

SUICIDE.—Mr. Millhouser, an old and respected German citizen of Blairsville, Indiana county, committed suicide on Monday last by cutting his throat with a pen-knife. He was comparatively wealthy, on the best of terms with his family and neighbors, and no other cause can be assigned for the commission of the unnatural deed than his dread of the new liquor law for Indiana county, which was obnoxious to him, and had so excited his mind as to cause him to commit suicide.

Nicholas Keim, a resident of Addison township, Somerset county, committed suicide on the 2d inst., by shooting himself through the heart.

Mr. Ulrich Paul, an engineer on the Broad Top Railroad, was instantly killed on Tuesday of last week, by his engine running against a rock which had fallen on the track, crushing the locomotive, and throwing Mr. Paul down a high embankment and bruising him internally. He was interred with Masonic honors, at Huntingdon.

THE SINGER SEWING MACHINES.—Our Letter A Family Sewing Machine is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, &c. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality.

THE LADY OCULIST.—Miss LAURA LE SEUR, whose successful practice has been well known in Pittsburg and vicinity for the last seven years, has now taken rooms at the residence of Mrs. Stahl, High st., Ebensburg, Cambria county, Pa., where she proposes spending the summer for the purpose of treating DISEASES OF THE EYES.

The System is a cautious and safe one—has never been known to fail in subduing inflammation of the Eyes, either Acute or Chronic—will remove extraneous substances from the eyeballs, cure granulated eyelids, so that the eyelashes, instead of growing like bristles down upon the eyeballs and thereby eventually destroying the sight, will assume a correct position—become soft and natural; will strengthen and restore weak eyes of long standing—all without the use of the Knife, Lunar Caustic, Blue Stone, or any of those severe remedies so frequently applied, to the destruction of the eyes.

Miss LE SEUR also treats successfully RHEUMATISM AND NERVOUS DISEASES, two of the most lingering and painful diseases to which mortals are subject, and from which proceed some of the most fearful diseases of the eyes. But as diseases are not cured on paper and deeds are much more satisfactory than words, she would therefore respectfully call the attention of an intelligent community to her practice, and most cordially invite the afflicted to come and test the effect of the treatment for themselves, assuring those whose cases are curable that if they put themselves under her treatment and follow strictly the directions given, they will certainly be rewarded with

HEALTH AND SIGHT. These are facts, and facts are said to be stubborn things.

JOHNSON'S RHEUMATIC COMPOUND! No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as

JOHNSON'S RHEUMATIC COMPOUND. Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit" cannot be suppressed.—The attestation of hundreds who have been cured by its use, must prove the truth of the assertion, "THAT IT IS A RADICAL CURATIVE" FOR

INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES.

We recommend it with confidence as THE GREAT INTERNAL REMEDY, For the Speedy and Positive Cure of the above Complaints.

MESSRS. R. E. SELLERS & Co: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever.

Every year thousands of children die from this horrible evil. This alarming mortality loudly calls for increased watchfulness, and greater care in the selection of the remedy.

LET PHYSICIANS SPEAK! SELLERS' VERMIFUGE THE BEST IN USE—HARRIS IS THE PROOF.

Licking Station, Ky., Dec. 14, 1845. Mr. R. E. SELLERS:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms were passed. The child that was given up for lost, is now as well as any in the neighborhood.
