OUR JOHNSTOWN LETTER.
RACING ON THE PUBLIC STREETS NOT PERMITTED—THE NEW LUTHERAN CHURCH BELL—
FLAG PRESENTATION TO A BASE BALL CLUB—
BUILDING OPERATIONS—THE POLITICAL BATTLE,
Aug. 30.
JOHNSTOWN, Aug. 27, 1866.
Dear Alley: A brace of lovers of fast
horses came to grief one day last week by
being brought up before the Burgess and
fined for racing their nags on the public
street. The "mill course"—from bridge
to bridge—will not be a favorite one here-
after.
The new bell for the Lutheran church,
now approaching completion, was drawn
up to its place on Saturday afternoon
week, and its tones were heard at various
times during Sabbath calling the congrega-
tion to worship. It is the largest bell
in town, and I might assert, safely, in the
entire county, weighing some 1,500
pounds. It cost within a fraction of \$900.
En passant, I might remark that the front
of the church referred to is one of the
prettiest ever seen by the writer, and he
dare declare it unsurpassed in symmetry
and tastefulness in any country town in
the State.
On Saturday evening week, the young
ladies of town presented, through James
C. Easly, an elegant and beautiful flag to
the Independent Base Ball club. It was
received on the part of the club by Mr.
Woodruff, Jr., in a neat speech. The
occasion was one of interest and pleasure
to all in attendance.
Building operations continue brisk, and
I note in process of construction in our
town—one church; the large company
store building; three store-rooms, by Mr.
Bronckhorst, on Clinton street; one Brew-
ery by Messrs. Reist & Kost, and some
half dozen fine dwelling houses of brick
and frame construction. It is a note-
worthy and gratifying fact, too, that the
style of the buildings going up is of a far
superior character to those generally
erected here for years past, and are des-
tined to add greatly not only to the ap-
pearance but to the material wealth of our
town.
There was a Democratic mass meeting
on the public square on Saturday, which
was addressed by Hon. Heister Clymer,
R. L. Johnston, and others. The same
evening the Republicans held a meeting
at Scarp Level which was largely attended
from town, and was addressed by Col.
Campbell, Mr. Hunt, and others. Heis-
ter Clymer left here on Saturday night
for Somerset.
Our town continues healthy. D. D.

A Masquerade.
To the Editor of The Alleghanian:
The most interesting event of the past week
in our mountain village was the grand mas-
querade and fancy dress party which met at
the house of Miss Ann McDonald on Friday
evening. It was certainly the most elegant
and recherche private entertainment we have
ever witnessed in city or country. It was a
grand success, great taste and talent being
displayed. Too much praise cannot be awar-
ded to the ladies of the village for their en-
ergy and good taste in selecting and arrang-
ing the different costumes.
Among the many fine characters present,
we noticed Miss Lizzie McDonald, who per-
sonated Mary Queen of Scots. She looked
splendid, and personated the character of a
Queen in a truly becoming manner. Her at-
titude was well selected and tastefully ar-
ranged. Miss C. Myers, as the Young Quakeress, played
her part admirably, and attracted much at-
tention. The Swiss Peasant Girl, represented
by Miss Sue Rhee, of Carlisle, was good. She
acted the character with marked ability, and
added much to the evening's entertainment.
Miss Egner, of Phila., as the Flower Girl,
sustained her character well. Her modest
and prepossessing appearance made her ap-
pear a very prototype of the character which she
represented. Mrs. Dara, of Rochester, as
Queen of the Morning, looked exceedingly
well. Her dress was well selected and her
person elegantly decorated, giving her the
appearance of a Queen indeed. Miss Dara, of
Rochester, representing Night, attracted much
attention. She wore an elegantly arranged
mantle, with dark field and bronzed stars.
Miss Wilson, as Good Old Grandmother, de-
serves praise for the manner in which she
sustained her character. Her dress was sim-
ple and tastefully arranged. Mrs. Bulick,
of Philadelphia, with her witticisms and epi-
thets against the "white trash," caused much
merriment. She performed with great accu-
racy the character of a Negress.
Among the gentlemen present, we noticed
Col. W. K. Piper as Metemora on the War
Path, and we must say we never met a more
agreeable figure. Mr. G. P. Huff delineated
the character of the Black Knight with great
fidelity, reminding the beholder of the good
old days of bygone chivalry when "good
blades curved the casques of man, and tough
lance thrustured sure." Mr. L. Snyder, of
Lewistown, as Brother Jonathan, was good.
Lew. plays Jonathan very well. Mr. J. A.
Moore, as Mrs. Mulrooney from Munster, was
amusing in the extreme. She was very much
furnished the night, by the way, but danced
a little with the nags notwithstanding. Mr.
C. W. Dougherty, of Kansas, as Boot Black
played his part well and attracted much at-
tention. Mr. A. J. Maguire as Uncle Tom
played his part well and certainly never hand-
led his violin with greater effect. Mr. R.
H. Thompson as the Mingo Chief sustained his
character remarkably well. He deserves
great praise for the manner in which he ar-
ranged his costume. Mr. P. McDonald played
the part of the Sojer Boy admirably. He
knew how to play it—he's been there. Mr.
A. Mills as the Cavalman played his part
well and looked every inch a veteran. Mr.
Sam Hassinger as Drum Major looked fierce.
Mr. J. P. Thompson, of Phila., as the White
Knight, looked well. His costume was rich
and handsome. Joe is a good fellow, and
knows how to play the Knight. Mr. John A.
Thompson appeared as Mrs. O'Rafferty, and
played his part so well as to create quite a
sensation. Mr. W. K. Black, of Altoona, as
Queen Emma of the Sandwich Islands, looked
gay and played well. Has Altoona any more
of 'em?
Among the distinguished attendants from
abroad, we noticed Mr. P. L. Linton and lady
of Richmond, Va., Mr. J. H. Clark and lady
of Pittsburg, and Mrs. Dr. Lowman of Johns-
town.
At a seasonable hour, the party adjourned,
one and all well satisfied with the evening's
entertainment. X.

