ETCHINGS .- The Johnstown Democrat, after a brief suspension, has again made its appearance, as large as life and twice as rabid. It is still printed by Mr. Jas. F. Campbell, who, notwithstanding all former disclaimers, is extremely anxious of becoming a "martyr" in the cause of so-called Democracy. The terms of the paper have been increased to \$3.00 per annum if paid in advance, or \$3.50 if not paid till the expiration of the year .... A ladies' fair, for the benefit of the Catholic church of Altoona, commences at that place to-day....The "Scott House," Johnstown, has undergone a change of proprietors, Mr. David Griffith retiring, and Mr. G. W. Foland succeeding .... Mr. David Brown, father of Mr. Robert Brown, the efficient RR. agent at Cresson, died at his residence, New Florence, on the 26th ult. ...The conscripts from this county are reporting the present week at Provost Marshal headquarters, Hollidaysburg, for examination....Huntingdon county is infested by a seemingly organized band of housebreakers. Burglary and robbery are of almost daily occurrence.... The present snap of pleasant weather has proved a decided blessing to not a few of our townssnow and ice !... Among the many arrivals | rests have been made. in town, in attendance at Court, we notice our friend and fellow-townsman, Hon. A. C. Mullin, now Private Secretry of Governor Curtin. The cares of his office seem to bear lightly on him, and he is the same genial, gentlemanly, good fellow he always was. May good luck hit him ! ...John Porter, Esq., of Washington tp., has made us two or three pop visits the present week. He is invested with the responsibilities attaching to the distinguished position of Foreman of the Grand Inquest now sitting in and for Cambria county, and is winning many encomiums of praise for the skillful and business-like manner in which he is performing the duties thereunto appertaining. Success ! ...Mr. Thos. Callan has opened an eating

A MATTER DEMANDING ATTENTION. -We understand the Penna. Railroad Company have hearkened to the prayers of the citizens of Johnstown, and ordered the Phila. Express east and west to stop at that station hereafter-a thing it had failed to do since the incoming of the existing schedule. This suggests the remark that it is to the interest of the citizens of Ebensburg to take measures to obtain a modification of the schedule so far as it refers to Cresson station. In the first place, our Branch train, leaving here at 4.10 .p m., ought by all means to connect with the Emigrant train west, passing Cresson at 4.55. This would require a start of only a few minutes carlier from this depot, and would obviate the disagreeable necessity of passengers waiting three hours and a half for the next train. Then, the Phila. express east ought to stop at Cresson. The only train east and will do a general auction business in stopping at that point in the evening is real estate, dry goods, household goods, the Pittsburg & Eric express, at 5.15 .-The Phila. express passes before our Branch train starts, but does not stop. Hence, passengers from Pittsburg, and three hours and a half's weary waiting at Cresson before they can be permitted to resume their journey hither. The schedule for the morning is an excellent one, in full in the Tribune of last week. but that for the evening, as we have endeavored to show, is exactly the reverse. fore them.

"THE DEALINGS OF GOD WITH OUR NATION."-We hope our readers will not fail to read, from beginning to end, the excellent discourse delivered by Rev. J. S. Lemmon in the Presbyterian Church, Ebensburg, on Thanksgiving day, and published on the outside and a portion of the inside of this paper. Its utterances on all-important topics are eminently truthful, brave and bold, and cannot fail to strike a responsive chord in the great heart of the people. It has been the custom of late, among certain classes, to decry the institution of Thanksgiving, and to sneeringly ask, "What have we, as individuals or as a nation, that we should be thankful unto God?" This discourse is especially adapted to the case of al such ungrateful, unbelieving bigots, and returns an answer to their wicked sneers and doubtings which should carry conviction and cause them to forever droop their heads in shame.

THE PITTSBURG COMMERCIAL.-Al though only comparatively a new publication, this journal has been conducted from the beginning with so much genius, ability and vigor, and with such eminent regard for the public requirement, that it now ranks as the very first daily in Western Pennsylvania. We take it, and are free to say we couldn't well get along without it. To those of our readers who are thinking of subscribing for a daily, and who desire to subscribe for a live daily, we recommend the Commercial, confident that it will give full and entire satisfaction. SOLDIER SHOT .- A few days since, while two soldiers were riding on horseback in the vicinity of Hoppel's Mill, Carroll township, this county, they were people and farmers, in that through it fired upon by some person in ambush, and they have been enabled to complete the one of them wounded in the ancle by a raising of their potatoes, a job which was bullet. The motive for this unprovoked necessarily deferred by reason of the cold outrage is not known, but it is most likely weather of six weeks ago, lasting till now. to be found in the deeply-rooted feeling of Pork, " Digging potatoes in December may sound antipathy entertained by a large number queer, but the thing can be done, and of residents of that section, deserters from that, too, on the top of the Alleghanies, the United States' service, to the Union but one remove from the line of perpetual blue and to all those wearing it. PAVEMENTS .- In obedience to a boro. ordinance passed last summer, a very large proportion of the pavements of Ebensburg have been either relaid or repaired. A number yet remain, however, which are daily growing worse instead of better .-These ought to be attended to forthwith.

