The Alleghanian.

THURSDAY.....JANUARY 19.

LOCAL AND PERSONAL.

EBENSBURG AND CRESSON RAILROAD.—On and after Monday, October 31, 1864, trains on this road will run as follows:

LEAVE EBENSBURG—
At 6.00 A. M., connecting with Pitts. & E. Ex. West and Fast Mail East.
At 5.25 P. M., connecting with Pitts. & E. Ex. East and Mail Train West.

LEAVE CRESSON—
At 11.27 A. M., or on departure of Harr. Accommodation East.
At 8.40 P. M., or on departure of Mail Train West.

ETCHINGS.—Do the citizens of Ebensburg intend making an effort to fill their quota under the impending draft? If so, they are sadly wasting their time by remaining inactive so long as they have already done. The question whether we shall or shall not make the attempt must be decided, and it might as well be decided *now* as later.

Capt. A. M. Lloyd, of Hollidaysburg, has been appointed D. D. Grand Master for the Masonic district composed of the counties of Cambria, Blair, Huntingdon, Bedford, Mifflin and Fulton; also D. D. Grand High Priest for the district composed of the counties of Cambria, Blair, Huntingdon and Mifflin.

The office of the Bedford *Patriot* is for sale.

Joseph Chamberlain, Esq., died at Cleveland, Ohio, on the 6th of December last. Mr. Chamberlain formerly resided in Johnstown, and twice represented Cambria and Somerset counties in the Legislature. Subsequently, he became one of the most extensive contractors in the country, and accumulated great wealth. At the time of his death, Mr. Chamberlain had extensive contracts in the island of Cuba, from which he returned but a short time before seized with his last illness.—So we gather from the Johnstown *Democrat*.

The small-pox, which loathsome disease has been raging in Johnstown for some time past, is said to be abating somewhat in virulence.

Mr. Pershing, representative to the State Legislature from this county, is a member of the following important House committees: Ways and Means, Judiciary General, Federal Relations, and Railroads. Mr. Wallace, State Senator from this district, is a member of the following committees: Estates and Escheats, Education, and Library.

Now is the time to lay in a supply of that warm weather luxury, ice.

As a real estate operation of considerable magnitude, we notice the sale to a company of New York capitalists, a couple of weeks since, of the celebrated "Burkhart Cannel Coal Tract," situate in Jackson township, Cambria county, and containing about 80 acres. It was sold for the round sum of $35,000. The purchasing company, we understand, intend going to work forthwith to develop the tract, and also have it under consideration to construct a railroad thence to connect with the Penna. Railroad at Mineral Point, to afford safe and speedy transportation of the coal to market.

The Harrisburg *Telegraph* has donned a new dress. It is now one of the neatest as well as one of the best inland dailies in the State.

A protracted meeting is in progress in the M. E. Church of Ebensburg the present week. Preaching every evening, commencing at 7 o'clock.

We direct the attention of our readers, especially that portion of them who rejoice in the name of woman, to the address of Rev. J. S. Lemmon, delivered before the Alathean Literary Society of Jacksonville Academy, Indiana county, on the subject of the "Womanly Woman." It is an admirable rehearsal of the many qualities going to make up a good, true woman, and a scathing denunciation of those other qualities having for their result the deterioration of feminity into mere dolls and playthings. Read it, and be governed by its teachings.

Wanted—a Harrisburg correspondent for *The Alleghanian* during the sitting of the Legislature. Who desires to earn enviable distinction?

Gen. Geary, formerly of Cambria county, is military Governor of Savannah.

Mr. Edward Burk, of Washington tp., this county, who was arrested for disloyalty, some two months ago, died in Fort Mifflin, on the 24th ultimo, in the 72d year of his age.

All persons holding Borough bonds should take them to the office of the Burgess and Town Council, immediately, for the purpose of having them stamped, and the corporation seal affixed.

SNOWED UP!—"Oh! the snow, the beautiful snow!" We had it, in abundance, the past week, and we've got more than enough of it now. Don't know what to do with it all. Lying around loose, in immeasurable quantities. Heaps on heaps of it piled away for future use, and plenty more a-coming. Snow! Snow! Snow! If the crystallized vapor were only buckwheat-flour, we of The Mountain wouldn't want for "flippers" for some time to come, to be sure.

In and of itself, we entertain no particular objection to snow. In fact, we rather like it. It is only when it indulges in that peculiar freak known as *drifting*, that we are down on it. It has been drifting latterly. Hence, we are down on the snow.

Drifting! Well, yes. The winds have been out on a holiday for a week, and have done little or nothing during all that time but rattle, and scatter, and shake out, and pile up in prodigious mountains of fantastic design all the snow that finds its way down—and that's no small amount.

Our railroad was blocked up and rendered impassable two days by it. During that period, we were practically cut off from communication with the world. We have no telegraph here, you know. Snow is a good thing, and it is a bad thing. In this case, it was a bad thing.

It is a good thing when it affords the farmer a speedy means of transportation to market for his produce. That's what's the matter with it now. The farmer is taking advantage of this good old state of affairs, we notice. He comes to town three times per day, with a full load each time. His terms are *cash*, so he is making money out of it.

Seeing that "there's not a smile but has its sigh," and that "every pleasure's linked with sorrow," perhaps we ought not to expect the great blessing of a good, big snow-shower, without at the same time making calculations for the small drawback of an accompaniment in the shape of quaint, quaggy drifts. This view of the subject impresses us so forcibly as the correct one, that we proceed at once to quit saying anything more about it.

