INTIMIDATION .- The following circular, signed by the Democratic lawyers of the county, was served on the several election boards of the county on Tuesday morning. It is good to have such documents on record:

To Election Officers. - One year ago you were informed by the Radical Committee that receiving the votes of persons charged with desertion would subject the Board to prosecution. The radical Boards rejected such votes and have been prosecuted and heavy costs are now imposed on such officers as refused such votes. Since that, the Supreme Court have decided that these votes cannot be rejected; and Election Officers will incur a heavy penalty for rejecting them. The question is therefore fully settled that no man can be deprived of a vote unless a record of his conviction is produced before the Board.

He was editor of the Ebensburg Democrat & Sentinel for the period of one year during the war .-His loss will be deeply regretted.

> THE ELECTION.—The election passed off quietly throughout the county. The day was warm and pleasant, and a full vote was polled. There was the usual feverish waiting for "returns" during the night, but the next day, we noticed, the Democrats had lost all interest in the figures. The Quakers had been out!

CLEANSE THE BLOOD.

With corrupt or tainted blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed, and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarzaparilla purges out these mpurities; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphills or Venereal Diseases, Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these

During late years, the public have been misled by large bottles, pretending to give a quart of Extract of Sarsapari'la for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative ingredient whatever. Hence, bitter disappointmert has followed the use of the various extracts of Sarsaparilla which flood the market until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of diseases it is intended to cure. We can assure the sick that we offer them the best alterative we know how to produce, and we have reason to believe it is by far the most

effectual purifier of the blood yet discovered. Ayer's Cherry Pectoral is so universally known to surpass every other medicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

THE LADY OCULIST .-Miss LAURA LE SUER, whose suc-

cessful practice has been well known in Pittsburg and vicinity for the last seven years, has now taken rooms at the residence of Mrs. Stahl, High st., Ebensburg, Cambria county, Pa., where she proposes spending the summer for the purpose of treating DISEASES OF THE EYES.

The System is a cautious and safe one-has never been known to fail in subduing Inflammation of the Eyes, either Acute or Chronic-will remove extraneous substances from the eyeballs, cure granulated eyelids, so that the eyelashes, instead of growing like Belles of Brooklyn, G W Warren, bristles down upon the eyeballs and thereby Dalia grand valse, E Kettener, eventually destroying the sight, will assume a correct position-become soft and natural; will strengthen and restore weak eyes of long standing-all without the use of the Knife, Lunar Caustic, Blue Stone, or any of those severe remedies so frequently applied, to the destruction of the eyes.

Miss LE SEUR also treats successfully RHEUMATISM AND NERVOUS DISEASES, two of the most lingering and painful diseases to which mortals are subject, and from which proceed some of the most fearful diseases of the eyes. But as diseases are not cured on paper and deeds are much more satisfactory than words, she would therefore respectfully call the attention of an intelligent community to her practice, and most cordially invite the afflicted to come and test the effect of the treatment for themselves, assuring those whose cases are curable that it they put themselves under her treatment and follow strictly the directions given, they will certainly be rewarded with

HEALTH AND SIGHT. These are facts, and facts are said to be stubborn things.
