

A WORD OF CAUTION.—Petroleum V. Nasby cautions the "Democracy" to not let too precipitate in endorsing Andy Johnson and his policy:—

CONFEDERATE X ROADS, (which) is in the State of Kentucky, February 29, 1866.

I notice all over the North the Democracy is a firm gun, and march in after brass bands, and hira halls for endorsing Andro Johnson. Ez a sentinel on the watch-tower, I protest!

In the name uv sufferin Kentucky, uv wich Stait I sm a adoptid citizen, I protest!

In the name uv common sense and ordinary politike sagacity, I protest!

Andro Johnson may possibly be on the high road to Democracy, but ez yet what ashore have we? Am I datin my letters from "Post Offis Confedrit X Roads?" Hcz there bin, ez yet, any well authenticated case uv the removal uv a Ablishnist, and the appointment uv a constoo-hnel Democrat in his stead? Not that I hev herd uv. Per contrary, the Ablishnists—them as was appointed by Linkin—are still holdin on ez calm ez a summer morning, without any apparent fear of any change affectin them.

Who pays for the halls? Who pays the music? Who pays the powder?—Democrats who do these, scent Post Offises in the distance. Are they like the war-horse in Job's writins, who smelled the battle afar-off and remarked Ha! Ha! to the trumpets? Let me entreat sich that they kin make a better investment uv their means.

The cost uv one meetin, put in corn whisky, wood not only solace themselves, but start half a dozen Ablishnists on the road to Democracy.

Men is deceptive. I hev hopes uv Andro Johnson myself, and principally becoz Vallandigham and Fernandy Wood hev hopes. Them buzzards kin smell carrion a long distance, and they are seldom at fault. In this case they may be. They base their hopes on Johnson's speech at Washington, on the 22d. There may be suthin in it, but sint it possible that the stench which they took for Democracy, and which they supposed cum from Johnson, ariz from them ez surrounded him. "But," sez a Democrat, whose nose, softed down from a generous crimson to a ghastly blue, and who woodent hev a small Post Offis at no price ef it wuznt offered him, "look at the class he spoke to!"

Wat noents! Andro was mad.—There wuz a mass uv bile on his politike stumick, wich must be got rid uv—he had sum nasty things to say, and it wuz a part uv the etereal fitness uv things that he shoed hev a nasty audience to say em to.

I don't propose to go off into spasms over the present situashun. Johnson proposes to continue the Freedmen's Buro, and heuz't no noshun of repellin the test oath, or uv drawin the military out uv the Demokratio States. So far as heard from, we uv the South is still in a stait uv abject custidood. Our babis corpses wich Linkin took away from us hevnt bin returned, and we are obliged to git along ez best we kin without em. I knocked down a small nigger yesterday for the purpose of asserutin the superiority uv the Caucasian race over the Afrikin, and wuz to wunst hauld uv afore a Freedmen's Buro and fined. Our high-toned and chivalrous members are excludod from Congris, on the frivolous plea that they were kernals and briggydeer Generals in the Confedrit servis, and all these outragis agin Democracy, Andro Johnson, by permittin, absolutely approves.

I could probably swaller all these things. I am a Demokrat of thirty years standin, and uv course hev bin on both sides uv every politike fence—the seats uv my politike pants is full of slivers. But before I take down these things I want to know what I am going to git for it. Ef Andro Johnson goes back on his party and his pledges, he uv course asks us to go back on ourn. In sich transactions, when both parties by being engaged in it at all confess themselves rather a low grade of skoundrels, I think it well ouff to hev the consideration paid down.

Ef Andro Johnson wants me, he knoes the terms. I am his to command, for a considerashun, ez much so ez is the thousands uv Democrats who hev bin for the past week gitin up Demonstrashuns.—But I want suthin to go on. When I hev his permission under the broad seal uv the Post Offis Department to write "P. M." after my illustrious name, I shall be prepared to wade in. I hev bin huntin uv several reasons for supportin him—I hev em all ready—I only want this additional one, and then I fling my banner to the breeze. Faith is sed to be the sun uv all religious systems—Post Offis is the central figger in all Democratic creeds—the theme uv conversation by day, and the staple uv dreams by night. How long! oh, how long!
