

SKELETON No. 4.—A Paris correspondent gives the following characteristic story of the strategy of an impetuous medical student:

The landlady of a certain medical student, who ineffectually dunned her delinquent tenant for some time, resolved at last upon resorting to extreme measures. She entered the student's room one morning, and said in a decided tone: "You must either pay me my rent or be off this very day."

"I prefer to be off," said the student, who on his side was prepared for the encounter.

"Well, then, sir, pack up, directly."

"I assure you I will, madam, if you will assist me a little."

"With the greatest pleasure."

The student, thereupon, went to the wardrobe, tranquilly opened a drawer and took out a skeleton, which he headed to the dame—

"Will you have the kindness to place this at the bottom of my trunk, folding it up?"

"What is that?" asked the landlady, recoiling a little.

"That?"

"Yes, that!"

"Pooh, that! Oh, it is the skeleton of my first landlord. He was inconvenient enough to claim the rent of three terms that I owed him—and then—he careful not to break it; it is No. 1 of my collection."

"Monsieur!" exclaimed the dame, growing visibly paler.

The student, without replying, opened a second drawer and took out another skeleton.

"This is my landlady in the rue 'Ecole de Medecin. A very worthy woman, but who also demanded the rent of two terms. Will you place it upon the other? It is No. 2."

The landlady opened her two eyes as large as *porte cocheres*.

"This," continued the student, "this is No. 3. They are all here! A very honest man, and whom I did not pay, either. Let us pass on to No. 4."

But the landlady was no longer there. She had fled, almost frightened to death.

From that day, no more was said about the rent.

CONSIDERED IT DOUBTFUL.—The Tennessee Legislature was in session when Fort Donald fell, leaving the Federals free to occupy Nashville. Hearing a great stir in the Governor's office below, a committee was sent to see what was going on. They found his excellency packing up, preparatory to leaving. He handed the committee a dispatch announcing the fall. When the committee returned, Mr. W. was in the chair, and just on the point of adjourning. Addressing the House, he said: "And now, gentlemen, God will take care of us, and if we do not meet again here, we shall meet in heaven."

A member from East Tennessee, who had been dozing off the effects of the fluid to which he was addicted, hearing the last words of the Speaker's remarks, roused up and delivered himself thus: "Stop! Mr. Chairman, don't adjourn us to that place. If you do, we shall never get a quorum!"

JOHNSON'S RHEUMATIC COMPOUND.
POUND!

No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as

JOHNSON'S RHEUMATIC COMPOUND.

Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit" cannot be suppressed.—The attestation of hundreds who have been cured by its use, must prove the truth of the assertion,

"THAT IT IS A RADICAL CURATIVE"

FOR
INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES.

We recommend it with confidence as
THE GREAT INTERNAL REMEDY,
For the Speedy and Positive Cure of the above Complaints.

Messrs. R. E. SELLERS & Co.: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever.

SELLERS' VERMIFUGE.
This Worm Medicine
HAS NO SUPERIOR, IF AN EQUAL,
In this or any other Country.

Every year thousands of children die from this horrible evil. This alarming mortality loudly calls for increased watchfulness, and greater care in the selection of the remedy.

LET PHYSICIANS SPEAK!
SELLERS' VERMIFUGE THE BEST IN USE—HERE IS THE PROOF.
Licking Station, Ky., Dec. 14, 1845.
Mr. R. E. SELLERS:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms were passed. The child that was given up for lost, is now as well as any in the neighborhood.

A CARD TO THE LADIES!
DR. DUPONCO'S
GOLDEN PERIODICAL PILLS
FOR FEMALES.

In correcting Irregularities, removing Obstructions of the Monthly Turns, from whatever cause, and always successful as a Preventive.

It is now over thirty years since the above celebrated Pills were discovered by Dr. Duponco, of Paris, during which time they have been extensively and successfully used in most of the public institutions—as well as in private practice—of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of ladies who have used them that I am induced to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health—otherwise the Pills are recommended.

ONE BOX IS SUFFICIENT.
Full and explicit directions accompany each box, which must be strictly followed, and all diseases peculiar to females may be speedily cured.

Price \$1 per box; six boxes, \$5. Sold by one druggist in every town, village, city and hamlet throughout the world.

Sold in Ebensburg, Pa., by

A CARD.— WITMER'S BRIDGE,
Lancaster Tp. July 30, 1866.
Messrs. EVANS AND WATSON: GENTLEMEN.—The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adams, in Lancaster City, on July 20th, 1866, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over twenty thousand dollars, (\$20,000) was in my Mill which was destroyed on the night of the 23rd of July, 1866, and passed through the fire unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of gunpowder confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many by reason of a better recommendation of your safe, could be expressed in any other words to me. Yours respectfully,
