He had been in Holhdaysburg, and as a cut was found above his left eye, it is supposed that he fell off the bridge while on his way home. The water was only about six inches deep where he was found, and it is thought that he was so stunned by the fall that he became powerless, and was thus drowned.

No medicine for the care of Rheumatism has ever attained to such a high degree of favor and universality as

JOHNSON'S RHEUMATIC COMPOUND.

Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its officaer, but Wm. A. THE GREAT INTERNAL REMEDY.

For the Speedy and Positive Cure of the above Complaints.

MESSES. R. E. SELLERS & Co: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two 40 months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever.
