Base Ball at Hemlock. To the Editor of The Alleghanian :

On Saturday afternoon of last week, a very interesting social game of base ball was played at Hemlock, Cambria county, between

the First Nine of the Highland Club of that place and the First Nine of the Ebensburg Club. The day was wet and lowering till noon, but when play was called, at one o'clock, the clouds had broken, and the sun came forth in his glory, yet not with sufficient fervor in his glad beams to entirely lick up the moisture which covered the grounds as with a mantle. Despite the dampness, the play on both sides was good and the game well contested. It resulted, after a three hours struggle, in the success of the Ebensburghers. Quite a large concourse of spectators, including a due proportion of ladies, were present throughout the afternoon.

The members of both Clubs were sumptuously entertained at the hotel of Messrs. Wilkins & Trotter. On the two separate occasions of dinner and supper, the hospitable board absolutely groaned with good things, to all which the boys paid their willing devoirs after a manner conclusive of their full and entire appreciation of the way they keep hotel in Hemlock.

In the evening, an interesting little episode came off. "Mein host" Wilkins, on behalf of Miss Elizabeth A. Trotter and other ladies of Hemlock, presented a gorgeous bouquet to the Ebensburg Nine, accompanying the presentation with a neat speech. The compliment was fittingly acknowledged by a member of the Nine; after which, during an hour which passed too soon, pop speeches were made, songs were sung, and toasts were

drunk. A little later, the Ebensburghers took the train for home, unanimous in the conviction that if a better town than Hemlock, or a cleverer set of fellows than the Highlanders, or a more hospitable people than over there abound, have existence on the face of the earth, they do not know it.

Mr. Miles Upton, of New York, acted as umpire, and won the plaudits of all parties D. Rhey for the Ebensburghers, and Mr. Wm. Vaughn for the Highlanders, officiated accep-Esc. tably as scorers.

RESOLUTION.

At a meeting of the First Nine of the Ebensburg Base Ball Olub, held Monday evenng, 10th instant, the following resolution was unanimously adopted :

Resolved, That the thanks of this First Nine are due and are hereby tendered the Highland Base Ball Club for the kind and courteous reception extended them on the occasion of their late visit to Hemlock .--Mere words were inadequate to give expression to the full measure of their appreciation of the multitude of kindnesses showered upon them, and they would therefore request, ear-

AYER'S PILLS.-Are you \$50 sick, feeble and complaining ? Are you out of order-your system deranged and your feelings uncomfortable? These symp-\$10! toms are often the precursors of

serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive away the humors-purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make lisense. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. Noue who knows the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

Although but one year before the public. this medicine has justly gained an unboanded popularity. When the originstor first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit' cannot be suppressed .-The attestation of hundreds who have been cured by its use, must prove the truth of the assertion.
