EXTENSIVE CONFLAGRATION.—On Monday night, an extensive fire occurred in the town of Altoona, resulting in the total destruction of the Altoona House, owned and kept by Richard M. Linn; the Exchange Hotel, owned and kept by Messrs. Woods and Johnson; a frame dwelling and two barns, owned by C. Jaggard, the building being occupied by J. S. Mann, and one of the storerooms by B. Wall's shoe store, the other storeroom being occupied. Among the other sufferers were Samuel Smith, jeweller; William Nesbitt, barber; Conrad Beam, saloon keeper. Losses and insurance, so far as could be ascertained, were as follows: Richard M. Linn's loss \$18,000, insurance \$9,000; Woods & Johnson's loss \$15,000, insurance \$9,000; C. Jaggard's loss \$3,500, insurance \$1,600. Adams' Express Company occupied a room in the Altoona Exchange building, but their property was saved. The fire originated in the stable of the Exchange Hotel. It is supposed that it was caused by the carelessness of a huckster who was stopping for the night, and was in the stable with a lantern.

OUR JOHNSTOWN LETTER. COAL MINER KILLED.—THE POLITICAL CAMPAIGN—MEETINGS, SPEECHES, AND ENTHUSIASM—A BRACE OF PICNICS—BUSINESS, &c., &c. JOHNSTOWN, Sept. 3, 1866. Dear Alleg.: A coal miner named Joseph Griffith met his death on Tuesday last, at the mines of the Cambria Iron Company, by the falling in of the slate of the roof of the drift. The political campaign is being vigorously carried on in this town and vicinity by the Republican party, and meetings are held almost nightly on the public square of town, or in the school houses of adjoining election districts. On Wednesday last, a meeting on the square was addressed by Hon. Mr. Bigham, of Allegheny county, Col. Montgomery, of Mississippi, and Judge Williamson, of Huntingdon county. On Saturday evening, another meeting on the square was addressed by Mr. Kenedy, one of the stockholders of the Cambria Iron Company, and also by Cyrus Elder, Esq. The Independent Base Ball Club gave a picnic in Morrell's grove on Saturday, which was a pleasant and agreeable affair, and passed off to the satisfaction of everybody. There was a general invitation, and the managers acquitted themselves well. Mr. P. M'Dermitt, as floor manager, deserves especial commendation.—Long live the Independent Club. The same day the Germans held a picnic celebration at Von Leunen's grove, which was also a happy affair. Business continues dull, but we record with satisfaction the continued good health of the community. D. D. NOT PRESENT.—Governor Curtin was not present at the Union Mass Meeting on Tuesday. The hour which would have been consumed by his speech was well spent by the crowds in attendance in visiting J. M. Thompson's P. O. store and buying bills of his cheap summer and fall goods. DIED.—On Tuesday, 21st ult., in Cambria tp., Amos Thomas, son of Thomas and Ann Reese, aged 15 months. On Tuesday, 28th ult., at the same place, Albert Curtin, son of the same parents, aged 3 years and 3 months. BURNED.—The steam saw-mill of Mr. Henry Hobbie, in Carroll township, was totally consumed by fire on Sunday last. The loss is considerable. Lincoln and Johnson. To the Editor of The Alleganian: We see it asserted in some papers that Johnson's policy is the same as was that of Lincoln. But it is plain there is a material difference. Lincoln's plan was to try to persuade the rebels to lay down their arms and return to the support of the Constitution, which they had sworn to support, instead of purging themselves in the attempt to destroy it, and they should be tolerated in Congress as heretofore. But they acted like all obstinate traitors always do, and held out as long as they could. By the goodness of Providence, they were at last subdued. Now, we ask the public if they think that Lincoln, after four years' fighting with a ferocious rattle-snake, not wishing to kill it because it had always been a pet in the house—we ask if Lincoln would have permitted this reptile to run about the house and eat at his table as usual? Would he not rather have chained it in an out room, in the cold, to see if all itsfangs were knocked out or not? Our advice to Johnson is not to be in too much of a hurry to bring this reptile back into the stove room before all itsfangs are entirely rubbed out. STEPHEN LLOYD. THE SINGER SEWING MACHINES.—Our Letter A Family Sewing Machine is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, &c. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style. The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner. It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes. The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality. Send for a Pamphlet. C. T. ROBERTS, AGENT IN EBENSBURG. AYER'S PILLS.—Are you sick, feeble and complaining? Are you out of order—your system deranged and your feelings uncomfortable? These symptoms are often the precursors of serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive away the humors—purify the blood, and let the fluids move on unobstructedly, in health and vigor. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Indigestion, Derangement of the Bowels, Constipation, Biliousness, Complaint of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses. They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered. AYER'S AGUE CURE, for the speedy and certain relief of Intermittent Fever, of Chills and Fever, Remittent Fever, Chills, Fever, Dysentery, Periodical Headache, Bilious Headache, and Bilious Fevers; indeed, for the whole class of diseases originating in biliary derangement, caused by the malarial miasmatic causes. This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce any morbid or injurious effects. Shaking brothers of the army and of the west, try it, and you will endorse these assertions. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by R. L. LLOYD, Ebensburg, Wm. BERLIN, Johnstown, and dealers generally. THE LADY OCUList.—Miss LAURA LE SURR, whose successful practice has been well known in Pittsburgh and vicinity for the last seven years, has now taken rooms at the residence of Mrs. Stahl, High st., Ebensburg, Cambria county, Pa., where she proposes spending the summer for the purpose of treating DISEASES OF THE EYES. The System is a cautious and safe one—has never been known to fail in subduing inflammation of the Eyes, either Acute or Chronic—will remove extraneous substances from the eyeballs, cure granulated eyelids, so that the eyelashes, instead of growing like bristles down upon the eyeballs and thereby eventually destroying the sight, will assume a correct position—become soft and natural; will strengthen and restore weak eyes of long standing—all without the use of the Knife, Lunar Caustic, Blue Stone, or any of those severe remedies so frequently applied, to the destruction of the eyes. Miss LE SURR also treats successfully RHEUMATISM AND NEUROUS DISEASES, two of the most lingering and painful diseases to which mortals are subject, and from which proceed some of the most fearful diseases of the eyes. But as diseases are not cured on paper and deeds are much more satisfactory than words, she would therefore respectfully call the attention of an intelligent community to her practice, and most cordially invite the afflicted to come and test the effect of the treatment for themselves, assuring those whose nature is curable that they put themselves under her treatment and follow strictly the directions given, they will certainly be rewarded with HEALTH AND SIGHT. These are facts, and facts are said to be stubborn things. REFERENCES: Rev. A. Baker, Pastor M. E. Church, Ebensburg, Pa. Rev. E. B. Snyder, Pastor Christ's True Church, Pittsburgh. Rev. R. A. JOHNSON'S RHEUMATIC COMPOUND. No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as JOHNSON'S RHEUMATIC COMPOUND. Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. The attestation of hundreds who have been cured by its use, must prove the truth of the assertion, "THAT IT IS A RADICAL CURATIVE" FOR INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES. We recommend it with confidence as THE GREAT INTERNAL REMEDY, For the Speedy and Positive Care of the above Complaints. Messrs. R. E. SELLERS & Co.: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever. Licking Station, Ky., Dec. 14, 1845. Mr. R. E. SELLERS:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms were passed. The child that was given up for lost, is now as well as any in his neighborhood. AMBROSE ARNETT, M. D. R. E. SELLERS & CO., Sole Proprietors, PITTSBURG, PA. FOR SALE BY A. A. BARKER, Ebensburg, Pa.
