

THE SPREAD EAGLE PENNY HOAX.
About the first of April, some one started the report that the nickel cents of 1858, containing the celebrated "spread eagle," had become very scarce, owing to the fact that the government was calling them in, in consequence of a mistake having been made in the alloy, by which their value was greatly enhanced. It was asserted that the amount of gold used in the alloy made the coin worth about twenty-five cents. One and all at once began examining their pocket books, bills, &c., and it was generally found that the coin was quite plenty. Hundreds of them have been gathered together, and the search still continues. The indefatigable relic-hunters are now endeavoring to make sale of their collections, but find it an up-hill business, as the nickel issue of 1858 is really worth no more than its face—one cent. An enterprising lady residing in Philadelphia is said to have collected no less than five hundred of the pennies referred to, and to have carried them to the mint for exchange, but sad indeed was her disappointment on finding that she was the victim of misplaced confidence, and that her bright anticipations of gain were destined to be realized. The officers of the mint declined taking the pennies at all. An editor in West Chester published the statement that the pennies were actually worth twenty-five cents apiece, when one of his subscribers sent in four of the premium-bearing nickels, with a request to have one dollar credited to his account for subscription. This was more than the editor had bargained for, and he was compelled to come out in the next number of his paper and acknowledge that he knew nothing whatever on the subject of the premium—that he had found the statement afloat in another paper, and had printed it just as he had found it—that he washed his hands of the whole affair—and that, in conclusion, he begged leave to decline the offer of his kind subscriber. In short, the bubble has burst, and the "nickels with the eagle onto them" will cease to be hunted and hoarded.

A RECEIPT WORTH ONE THOUSAND DOLLARS.—The Ohio Cultivator says: Take one pound of sal soda and a half-pound of unslacked lime, put them in a gallon of water and boil twenty minutes, let it stand till cool, then drain off, and put in a strong jug or jar; soak your dirty clothes over night, or until they are wet through, then wring them out and rub on plenty of soap, and to one boiler of clothes well covered with water, add one tea-cupful of washing fluid; boil half an hour briskly, then wash them thoroughly through one suds, rinse, and your clothes will look better than the old way of washing twice before boiling.—This is an invaluable receipt, and I want every poor, tired woman to try it. I think with a patent washtub to do the little rubbing, the washerwoman might take the old Bible and compose herself on a lounge and let the washing do itself.

TO THE LADIES OF EBENSBURG AND VICINITY.—Having recently arrived from the city with a handsome assortment of **SPRING AND SUMMER MILLINERY AND STRAW GOODS**, of the latest styles, comprising BONNETS, SILKS and VELVETS, FINE FRENCH FLOWERS, an assortment of RIBBONS, all widths and colors, Ladies' plain and fancy DRESS CAPS, Infants' silk and embroidered CAPS, together with Hoop Skirts, Corsets, Hosiery, Gloves, Ladies' and Gent's Fine Linen Handkerchiefs, &c., we invite the ladies of Ebensburg and surrounding districts, to call and examine our stock, in the store-room formerly occupied by E. Hughes, below the Mountain House.

JOHNSON'S RHEUMATIC COMPOUND!
No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as

JOHNSON'S RHEUMATIC COMPOUND.
Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit" cannot be suppressed.—The attestation of hundreds who have been cured by its use, must prove the truth of the assertion,

"THAT IT IS A RADICAL CURATIVE" FOR

INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES.

We recommend it with confidence as **THE GREAT INTERNAL REMEDY,**

For the Speedy and Positive Cure of the above Complaints.

Messrs. R. E. SELLERS & Co: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever.

WORMS! WORMS!!
SELLERS' VERMIFUGE.

This Worm Medicine **HAS NO SUPERIOR, IF AN EQUAL,** In this or any other Country.

Every year thousands of children die from this horrible evil. This alarming mortality loudly calls for increased watchfulness, and greater care in the selection of the remedy.

LET PHYSICIANS SPEAK!
SELLERS' VERMIFUGE THE BEST IN USE—HERE IS THE PROOF.

Licking Station, Ky., Dec. 14, 1845.
Mr. R. E. SELLERS:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms was passed. The child that was given up for lost, is now as well as any in his neighborhood.

A CARD TO THE LADIES!
DR. DUPONCO'S
GOLDEN PERIODICAL PILLS
FOR FEMALES.

In correcting irregularities, removing Obstructions of the Monthly Turns, from whatever cause, and always successful as a Preventive.

It is now over thirty years since the above celebrated Pills were discovered by Dr. Duponco, of Paris, during which time they have been extensively and successfully used in most of the public institutions—as well as in private practice—of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of ladies who have used them that I am induced to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health—otherwise the Pills are recommended.

ONE BOX IS SUFFICIENT.
Full and explicit directions accompany each box, which must be strictly followed, and all diseases peculiar to females may be speedily cured.

Price \$1 per box; six boxes, \$5. Sold by one druggist in every town, village, city and hamlet throughout the world.

A CARD.
WITNES'S BRIDGE, Lancaster Tp. July 30, 1866.
Messrs. EVANS AND WATSON: GENTLEMEN,
The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam Barr, in Lancaster City, on July 20th, 1866, has been subjected to a very severe test which it withstood in a most satisfactory manner. This safe containing all my valuables and some of my neighbors' belongings, and representing a value of over Twenty thousand Dollars, (\$20,000) was in my Mill when it was destroyed on the night of the 27th of July, 1866, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of gunpowder confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many business a better recommendation of your safe than could be expressed in any other words.
Yours Respectfully,
[Jan 24] SAMUEL RANCO