Court.-Court met on Monday, at 2 ner of the "Diamond," Ebensburg, where o'clock, p. m. The usual amount of busihe keeps a full supply of stock incident to ness has thus far been transacted, but no such establishments, such as oysters, ale, cases of especial interest are down for trial. The attendance is an average one.

MAN DROWNED-AUCTIONEER APPOINTED-CON-CERNING THE PRESBYTERIAN CHURCH-A CON-CERT, &C., &C.

JOHNSTOWN, Dec. 4, 1864. Correspondence of The Alleghanian.

A man named Patrick M'Carthy was drowned in the Conemaugh river, opposite the Rolling Mill, on Sunday night last .-His fate was not discovered until Wednesday, and unavailing search had been made for him until that day, when his lifeless body was observed floating in the Slackwater, a few miles below town. Deceased was employed in the Iron Works, but had been on a spree for several days. He leaves a wife and family.

John W. Wehn, merchant, has been appointed by Gov. Curtin auctioneer in this place. Mr. Wehn intends opening a room in the Jordan Marbourg property,

FROM OUR SOLDIERS.

LETTER FROM CO, C, 209TH P. V .- ON THE MOVE -FROM BUTLER TO MEADE-A THANKSGIVING DINNER SPOILED, &c., &c.

NEAR THE WELDON RR., Nov. 21. Correspondence of The Alleghanian.

Since my last letter, we have been on the move. On Thursday, we were promised turkey, or chicken, or both, and apples, wherewith to make an old style Thanksgiving dinner. Barrels full of apples, boxes full of turkeys, other boxes full of chicken, were in store for our oft promised Thanksgiving dinner. Lo, Thanksgiving came-and with it Thanksgiving dinner, think you? Never!-What did come? Why, an order to march to the Army of the Potomac and report to Maj.-Gen Meade. And just about the time we should have been enjoying our turkey, &c., we commenced to tramp through Virginia mud. On Friday, we reached our destination, some two miles west or south-west of the Weldon Railroad. How long we may stay here it is hard to tell. We are assigned to the 9th corps, permanently I understand, but of this I cannot be certain. Nor can I give you the division, though it is probable that we will form part of the third division, to be composed entirely of the new Pennsylvania regiments. Everything is quiet here; not even so much as picket firing disturbs the stillness. All are well. Weather mild and pleasant. GAMMA.

PROSPECTUS FOR THE NEW YEAR. On assuming control of THE COMMERCIAL at the commencement of the year, the present conductors announced their determination to infuse a new life and vigor into its columns which should render the paper more than ever acceptable to the reader. The rapid our cotemporaries, and congratulatory letters from every quarter, assure us that our efforts have not been unsuccessful.

THE COMMERCIAL has grown daily in public favor until it now ranks among the leading journals in the country.

In order to keep pace with the demands of the reading public, and at the same time meet the increasing pressure on our advertising columns, we some months since increased the dimensions of the paper to the extent of four

Among the leading features are full and reliable TELEGRAPHIC REPORTS from all the leading points of interest. It devotes special attention to MARKET REPORTS, including the Iron, Oil, Cattle, Lumber, Tobacco, and the Pittsburg General Markets. Our RIVER NEWS receives particular attention, and in this department THE COMMERCIAL has no rival. The FINANCIAL AND STOCK REPORTS are prepared with care; and will be found to be unusually full and reliable.— Also, the REPORTS OF THE LEADING MARKETS OF THE COUNTRY, embracing reports of the Dry Goods and Wholesale Markets, and special reports of Oil, Stock, Finance and Trade, from day to day.

While special attention will be given to these several departments, THE COMMERCIAL lays claim to rank among the leading journals of the country as a medium of GENERAL INTELLIGENCE. Its aim is to give none but health reading, suited to the Family Circle, and to be a welcome visitor to the dis-

THE PULPIT forms a peculiar feature of THE COMMERCIAL. By giving every Saturday an Original Sermon, prepared expressly by Minister of the Gospel, in Pittsburg or vicinity, (which, also, goes into the weekly,) fiftytwo discourses are given in the year, by not less than twenty or thirty different Ministers, without regard to denominational distinction. This Department of THE COMMERCIAL has attracted much attention; and arrangements are being made to increase its recognized importance and value. As a feature at once novel and instuctive, it constitutes not the least of the many claims of THE COMMERCIAL
