

Reconstruction.

THE POLICY OF THE UNION PARTY TO RESTORE THE NATIONAL UNION!

Who are Citizens of the U. S.— Their Natural Rights and Privileges Guaranteed.

SHALL LOYAL MEN, OR TRAITORS, CONTROL THE GOVERNMENT?

THE NATIONAL DEBT MUST BE PAID, AND THE REBEL DEBT REPUDIATED.

The following are the proposed amendments to the National Constitution.— They were opposed by the Democratic party in Congress, and are opposed by Clymer and the Democracy now. They were passed by the Union Republicans in Congress, and are supported by the friends of Gen. Geary in the present campaign. These amendments constitute the platform of the Union Republican party:

Resolved by the Senate and House of Representatives of the United States of America, in Congress assembled, two-thirds of both Houses concurring, That the following article be proposed to the Legislatures of the several States as an amendment to the Constitution of the United States, which, when ratified by three-fourths of the said Legislatures, shall be valid as a part of the Constitution, namely:

ARTICLE—Section 1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States, and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privilege, or immunity of citizens of the United States. Nor shall any State deprive any person of life, liberty, or property without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

Section 2. Representatives shall be apportioned among the several States according to their respective numbers, counting the whole number of persons in each State, excluding Indians not taxed; but whenever the right to vote at any election for electors of President and Vice President, or for United States Representatives in Congress, executive and judicial officers, or the members of the Legislature thereof, is denied to any of the male inhabitants of such State, being twenty-one years of age, and citizens of the United States, or in any way abridged, except for participation in rebellion or other crime, the basis of representation therein shall be reduced in the proportion which the number of such male citizens shall bear to the whole number of male citizens twenty-one years of age in that State.

Section 3. No person shall be a Senator or Representative in Congress, elector of President and Vice-President, or hold any office, civil or military, under the U. S., or under any State, who, having previously taken an oath as a member of Congress, or as an officer of any State Legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof; but Congress may, by a vote of two-thirds of each House, remove such disability.

Section 4. The validity of the public debt of the United States, authorized by law, including debts incurred for the payment of pensions and bounties for service in suppressing insurrection or rebellion, shall not be questioned; but neither the United States nor any State shall assume or pay any debt or obligation incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave, but all such debts, obligations, and claims shall be held illegal and void.

THE SINGER SEWING MACHINE.—Our Letter A Family Sewing Machine is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, &c. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in ornate and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality.

A CARD.—WITMER'S BRIDGE, Lancaster Tp. July 30, 1861. Messrs. EVANS and WATSON: GENTLEMEN: The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam Bacz, in Lancaster City, on July 20th, 1861, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Dollars, (\$20.00) was in my Mill when it was destroyed on the night of the 27th of July, 1860, and passed through the fiery furnace. The safe was on the second story, and fell to the basement of the Mill, subjected for its future to an intense heat, among the ruins, which was greatly increased by the combustion of a large quantity of confined within the brick walls. After fire the safe was opened and the contents papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your safe than could be expressed in any other words. Yours respectfully, SAMUEL BARKER, [see] A large assortment of the above fire and Thief Proof Safes always hand, and for sale at low rates as usual, by EVANS & WATSON'S, No. 16 South Fourth st., Philadelphia.