OUR NEW TERMS.—For fear some of our readers may not have noticed them last week, we reproduce here our new terms, which went into operation January 12, 1865. As follows:

We may add just here that we have a large number of subscribers residing outside the county, of whose ability or disposition to "pay the printer" we are unable to judge. These will be allowed a reasonable length of time, say three months, to settle their respective accounts; failing in which, their names will be summarily stricken from our books, and their accounts left with the proper officer for collection.

MILITARY ARRESTS.—On Tuesday evening of last week, Asst. Pro. Marshal Burke, accompanied by a soldier, arrived here, with a military warrant for the arrest of Joseph Cole, of Carrrolltown, and F. P. Tierney, of Ebensburg. Mr. Cole was taken into custody next morning, at his residence, but Mr. Tierney, thanks to timely information received of what was in store for him, succeeded in eluding the vigilance of the officers, and made his escape. Contemporaneous with the foregoing, an officer proceeded to Harrisburg, with an order for the arrest of Dr. Jacob L. Brallier, formerly of Ebensburg. We have not heard whether his mission proved a success. The charge laid at the door of this trio of Cambria county men is, that, in the capacity of bounty-brokers, (in which business they had been engaged some time,) they caused to be enlisted into the United States service several *bounty jumpers*, knowing them to be such. It is understood that one of the bounty-jumpers so enlisted has made affidavit in accordance with this statement.

Mr. Cole was taken through here on Wednesday, on his way to Provost Marshal headquarters, Hollidaysburg. We understand he was removed to Harrisburg the present week.

FROM OUR SOLDIERS.

LETTER FROM CO. C, 209TH P. V.—ALL QUIET ALONG THE LINE—THE WEATHER—LOCOMOTIVE EXPLOSION—DEATHS, &C., &C.

Correspondence of The Alleghanian.

MEADE'S STA., VA., *Jan.* 15, 1865.

But little transpires to relieve the monotony of camp life. Even the batteries seem to have forgotten to keep up their usual compliments of shell and solid shot. I dare say we have had less excitement here for some time past than you have had at home in your efforts to abate the rigor of the impending draft. How glorious a thing it is to be free from draft's alarms! With what nonchalance the subject is discussed! 'Twas but the other evening I sat listening to an interesting conversation among a group of blue coats, in which fully sixteen persons were named as being such as would do honor to the ranks, and be welcomed therein.

The weather of late has had the spice of variety. Since my last writing, we have had snow to the depth of two inches, then a thaw until the mud was, well, my two *feet*. Some days the North-east wind would blow cold enough to do honor even to the Alleghenies, and on others the South wind would bring a temperature that would almost force one to conclude that it was balmy Spring, instead of rude Winter.

On Thursday last the dome of a government locomotive exploded, a short distance West of this point, severely injuring the engineer and fireman.

During the past week two members of Co. E have died, one at Division hospital, and the other at City Point. The total number of deaths in the regiment is four. The health of Company C continues very good. There are some cases of sickness, but all with good prospects of recovery.

Truly, GAMMA.

QUESTION AND ANSWER.—Next to the interrogatory, How shall we escape the draft? the most important question is, Where can we buy the best and cheapest winter goods? In answering this question if we desired to be governed by the truth, we would say, Go to Thompson's Cheap Cash Store, P. O. building, Ebensburg.

MARRIED: At Hemlock, Cambria co., on Friday, 6th inst., by Rev. Mr. Ryan, Mr. JAMES PAISLEY to Mrs. TRAINOR, both of the above named place.

JOHNSON'S RHEUMATIC COMPOUND AND BLOOD PURIFIER!

This great internal remedy is the best medicine ever offered to the public for the effectual cure of Rheumatism, Gout, Neuralgia, Dyspepsia, and as a Blood Purifier, it has no equal for all diseases arising from an impure state of the blood, such as Scrofula or King's Evil, Scald Head, Tetter, Ring Worm, Female complaints, and all break-outs on the face or body. The vast number of rub-on medicines which formerly have been used for those diseases were merely temporary in their effects, and of doubtful virtue, but the RHEUMATIC COMPOUND reaches the source of all trouble, and effectually banishes the disease from the system by its immediate action on the blood. We advise one and all to give it a trial, and become satisfied of its wonderful power.

SELLERS' LIVER PILLS!

☞Read and judge for yourself.☜

SILVER CREEK, Ohio Co., Virginia, March 20, 1849.

MR. R. E. SELLERS—*Dear Sir*—I think it a duty I owe to you and the public generally to state that I have been afflicted with Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. R. Sharp, West Liberty, and recommended to me by my physician, Dr. F. Smith, I concluded to give them a fair trial. I purchased one box, and found them just what they are recommended—the best Liver Pills ever used; and after taking four boxes, I find the disease has entirely left me, and am now perfectly well. Respectfully yours, D. H. COLEMAN.

PRICE 25 CENTS.

SELLERS' COUGH SYRUP!

From A. Cushing, Druggist, S. Bend, Ind.

D. S. OWEN, Esq.—*Dear Sir*—In reply to your favor of the 13th instant, I would say that the sale of Sellers' Medicines has far exceeded my expectations; and in no case have they failed to produce the desired effect. The Cough Syrup is a cure for coughs, colds, &c., and the cheapness of the article places it within the reach of *all*, which, together with its efficacious qualities, renders it a *universal* favorite. Not a day passes without numerous calls for "*the* one thing needful," at this season of the year, viz, Sellers' Cough Syrup.

Yours, A. G. CUSHING.

SELLERS' VERMIFUGE!

From Rev. S. Wakefield, former Pastor of the Liberty street M. E. Church.

MR. R. E. SELLERS—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle, and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health.

Truly, S. WAKEFIELD.
