BRANCHING OUT.—We notice that Messrs. J. F. Campbell and J. K. Hite, assisted by Mr. A. J. Hite, all of Johnstown, and the former editor of the Johnstown Democrat, have become editors of the Harrisburg Patriot & Union. They certainly constitute a strong team, and we bespeak for them much success pecuniarily in their enterprise, but wary success politically. By the way, we do not know that we entertain any particular objection to an "X" with the P. & U.—in fact, we think we would rather like an "X." [The uninitiated must not confound this with "XX," which is a horse of a totally different color.] Receiving one, we will not care to charge the new firm the difference between our weekly and their daily!

The relation of Mr. Campbell with the Johnstown Democrat will not be interfered with by his embarkation in the Harrisburg concern.

FATAL TERMINATION.—A man named Geis, brewer, residing in Carrolltown, this county, came to his death on Saturday under the following circumstances:—On the 4th July he had been to St. Augustine with a load of beer, and was returning home in the evening, when he engaged in a race with a team he chanced to meet on the road. This team, in attempting to pass him, ran against his wagon, upsetting it, or at least jolting it to the extent of precipitating Mr. G. to the ground. The wheels of the wagon passed over his leg, mutilating it in a most horrible manner. The unfortunate man was taken home, and in a short time mortification set in, resulting as above. The deceased was a married man, and was aged about 35 years.

GET OUT OF THE DRAFT!—Now that the \$300 clause of the Conscription act has been repealed, thereby rendering it necessary that a man when drafted must either procure a substitute or go, would it not be the part of wisdom in the non-exempt portion of our community to take time by the forelock and proceed at once to fill our quota under the call which will soon be issued by the President for more men? Those sub districts earliest in the market are the ones which will most easily secure their men, and at the cheapest price. We make the suggestion for what it is worth.

MARRIED: On the 27th June, at the residence of the bride's father, by Rev. J. A. Plozman, Mr. ELBRIDGE STILES, of Ebensburg, to Miss MARGARET FULMER, of Carroll township. We bespeak for our young friends an uninterrupted career of happiness and prosperity.

MARRIED: On 16th ult., in Janesville, Clearfield county, by Rev. T. Van Scoyoc, Mr. CHARLES MILLER to Miss NORAH NEARON, both of Guclich township, Clearfield county.

—The "glorious Fourth" passed off quietly here. No particular demonstrations marked either its advent or exit.

LOCAL CORRESPONDENCE.

THE FOURTH OF JULY: ACCIDENTS AND INCIDENTS—COL. CAMPBELL AND THE 54TH P. V.—THE DRAFT—MILITARY MATTERS—ISN'T IT HOT!—ac., ac.

JOHNSTOWN, July 10, 1864. Correspondence of The Alleghanian. The Fourth of July was pretty generally observed here, and was prolific of accidents and incidents. A picnic for the benefit of soldiers' families was well patronized, and three others, for individual profit, also attracted each a crowd.—At one of the latter, several quarrels occurred, and two men were shot—one named Cassidy through the arm, by John Glass, a furloughed soldier of the 54th P. V., and the other accidentally through the calf of the leg. A large number of eyes were draped in mourning, faces cut, &c., at the same time and place.

A man named Gick had his foot smashed the same day, while attempting to get on a passing train, and it was found necessary to amputate it at the ankle. The same day, L. B. Colick, Esq., was thrown from a horse, and his collar-bone broken and he otherwise injured. His condition is considered critical.

A trotting match between Mr. Gore's mare and Dr. Emerson's horse came off on the race-course in Kernville, on the 4th. Gore was declared the winner, his mare making the "heat" in something less than three minutes.

Col. Campbell, of the 54th P. V., made his appearance here on Friday, to rest for a couple of weeks after his late arduous campaign in Western Virginia. He gives the loss of his regiment in the recent movements of Hunter at 11 killed and some 30 wounded. He states that the veterans of the 54th will be home on thirty days' furlough in a short time.

The draft for deficiency of twelve on our quota came off the 6th. An insurance company of 255 members, each depositing twenty dollars, had previously been formed, and out of this number six were drafted. Those of these who do not desire to take the field in person will thus have an opportunity of commuting at a cost of only about six dollars per man.

An effort is being made by T. L. Heyer to recruit a company of one hundred men, in response to Gov. Curtin's proclamation for troops to repel invasion. Another company is also talked of. The great demand existing for labor makes it very difficult to secure the men.

The weather during the past few days has been intolerably hot. The thermometer to-day will reach over 100° in the shade. Business begins to slacken, owing, no doubt, to the rapid advance in the price of goods of all kinds. A good article of four now sells for \$12.50.

A bear belonging to Van Amburg's menagerie died here yesterday.

GO THOU AND DO LIKEWISE.—It is stated as a fact that the Conference for this Congressional District, which met at Tyrone a few days since and participated in only three hundred and seventy-five file ballots for a candidate, adjourned, not because there was no likelihood of the Conferees ever agreeing on a standard-bearer, but so as to allow them all to go to James M. Thompson's new store, Ebensburg, and lay in a stock of the cheap and serviceable goods he always keeps on hand.

MAN KILLED.—A man named Henry Parry, residing near Pine Flat, Indiana county, was killed on Saturday last, by being caught in some part of the machinery of the engine of a steam saw-mill in that vicinity. He lived only a couple of hours after the occurrence of the accident.

DR. TOBIAS VENEZIAN LINIMENT.—More testimony! This is to certify that for the last five years I have used in my family Dr. Tobias' celebrated Venetian Liniment, and in every instance have found it fully equal to his recommendations. I have found it to give almost instantaneous relief in cases of toothache, croup, bilious colic, sore throat, pain in the chest and back, and rheumatism; and I cheerfully recommended its trial to every one afflicted with any of the above-named diseases. JAMES H. WARNER, Hartford, Conn., Oct. 16th, 1861. Price 25 and 50 cents. Sold by all druggists. Office 56 Cortlandt St., New-York. [Jel2.]

Eichenschr, Cambria Bor.; E. A. Gibbons Allegheny tp. JOS. McDONALD, Clerk Q. S.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. "Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation; in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an arborescent mixture. I am indebted to my friend Robert Stoenmaker, for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use them. J. NEWTON BROWN. PHILA., JUNE 23, 1861.

ATTENTION SOLDIERS! Will build up the constitution, and give health and strength to an overtasked and diseased system. PHILADELPHIA, August 12, 1862. DR. C. M. JACKSON.—Dear Sir: While in Virginia, owing to the change of water, I was taken with a severe diarrhoea, which seemed incurable, and which greatly weakened me. When we reached Martinsburg, I feared that I should have to come home; but noticing some of your Bitters in the store of Mr. H. H. Price, in that town, I purchased a supply, and on taking it was speedily restored to health. The diarrhoea was quickly checked, and I experienced no return of it. A number of my comrades who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate. I expect to return to the seat of war with the Legion, and I shall certainly take a supply of the Bitters in my knapsack. I would not be without it for its weight in gold, particularly on going into a limestone region. Yours, truly, A. E. ALMEUS, Company H, Scott Legion.

BEWARE OF COUNTERFEITS! See that the signature of "C. M. Jackson" is on the wrapper of each bottle. Price per bottle 75 cents Or half dozen for \$4.
