OUR LORETTO LETTER. NARY-ENLAPGEMENT OF THE SCHOOL BUILD-INGS-DRATH-SUMMER VISITORS-BOROUGH ORDINANCES, &c., &c.

LORETTO, August 20, 1866.

Dear Alleghanian: The two educational institutions located in this place, the Seminary and the College, are enlarging their buildings, which, when completed. will be amongst the most extensive in the State. The addition to the Seminary, under charge of the Sisters of Mercy, will consist of a new four story building 83 by 31 feet, and an additional story to the old building, making it also four stories in height. The brick work has been contracted for by Mr. Geo. Diehl, of Hollidaysburg. The College will be enlarged by a wing to the main building 68 feet in length by 40 in width, and three stories in height. The foundation is prepared and the brick work will be pushed forward immediately. The average attendance at the College is about 100. The annual session will open on the 1st of September.

To-day were consigned to the grave the mortal remains of Mary Daly, who died near Chess Springs on Saturday, of consumption. Deceased entered the convent of the Sisters of Mercy as a novice a few years ago, but the fatal disease had marked her for its own, and she returned to her home to linger out the few remaining

AYER'S PILLS .- Are you sick, feeble and complaining? Are you out of order-your system deranged and your feelings uncomfortable? These symp-

toms are often the precursors of serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. Noue who knows the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet dis-
