L. Heyer, each tract containing 439 1/2 acres, unimproved. The right, title and interest of the lands and tenements which were of T. L. THE BANK.—Messrs. W. M. Lloyd & Co., of Altoona, have rented the office formerly occupied by Wm. H. Sechler, on High street, as a location for the bank which they propose establishing there, and a gang of workmen are busily engaged putting it in proper repair. The doors will be thrown open for the transaction of business in a couple of days.

THE ELECTION.—The election of local officers for this boro. passed off quietly. Two partisan tickets were in the field, a Republican and a Democrat, and the result was a decided victory for the Republican. Our Burgess was elected by a majority of 44, and our School Directors by an average majority of 45. In the East Ward, the average Republican majority was 65; in the West Ward, the average Democratic majority was 19.—The following are the names of those elected:

AT LARGE. Burgess—James A. Moore, R. School Directors—D. W. Evans, 3 years; J. A. Moore, 3 years; Daniel J. Davis, 1 year, all Repub. EAST WARD. Town Council—A. Y. Jones, John O. Inspectors—Wm. H. Sechler, D., George W. Brown, R. Assessor—Joshua D. Parrish, D.

FROM WILMORE.—A friend in Wilmore sends us the following items: On Sunday evening, 11th inst., about 4 o'clock, a daughter of Adam Miller, of Croyle township, aged about 10 years, left the residence of her parents. In a short time, the family became alarmed at her absence, and search being made for her, she was tracked to a break in the ice in the Conemaugh. A boy in the neighborhood had seen her on the ice about the hour named, and hence the conclusion was come to that she was drowned.—Search was made for the body by the many neighbors that assembled, but it could not be found. On Monday morning, 12th, Mr. John Pringle, an old and respected citizen, died at his residence in this place, after a brief illness, aged about 70 years.

OH, CONSISTENCY.—The Johnstown Democrat denounces an attempt made by the State Senate to pass a bill providing for the appointment of two "jury commissioners" in Cambria county, and goes on to say: "Why Cambria county should have two more officers to be paid out of the hard earnings of the people we do not understand." And yet, if we are not mistaken, this same Democrat favors the creation of a District Court in Cambria county, with the consequent entailment upon the county of a batch of new officers, all of whom must be "paid out of the hard earnings of the people!" Consistent Democrat!

ADMITTED TO THE BAR.—Our young friend James C. Easley was admitted to practice in the several Courts of Cambria county on Tuesday of last week. We understand he passed a highly creditable examination before the committee appointed by the Court to test his proficiency in legal lore. He intends settling down in Johnstown shortly, to the people of which section he will be no stranger, but one know of all as a young man of talent and energy, and peculiarly fitted for the profession he has embraced. We predict for him a bright and useful career.

LECTURE.—The second lecture of the series heretofore announced in these columns to be given during the present winter, will be delivered in the Court House on Saturday evening next, at 7 1/2 o'clock, by Rev. R. C. Christy, pastor of the Catholic congregation of Ebensburg. Subject, "Poetry." From the well known enviable reputation which the reverend gentleman enjoys as a public lecturer, it were safe to predict "a feast of reason and a flow of soul" on the occasion. Tickets twenty-five cents; to be had of agents or at the door.

RESPECTFULLY SUBMITTED.—We clip the following mention of the District Court which is proposed to be established in the southern end of this county, from the Tyrone Hemisphere. The suggestion contained therein is worthy of the serious consideration of all Johnstownians:—"The citizens of Johnstown are about making application to the Legislature for the passage of a bill granting them the privilege of holding a District court in that town.—Why not make a State of Johnstown, and admit it into the Union, on an equality with the other States?"

BUSER AND HOWSER.—The application for a new trial in this case on a writ of error, was argued before the Supreme Court at Philadelphia on Thursday last. Four speeches, we believe, were delivered by counsel, two for and two against the prisoners. The decision of the Court has not as yet transpired.

DIED.—On the 10th instant, at her residence, in Wilmore, after a long and painful illness, Ellen, wife of Mr. Isaac Wike, late Treasurer of Cambria county.

On Sunday morning last, Edward, son of E. and Mary Glass, of Ebensburg, aged four weeks.

OUR JOHNSTOWN LETTER. STARTLING SEQUEL TO THE MOORE-MARBURG TRAGEDY.—JOSEPH MOORE HANGED IN CHICAGO FOR MURDER—HIS WIFE AGAIN THE DISTURBING CAUSE—THE BORO. ELECTIONS—RENTS, RENTERS, AND RENTREES—LUDICROUS TERMINATION OF A BUGGY-RIDE—VARIETY. JOHNSTOWN, Feb. 19, 1886.

Dear Alley:—Few of your readers can have forgotten the Moore-Marburg tragedy of three years ago, which created such intense excitement throughout the State at that time. As a startling sequel to that tragedy, it is currently reported to-day that for a precisely similar crime to that of which he was tried and found guilty then, Joseph Moore was executed on the gallows in Chicago on Friday last. It will be remembered that Moore was pardoned by the Governor, after having been found guilty of murder of the second degree by our Court, and sentenced to six years' imprisonment in the penitentiary. It will also be remembered that after his restoration to freedom, he hastened to again embrace his wife, who was the guilty cause of all his troubles, and that together the two removed hence to Iowa. The story goes, that this unfortunate woman, whom surely the devil must have instigated, again deserted her husband, who had sunk his hopes almost of heaven for her smiles, and eloped with a minister of the Disciples' church. Moore followed the twain, and meeting his wife's paramour in the street, his hand was once more dyed in human blood. He was tried for the crime, convicted, and as before stated, paid the penalty of his life on the gallows.

Our boro. elections came off on Friday. Abram Koppelin, Esq., Union, was elected Burgess. The Union nominees were elected in the 1st, 2d, 4th and 5th wards; the Democratic ticket was elected in the 3d ward, Conemaugh boro. and Cambria boro. There was no excitement, and the vote polled was light. The great influx of strangers to this place has created a demand for tenement houses, and as a result rents are advancing, in some cases fifty per cent. There are actually not enough houses to supply the demand, and as the first of April is "moving day," considerable anxiety is manifested by the homeless to know where and how they will be able to secure houses. It is thought that more new buildings will be erected the coming summer than during any previous year in the history of the town, some twelve or fourteen being already staked off in Woodvale.

A couple of "gay larks" hired a horse here last week, and procuring a buggy from another party, proceeded to indulge themselves in the luxury of a ride around town. In order to show off the horse's paces to the best advantage, it was thought necessary that the whip should be laid on liberally; but the owner of the horse, who happened to be around, could not see the necessity for such procedure. Stopping the turn-out in the busiest part of Main street, he quietly unhit the horse and drove him away, leaving the two young men sitting in the buggy, with a large crowd on either side jeering them on their unlooked-for predicament!

The contract for the completion of the new Lutheran church has been awarded to S. M. Cornell, who has put a large force of hands at work upon the building. I understand that the intention is to erect a town-clock in the tower of the edifice. A lady in town presented her husband with two finely formed children, a boy and a girl, one day last week. Such accidents may do very well once in a great while, but with the present ruling prices of dry goods and groceries, would not answer to be repeated often.

Thursday and Friday of last week were the coldest days experienced here for several years. The thermometer ranged in the neighborhood of ten degrees below zero. To-day it is raining. The thaw the beginning of last week broke up the ice, and great quantities came down the Stony Creek and Conemaugh. D. D.

