THE DEM. SOLDIERS' CONVENTION .--As we two weeks ago predicted would be the case, the Soldiers' Clymer Convention held here Wednesday last was not large in numbers, though entirely respectable as to material. It met in the Court House, and was called to order at 2 o'clock p. m. by the election of Capt. John Humphreys as Chairman. The following named gentlemen were appointed delegates to represent Cambria county in the Harrisburg 1st of August State Convention-John E. Scanlan, John Porter, Peter M'Dermitt, H. C. Christy, H. D. Woodruff, Wm. H. Rose and F. M. George. Speeches were delivered by Capt. Woodruff and Col. J. P. Linton, and a series of resolutions endersing Andy Johnson and the Copperheads was adopted. A county committee, composed of one member from each election district, was appointed. The East Ward of Ebensburg boro, was omitted from this committee, for the all sufficient reason that not a single one of all the soldiers who went from that district could be found to act in concert with the party that fired upon them in the rear while they were fighting traitors in front!

BASE BALL -- A very interesting match game of base ball was played on Saturday afternoon last, on the grounds of the Ebansburg Base Ball club, between the first nine of the East Ward and the first nine of the West Ward, all members of the Eb. B. B. elub. The game commenced at 1.45 o'clock, and closed at 5.45. The following was the score made:

A CURIOSITY .- The editor of the Indiana Register has in his possession a piece | Wm. H. Porterfield, Hubbard, O. of wood cut from the limb of an oak tree, twenty-eight feet from the ground, in which a two bladed knife is grown fast.-According to "Surveyor's mark," the kuife was stuck into the limb thirty-five years ago, and the wood has grown around almost the whole length of the blade .worn, but the wood or bone of the handle cb C Luther, Michael Nagle, Joseph Gut- has been destroyed by the long exposure Thomas J. He had traced the property into the possession of an attache of Gardner & Hemmings' circus, and came L. M. Young, Wilkinsburg, Pa. on to reclaim it-Messrs. G. & H. "showed" here on Friday. After taking the necessary legal steps, the gentleman had no difficulty in laying his hand on the buggy and harness, but the horse had been sold further back on the route, and could not be secured. The value of the themselves by an honorable proficiency in property reclaimed was about \$300.

> Joshua T. Owen, President of the late Soldiers' State Convention, has appointed a Soldiers' Central Executive Committee, composed of fifty-five member-, whereof he is Chairman. Capt. Wm. R. Jones, of Johnstown, is the member for Cambria county. The Committee is requested to meet for consultation in Philadelphia on Monday, 13th instant.

The mammoth Circus and Menagerie of Gardner, Hemmings & Co. exhibited here on Thursday last, under a canvass of unusual proportions and in presence of very full audiences. On Monday last, the Enterprise Base Ball club of Allegheny city played a match game with the "Kicks" of this place, which resulted in a score of 7 for the latter to 48 for the Allegheny club. We had also during the week a match game between the Independent and Enterprise clubs of Johnstown, (the latter a new club,) which was closely contested but resulted in a victory for the Independent. We learn of several new clubs forming in | such as Headache, Foul Stomach, Dysentery,

The mill still runs, with some twenty furnaces operating on single turn. The company store buildings are being pushed vigorously forward to completion, and their design and appearance command the admiration of one and all.

The Methodist chapel is assuming the proportions of a complete building; the breaking down of a scaffold here came near occasioning a serious accident to one of the workmen, who fell to the ground and was badly bruised and cut thereby.

serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive away the humors-purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who knows the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses.