OUR LORETTO LETTER.
THE PICNIC—FIVE HUNDRED AND FIFTY THOU-
SAND BRICK—LAGER-BEER—DYSENTERY—A
GOOD HARVEST AND WELL PLEASED FARMERS,
Aug. 30.
LORETTO, August 27, 1866.
Dear Alley: The much talked of pic-
nic came off on Tuesday last, and was one
of the largest ever held in this place. A
great many strangers were present, and
everybody appeared to enjoy himself.—
Two large platforms were erected for
dancing, and two bands discoursed the
necessary sweet sounds for the "tripping
of the light fantastic."
I neglected to mention last week that
the brick designed for the additions to the
institutions of St. Francis and St. Aloysius,
were burned by Mr. Thos. Hartsock,
of Hollidaysburg. Five hundred and
fifty thousand brick are required for both,
and Mr. H. burned the immense number
of 370,000 in a single kiln. Mr. Hart-
sock bears the reputation of being a
skilled mechanic, and the brick he has
made here cannot be excelled.
A new lager-beer brewery is being
erected by Florian Bingle, adjoining his
hotel. It will be a very extensive con-
cern.
Dysentery, which appears to have been
prevailing in this neighborhood epi-
demically, has almost entirely disappeared.
Quite a number of fatal cases occurred in
the vicinity. Doubtless to green apples,
cucumbers, and like truck, can be traced
the origin of the majority of these cases.
The harvest is concluded in this local-
ity, and farmers express themselves well
pleased with the crops. The hay crop is
smaller than that of last year, while the
oats crop is proportionately larger. New
oats is now selling here at 50c. per bushel.
The corn crop—if an untimely frost does
not injure it—will be the finest we have
had for years. The prospect for buck-
wheat cakes is also very good. SQUIB.

CLOCKS.—The clocks sold by Cham.
Roberts, Ebensburg, are of the most ap-
proved manufacture, and are warranted to
keep time. He sells all kinds of clocks
—eight-day or twenty-four-hour clocks,
parlor, mantle and corner clocks, spring
and pendulum clocks, clocks large and
clocks small. Go and see.
It is So.—J. M. Thompson, at the P.
O. Store, Ebensburg, sells goods cheaper
than any other similar establishment in
town.