ETCHINGS.—Col. Wm. K. Piper has sold his private residence, situated at the north end of Center street, Ebensburg, to Mr. S. S. Christy, of Oil City, for \$6,000. Mr. John Easley, of Johnstown, but lately returned from Mexico, is in town on a visit....The public schools of Ebensburg boro. will close their winter session of four months to-day....According to the provisions of an act of Assembly, it is not legal to shoot partridges, rabbits, pheasants, and game in general, after the first of February. Sportsmen should make a note of this....See notice of dissolution of partnership heretofore existing between E. J. Mills and A. A. Barker in the mercantile business. This firm has been "bought out" by V. S. Barker, in whose name the business will hereafter be conducted, at the old stand....See also advertisement of the ninth annual report of the Protection Mutual Fire Insurance Company of Cambria county....To-day is the anniversary of Washington's birthday.

TRIAL LIST.—Following is the list of causes set down for trial for the second week of March Court, 1886: Purdy.....vs. Purdy. Morgan.....vs. Holliday et al. Tiernan, Endorse.....vs. Haws. WANTED.—One hundred men and women, from Ebensburg boro. and vicinity, to engage in a business which will be highly remunerative. References given and required. Call on or address, for several days to come, James M. Thompson, P. O. building, Ebensburg. To prevent misunderstanding, it might be well to state here that the business to which reference is made above is the business of gaining twopence by saving one penny. This can readily be done by patronizing J. M. T.'s cheap cash store in the matter of the purchase of dry goods, groceries, &c., &c. Call and see.

TERRIBLE ACCIDENT.—A terrible accident occurred on the Pennsylvania Railroad near Larimer's station a couple of days ago. An oil train, attached to which was a "caboose" containing several men, was run into by another train and completely demolished. The barrels containing the oil were shattered, and the oil itself scattered in every direction. Fire was speedily communicated to the wreck, and a man named Althause, of Reading, whose clothing had been completely saturated with the oil, and who was unable to get out of reach of danger, perished in the flames.

ARGUMENT COURT.—Argument Court met here on Tuesday morning last, and adjourned on Tuesday night. Almost the entire day was occupied in the argument of a motion by Messrs. Potts, Linton, Johnston, and Elder. The list was continued until next term, owing to the necessary absence of many of the members of the Bar, who were interested in the Buser and Howser argument before the Supreme Court in Philadelphia.

THE SINGER SEWING MACHINES.—Our Letter A Family Sewing Machine is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes. The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality. Send for a pamphlet. THE SINGER MANUFACTURING CO. 458 Broadway, New York. It is an old and well tried remedy, and has stood the test of thirty years. Read the following: ONE TRIAL WILL CONVINCED!

Baltimore, Fairfield County, Ohio, } January 21, 1859. } Ma. R. E. SELLERS—Dear Sir:—I am entirely out of your "Imperial Cough Syrup." Will you send me, any six dozen. I do not want to be out of it, as it is the only medicine that will come so near raising the dead. It will cure the worst cough immediately; I have recommended it to persons and given them one bottle on trial, and in every case they have given clear testimony that it gave immediate relief. I have used it in my own family, and find it a sure cure for coughs and colds of all classes. One trial will convince any person that it is a sure cure for the worst of coughs and colds. Yours, etc., A. L. SIMMANS.

The above is strong testimony, and offered without solicitation, in behalf of the best cough medicine of the day. THE GREAT CURATIVE. Pittsburgh, April, 1856. R. E. SELLERS:—I have been troubled with a cough for the last ten years, by reason of which I have frequently been unable to sleep more than half the night. I tried many remedies but all in vain. I heard of your Cough Syrup and resolved to try it, and now state that the use of a few bottles has cured me entirely. I cheerfully recommend it as a safe, speedy and pleasant cure for coughs and colds. Respectfully, WM. WOOD.

This is strong testimony, and given voluntarily. PREPARED BY R. E. SELLERS & CO., PITTSBURGH, PA. FOR SALE BY A. A. BARKER, Ebensburg, Pa.

JAMES McDOWELL, Tarentum, October 25, 1865.

I have known Mr. McDowell for a number years, and do not hesitate to vouch for the truth of the above statement. JAMES CLARK, Postmaster.
