for the paltry gain and profit we make, but for the sake of your infant child that now lies playing at your feet. Croup is a dangerous disease; but use Dr. Tobias' Venetian Liniment in time, and it is robbed of its terrors. Always keep it in the house; you may not want it to-night, or to-morrow, no telling when—but armed with this liniment you are prepared, let it come when it will. Price only 25 cents a bottle. Office 56 Cortlandt Street, New-York. Sold by all Druggists. [April 7.]

COAL! COAL! COAL! The subscriber is now carrying on the Colliery of Wm. Tiley, Sr., at Lilly Station, on the Pennsylvania Railroad, Cambria county, and will be glad to fill all orders, to any amount, of citizens of Ebensburg and vicinity. Satisfaction as to quality of Coal guaranteed in all cases. WM. TILEY, Jr. April 28, 1864-6m

DIED: At the residence of Mr. James Myers, Ebensburg, on the 23d inst., of inflammation of the lungs, Mr. JOHN EVANS, (Carpenter), aged about 60 years. The remains of the deceased were interred in Lloyd Cemetery on Sunday.

LOCAL CORRESPONDENCE.

JOHNSTOWN, April 25, 1864.

Dear Alleghanian:—The elopement which I noticed a short time since has had an unusual sequel. The disappointed lover has offered himself to another fair one, been accepted, and the intended father-in-law agrees to start him in business, provided he makes a kind and worthy husband for his daughter. As he is really a meritorious young man, I hope his lady-love in this instance will not prove fickle.

Lieut. Emory Fisher, of the — Colored Vol's., was in town last week on brief furlough. He looks well, and expresses himself pleased with his position. His regiment is stationed on the Peninsula, in the vicinity of Williamsburg.

S. B. Bathurst, whilom a school teacher in this place, but for the past two years Orderly Sergeant of Captain Bonaker's company, 54th Pa. Reg't., is also home on furlough. Serg't. Bathurst has re-enlisted, and his intelligence and bravery will doubtless soon be recognized to his advancement in the service. His hosts of friends in this locality wish him the success he deserves.

Capt. M'Donald's company left last week for their rendezvous, in Chester county. Enough recruits were secured to fill it to the maximum.

Quite a number of deaths have occurred here during the past week. Among them I notice the decease of the mother of Esquire Flattery. She had reached the ripe old age of 84.

The plasterers and carpenters are busily engaged upon the new Catholic church in this place, and it is designed to finish it by the 15th of August next, if possible.

The erection of the building is superintended by G. W. Easley, and the plastering—now under headway—is contracted for by Butland & Thomas.

The foundation for the new Lutheran church is about completed, and the balance of the work will be pushed rapidly. The trenches for the foundation of the new Presbyterian church are laid out, and it is the design to finish this building also during the coming summer.

The stone masons have begun work upon the new woolen factory. It is to be a mammoth building, and will reflect credit upon the enterprise of those who have the matter in hand.

A. J. Hite, formerly a compositor in the Johnstown Democrat, is now assistant editor of the Pittsburg Post. He possesses the reputation of being a keen and ready writer, and will doubtless give satisfaction to his political friends, in his new capacity. Yours, MAY LEON.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily, in regard to Dr. C. M. Jackson's of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use them. J. NEWTON BROWN. PHILAD'A., JUNE 23, 1861.

ATTENTION SOLDIERS!

Will build up the constitution, and give health and strength to an overtaken and diseased system.

PHILADELPHIA, August 12, 1862.

DR. C. M. JACKSON.—Dear Sir: While in Virginia, owing to the change of water, I was taken with a severe diarrhoea, which seemed incurable, and which greatly weakened me. When we reached Martinsburg, I feared that I should have to come home; but noticing some of your Bitters in the store of Mr. H. H. Price, in that town, I purchased a supply, and on taking it was speedily restored to health. The diarrhoea was quickly checked, and I experienced no return of it. A number of my comrades who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate. I expect to return to the seat of war with the Legion, and I shall certainly take a supply of the Bitters in my knapsack. I would not be without it for its weight in gold, particularly on going into a limestone region. Yours, truly, A. E. ALMEBUS, Company H, 3d Reg't Legion.
