Altoona, Greensburg, Latrobe, Somerset, Florence, and those resident among us, and no effort was spared to make every sufferer as comfortable as possible.

On Saturday evening, a meeting of citizens took place at the square, for the relief of the sufferers. The meeting was presided over by the Burgess, Mr. Kopelin, who briefly and touchingly stated the object of the meeting. Committees were appointed to collect funds in each ward and district, and Howard J. Roberts was made Treasurer of the funds.

Mr. D. J. Morrell stated that he had received five hundred dollars from President Johnson, sent from Altoona, and also that he had the draft of Gen. Geary for two hundred dollars, for the relief of poor sufferers. The same gentleman subscribed two hundred dollars for self, and pledged the Cambria Iron Company for one thousand dollars more.

A number of gentlemen went forward and handed in money during the meeting, swelling the amount to some twenty-three hundred dollars. A large sum will be raised during the week, as a resolution unanimously passed the meeting that every citizen of town give the proceeds of one day's labor or business - Monday the day fixed-to the common fund.

The following letter accompanied President Johnson's donation of \$500:

CLEANSE THE BLOOD. -With corrupt or tainted blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed, and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these During late years, the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dol-Fly catches-Mountaineer, 11; Unknown, lar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative ingredient whatever. Hence, bitter disappointmert has followed the use of the various extracts of Sarsaparilla which flood the market until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of diseases it is intended to cure. We can as-
