The monthly meeting of the Washingtonian society of Ebensburg was held in the Congregationalist church on Monday eve. Several able speeches were made ... The snow blockade of the Ebenshurg & Cresson Railroad was raised on Saturday, and in the evening the train ran its regular trip -the first for about three weeks. The magnitude of the task of opening up communication may be inferred from the fact that the manual efforts of over 100 men were required for eight days to complete it. The snow in some places was dritted fifteen feet high. On Sunday, another severe storm sprang up, and it was feared the road would be blockaded again, but the train succeeded in forcing its way through on Monday, and has been run-

Our Branch.-We publish this week the present time table of the Ebensburg & Cresson Branch. By the way, a change of Conductors has occurred on the Branch of late. Capt. A. B. Scott, Conductor of the train ever since the opening out of the road, has been transferred to the West Penna. Railroad, and now runs between Blairsville and Allegheny. He is succeeded by Capt. M. A. Quartz. The other attaches of the train are, Hugh Gillan engineer, Joe. Henderson fireman, and Jerry Fagan brakeman-all master workmen and good fellows. Abel Lloyd, Esq. still retains his position as ticket and freight agent at this end of the route, and is as efficient and popular as ever.

ETTER FROM JOHNSTOWN-ALL THE NEW NICIPAL ELECTION-IT IS COUNTED OF BUT TER, ICE, INUNDATION, AND GENERAL ALARM -NOBODY SCARED, THOUGH-ESQUIRE COX-THE "BURNT DISTRICT," &C., &C.

JOHNSTOWN, Feb. 11, 1866. To the Editor of The Allegnanian:

A certain man, whose name we cannot properly spell, was lodged in our popular institution known as the "lock-up" in the early part of last week, charged by a woman claiming, as we understand, to be his wife, with the crime of bigamy. The facts as narrated to us are to the effect that the man in question was living in Conemaugh boro. with two women, one of whom he acknowledged as his wife, and the other merely as a servant. The wife, however, deemed the intimacy existing between the man and servant to be at least that which should exist in well regulated families between husband and wife, and hence made information against her on a flying visit from Wash- liege lord for keeping and having two wives. The case was disposed of by permitting the accused to run at large on the strength of his own recognizance to appear at Court and usdergo trial.

Our municipal election, which comes off on Friday next, has so far attracted but little public attention. Irvin Rutledge, Esq., is spoken of as the Union candidate for Mayor.

During the week, we noticed the funeral of Mrs. M'Gorey, of Cambria boro .-She leaves a husband and ten children to mourn her death. We also noticed the funeral of Widow Boyle, of our town, who

died on Wednesday, aged 65 years. The meat house of Peter Malzie, of Conemaugh boro., took fire on Friday, about noon, and was only saved from destruction by the devouring element by the utmost exertions of the neighbors.

On Friday night, a stock train on the P. R. R. broke through a short bridge

was the demolition of several cars and the death and maining of a number of fine cattle destined for the eastern markets.

The ice which broke at and above the Woolen Factory in Woodvale, on Thursday week, made its way down through the village and gorged at the western end. The whole of the village is now inundated, and many of the dwelling houses have been vacated. For the present, the anxiety of our citizens is relieved as to probable danger from a flood, but there can be no telling what might be the result of a heavy rain continued for twenty-

We were glad to see 'Squire Cox able to be out on Saturday, even though on crutches. He was one of the most severely injured of the sufferers by the falling platform at the railroad depot in September last, and for a long time his recovery was despaired of.

The "burnt district" is yet a picture of ruin, though soon, we understand, building operations will be commenced. A stately building will adorn the corner made vacant by the fire.

HOW TO KEEP OUR BRANCH RAILROAD PROM DRIFTING SHUT-A PEW PRACTICAL AND HIGHLY VALUABLE SUGGESTIONS. EBENSBURG, Feb. 9, 1867.

To the Editor of The Alleghanian: The true and cheapest plan to keep our Railroad from being blocked up by the snow is to build a fence on both sides of the road where it is most subject to being drifted up, say one bundred feet off from the road on either side. If bushes of a sufficient height could be planted, perhaps they would be better -they at least would stand with less repairing than a fence. This would break the force of the wind, and the snow would stop before reaching the road. This I know by experience and observation to be a fact. In the west end of this borough, on the turnpike, the wind has a fair sweep till it comes to the fence on the north side of the road .-This breaks its force, and the drifting snow falls on the road to the height of the fence. Then it will fill up to the top of the fence on STEPHEN LLOYD. the south side.

WOMAN'S FRIEND .- Time, money, labor and clothes saved by using Dobbins' electric soap. When used according to directions, no wash board or washing machine icate fabric, and is warranted free from anything injurious. Give it a trial! For sale y J. M. Thompson, Ebensburg, Pa.

DOUBLE SAVING .- The customers of V. S. Barker save two profits-they get the best quality of goods and pay the lowest of low prices. An immense amount of ready made clothing, suitable for gentlemen, young men and boys, just received. Drop in and examine his goods. He is determined not to

THE EAST WARD .- Late advices from the East Ward indicate that the rush for variety store. He has just received a full an extensive scale. assortment of trimmings, hosiery, shirts, bosoms, linen and paper collars, muslins, flannels, ginghams, &c.

Do You?-Do you want a ring, of any description, a breastpin, gold, silver or gutta perchapen holder, or anything in the jewelry tion. ine? If so, go to C. T. Roberts', Ebensburg, a. He also sells Lemberger's oil blacking at wholesale.

DISAPPEARING .- Since the great reduction in prices at E. J. Mills' store, P. O. building, Ebensburg, his stock of goods is fast disappearing. This is a rare chance for bargains. Remember, he is selling at cost in order to make room for his spring stock.