AYER'S PILLS.—Are you
sick, feeble and complaining?
Are you out of order—your sys-
tem deranged and your feelings
uncomfortable? These symp-
toms are often the precursors of
serious illness. Some fit of sickness is creep-
ing upon you, and should be averted by a
timely use of the right remedy. Take Ayer's
Pills, and drive away the humors—purify the
blood, and let the fluids move on unobstruc-
tively, in health. They stimulate the organs
of the body into vigorous activity, purify the
system from the obstructions which make
disease, and settle somewhere in the
body, and derange the natural operations of
that part. This, if not relieved, will react
upon itself and the surrounding organs, pro-
ducing general aggravation, suffering and de-
rangement. While in this condition, take
Ayer's Pills, and see how directly they restore
the natural action of the system, and with it
the buoyant feeling of health. What is true
and so apparent in this trivial and common
complaint is also true in many of the deep
seated and dangerous diseases. The same
purgative expels them. Caused by similar
obstructions and derangements, they are
surely, and many of them rapidly, cured by
the same means. None who know the vir-
tue of these Pills will neglect to employ them
when suffering from the disorders they cure,
such as Headache, Foul Stomach, Dysentery,
Bilious Complaints, Indigestion, Derange-
ment of the Liver, Costiveness, Constipation,
Heartburn, Rheumatism, Dropsy, Worms, and
Suppression, when taken in large doses.
They are sugar coated, so that the most
sensitive can take them easily, and they are
surely the best purgative medicine yet dis-
covered.
**AYER'S AGUE CURE, for the speedy and cer-
tain Cure of Intermitting Fever, or Chills and
Fever, Remittent Fever, Chill Fever, Dumb Ague,
Periodical Headache or Bilious Headache, and
Bilious Fevers;** indeed, for the whole class of
diseases originating in bilious derangement,
caused by the malaria of miasmatic countries.
This remedy has rarely failed to cure the
severest cases of Chills and Fever, and it has
its great advantage over other Ague medi-
cines that it subdues the complaint without
injury to the patient. It contains no quinine
or other deleterious substance, nor does it
produce quinsin or any injurious effect what-
ever. Shaking brothers of the army and of
the west, try it, and you will endorse these
assertions. July 2m.
Prepared by Dr. J. C. Ayer & Co.,
Lowell, Mass., and sold by R. J. LLOYD, Ebens-
burg, Wm. BERRIN, Johnstown, and dealers
generally.

THE LADY OCUList.—
MISS LAURA LE SEUR, whose suc-
cessful practice has been well known in
Pittsburg and vicinity for the last seven
years, has now taken rooms at the residence
of Mrs. Stahl, High St., Ebensburg, Cambria
county, Pa., where she proposes spending the
summer for the purpose of treating
DISEASES OF THE EYES.
The System is a cautious and safe one—has
never been known to fail in subduing In-
flammation of the Eyes, either Acute or
Chronic, will remove extraneous substances
from the eyeballs, cure granulated eyelids, so
that the eyelashes, instead of growing like
bristles down upon the eyeballs and thereby
eventually destroying the sight, will assume
a correct position—become soft and natural;
will strengthen and restore weak eyes of long
standing—all without the use of the Knife,
Lunar Caustic, Blue Stone, or any of those
severe remedies so frequently applied, to the
destruction of the eyes.
Miss LE SEUR also treats successfully
RHEUMATISM AND NERVOUS DISEASES.
Two of the most lingering and painful dis-
eases to which mortals are subject, and from
which proceed some of the most fearful dis-
eases of the eyes. But as diseases are not
cured on paper and deeds are much more
satisfactory than words, she would therefore
respectfully call the attention of an intelli-
gent community to her practice, and most
cordially invite the afflicted to come and test
the effect of the treatment for themselves, as-
suring those whose cases are curable that if
they put themselves under her treatment and
follow strictly the directions given, they will
certainly be rewarded with
HEALTH AND SIGHT.
These are facts, and facts are said to be
stubborn things.

**JOHNSON'S RHEUMATIC COM-
POUND!**
No medicine for the cure of Rheumatism
has ever attained to such a high degree of
favor and universality as
JOHNSON'S RHEUMATIC COMPOUND.
Although but one year before the public,
this medicine has justly gained an unbounded
popularity. When the originator first intro-
duced it, he was convinced of its efficacy, but
he little supposed it was destined to prove
such an inestimable blessing to the afflicted.
But "true merit" cannot be suppressed.—
The attestation of hundreds who have been
cured by its use, must prove the truth of the
assertion.
"THAT IT IS A RADICAL CURATIVE"
FOR
**INFLAMMATORY AND ACUTE RHEUMA-
TISM, GOUT, NEURALGIA, AND
KINDRED DISEASES.**
We recommend it with confidence as
THE GREAT INTERNAL REMEDY,
For the Speedy and Positive Cure of the
above Complaints.
Messrs. R. E. SELLERS & Co.: This is to
certify that for the last sixteen years I have
been severely afflicted with rheumatism, often
confined to my house, and even unable to
walk. Being in the Post-office, about two
months ago, Mr. Clark observed my crippled
condition, and urged me to try a bottle of
"Johnson's Rheumatic Compound." I fol-
lowed his advice and now, by the blessing of
God, and the use of half a bottle of your
"Compound," I am free from all symptoms
of rheumatism, and can walk without the aid
of my staff, as well as ever.
