JOHNSTOWN, Aug. 7, 1866. The puddling furnaces at the mill, ome thirty in number, are now all running, single turn, with prospects of an early commencement of second turn, which will give the mill once more its full strength. Many of the old puddlers engaged in the strike have gone elsewhere to seek employment, while some have yielded and gone back to work. A colored man, name unknown, was killed on the Pennsylvania Railroad, a short distance west of this, on Saturday. He was walking along the track, and being observed by the engineer of a western bound train, the usual signal was given, and an effort made to check up the train, but the man was struck by the cowcatcher and fatally injured.

While a four horse team was being driven carelessly along Clinton street, one day last week, a little girl was knocked down by the horses in the lead, and escaped being killed only by the voluntary stopping of the horses at the tongue of the wagen. She escaped with some slight bruises.

On Sunday evening quite an excitement was created by the arrest of a young man who, partly under the influence of liquor, was acting in a most unfilial and abusive manner towards his father. He was quite desperate in his attempts at resisting the officers called upon to arrest him, but was assertions. finally hauled to the "stone mansion" in a wagon and safely lodged for the night -- ensburg, WM. AYER'S PILLS .- Are you sick, feeble and complaining? Are you out of order-your system deranged and your feelings uncomfortable? These symp-toms are often the precursors of

serious illness. Some fit of sickness is creeping upon yon, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive away the humors-purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purity the ystem from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Aver's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who knows the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered
