Needs repairing -- the street-crossing between Mr. Fenlon's and Mrs. Stahl's residences, High street. In muddy or icy weather, it becomes almost impassable.

We learn from the Dem. & Sent. that a conscript by the name of John Sitzler was shot, on Sunday week, in White tp., by one of the provost guard. He was endeavoring to escape from arrest at the time, and in crossing a log was shot thro' both arms. His arms are said to have been badly shattered, and it was thought amputation would have to be resorted to, to save his life.

Farmers should bear in mind that they are required to report to the U.S. Assessors all cattle, hogs, calves and sheep which they slaughter for sale. The tax on each head of horned cattle is 40 cents; on each hog, 10 cents; on each calf, 5 cents; and on each sheep, 6 cents. Report must be made during the first ten days of each month. A failure to make such return subjects the person so offending to a severe penalty.

See notice with relation to the revision of the enrollment list of this district in our advertising columns.

Next Wednesday will be the shortest day of the year, the sun rising at 7.26 a. m. and setting at 4.34 p. m. After that, the days will commence growing longer at both ends.

The snow is several inches deep here at present, and the sleighing is excellent. The attendance at Court this (the sec-

ood) week is small. In view of the fact that our citizens did not to any great extent contribute to the late Thanksgiving turkey-henefit to our soldiers, would it not be a happy idea in them to do something after the gustatory line for the "boys" the approaching holidays, and thus redeem themselves from any imputations of avarice and uncharitableness that might otherwise be brought egainst them? We think it would; and beg leave to suggest enough turkey, plum pudding and mince-pie for a rousing old Christmas dinner as the most befitting donation, and to name Co. C. 209th P. A BIG HAUL OF DESERTERS .- On Sunday night last, Provost Marshal Jas. U. Burke, assisted by a squad of soldiers, executed a raid on the deserting conscripts resident in Carroll township, this county, of whom there are many thereabout .-Great success attended his movement, as no fewer than seven arrests then and there made will attest. Six of those arrested were non-reporting conscripts, whose names are Authory Mohler, Henry Luther, John Rieger, Robert Campbell, and two others. The other one arrested was Mr. Henry Hopple, a wealthy German, who is charged with the serious crime of counseling resistance to the draft, advising drafted men to not report, and harboring deserters. If found guilty, it will go hard with the latter. The prisoners passed through here Monday, on their way to Provost Marshal headquarters, Hollidaysburg.

Court .- No business of particular importance was transacted in the Quarter | Mrs. Marth. The case of the Comth. vs. James Updegraff, George Updegraff and David Johnston, three boys of about ten years each, for petty larceny, resulted in the acquittal of the defendants. In the case of the Comth. vs. Rush Hawkins, a conductor on the Pennsylvania Railroad, for assault and battery upon the person of a passenger, the jury found defendant not guilty, and the prosecutor to pay the costs Some other petty cases were disposed of, when Court went into the civil list. LETTER FROM CO. C, 209TH P. V .- ANOTHER CHANGE OF POSITION-VARIOUS MILITARY ITEMS-REV. J. S. LEMMON AND THE CHAP-LAINCY OF THE REGIMENT, &c., &c. MEADE'S STATION, VA., Dec. 5.

Correspondence of The Alleghanian. When I last wrote you, we had just got located on the extreme left of the lines of Maj.-Gen. Meade. Thinking we would there remain for some time, everybody went to work building quarters suitable to the season; but scarcely were the tents stretched ere we were ordered to move towards the right. On Wednesday, about midday, we started on the march, arriving at our present position some time after dark the same day. Our location is on the Army line railroad, south by west of Petersburg, and distant about two and a half miles therefrom. Though we form part of the 9th corps, and have taken the place of the colored troops formerly composing the third division, yet we are not permanently assigned any position, being still styled the "Provisional brigade."-The brigade commander is Brig. Gen.

Pennsylvania. The colored regiments before spoken of have taken our place in the defences of Bermuda Hundred. Since their advent, there has been almost continuous firing on the picket line. None but white troops now compose the Army of the Potomac. How long we may remain in our present position can hardly be guessed at, but even though it be the intention for us along with other portions of the army to remain where we now are, yet, judging from signs that are significant, there will soon be movements initiated here of no

A good Chaplain, one competent, worthy and willing, is of all men in a regiment the most useful, and it is just such a Chaplain as this that we are confident the present choice of the regiment will prove. MR. R. E. SELLERS-Dear Sir-I think it a duty I owe to you and the public generally to state that I have been afflicted with Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. R. Sharp, West Liberty, and recommended to me by my physician, Dr. F. Smith, I concluded to give them a fair trial. I purchased one box, and found them just what they are recommended-the best Liver Pills ever used; and after taking four boxes, I find the disease has entirely left me, and am now per-Respectfully yours, D. SELLERS' COUGH SYRUP!

From A. Cushing, Druggist, S. Bend, Ind.

D. S. Owen, Esq.—Dear Sir—In reply to your favor of the 13th instant, I would say that the sale of Sellers' Medicines has far exceeded my expectations; and in no case have they failed to produce the desired effect. The Cough Syrup is a cure for coughs, colds, &c., and the cheapness of the article places it within the reach of all, which, together with its efficacious qualities, renders it a universal favorite. Not a day passes without numerous calls for "the one thing needful," at this season of the year, viz, Sellers' Cough Syrup. Yours, A. G. CUSHING.

CELLERS' VERMIFUGE !

From Rev, S. Wakefield, former Pastor of the Liberty street M. E. Church.

MR. R. E. SELLERS-It is from a sense of luty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle, and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health. Truly, S.
