

ANECDOTES OF PRESIDENT LINCOLN.—Mr. F. B. Carpenter, in the Independent, gossips of Mr. Lincoln, and tells the following anecdotes:

"FLOUGHING AROUND."
The enlistment of negroes in the Eastern Department of the army commenced under General Schenck's command, in Maryland, and contemplated at first only the enlistment of free blacks. Much trouble was occasioned, however, from the fact that it was often impossible to tell whether the "recruits" presenting themselves were free or not; masters frequently coming forward and claiming parties who had enlisted. General Schenck at length went to Washington to ascertain what policy the Administration proposed to pursue in the matter. He stated his case to the President, explaining his difficulties, and asked for instructions. Mr. Lincoln replied that he had no special instructions to give; the condition of things at that juncture was such that it seemed best to have no definite policy on the subject. Commanders of the departments must act according to their judgment.

"You see, Schenck," continued Mr. Lincoln, "we are like an old acquaintance of mine, who settled on a piece of *galled* prairie. It was a terrible rough place to clear up; but after a while he got a few things growing—here and there a patch of corn, a few hills of beans, and so on.—One day a stranger stopped to look at his place, and wanted to know how he managed to cultivate so rough a spot. 'Well,' was the reply, 'some of it is pretty tough. The smaller stumps I can generally root out or burn out; but now and then there is an old settler that bothers me, and there is no other way than to plough around it.' Now, Schenck," Mr. Lincoln concluded, "at such a time as this, troublesome cases are constantly coming up, and the only way to get along at all is to plough around them."

A BLACK MAN'S NOTE.
Mr. Huntington, cashier of the First National Bank of Washington, meeting an old friend of Mr. Lincoln's one morning, remarked, "That President of yours is the oddest man alive. Why, he endorses notes for niggers!" It seems that some time before, a colored man finding himself in danger of losing his house for the want of \$150, went to Mr. Lincoln and told his story. The result was that the man made a two months' note, and Mr. Lincoln endorsed it. The note was discounted by some one, and found its way into Huntington's bank for collection. Upon its maturity, the colored man failed to respond. Instead of serving the customary notice of protest upon the endorser, the cashier took the note in person to Mr. Lincoln, who at once offered to pay it.—Mr. Huntington said: "Mr. President, you have tried to help a fellow mortal along. I am not willing that you should suffer this entire loss; we will divide it between us." And the affair was thus settled.

JOHNSON'S RHEUMATIC COMPOUND!
No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as
JOHNSON'S RHEUMATIC COMPOUND.

Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit" cannot be suppressed.—The attestation of hundreds who have been cured by its use, must prove the truth of the assertion,
"THAT IT IS A RADICAL CURATIVE"
FOR
INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES.

We recommend it with confidence as
THE GREAT INTERNAL REMEDY,
For the Speedy and Positive Cure of the above Complaints.
Messrs. R. E. SELLERS & Co: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever.

SELLERS' VERMIFUGE.
This Worm Medicine
HAS NO SUPERIOR, IF AN EQUAL,
In this or any other Country.
Every year thousands of children die from this horrible evil. This alarming mortality loudly calls for increased watchfulness, and greater care in the selection of the remedy.
LET PHYSICIANS SPEAK!
SELLERS' VERMIFUGE THE BEST IN USE—HERE IS THE PROOF.
Licking Station, Ky., Dec. 14, 1845.
Mr. R. E. SELLERS:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms were passed. The child that was given up for lost, is now as well as any in the neighborhood.

A CARD TO THE LADIES!—
DR. DUPONCO'S
GOLDEN PERIODICAL PILLS
FOR FEMALES.
In correcting Irregularities, removing Obstructions of the Monthly Turns, from whatever cause, and always successful as a Preventive.
It is now over thirty years since the above celebrated Pills were discovered by Dr. Duponco, of Paris, during which time they have been extensively and successfully used in most of the public institutions—as well as in private practice—of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of ladies who have used them that I am induced to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health—otherwise the Pills are recommended.
ONE BOX IS SUFFICIENT.
Full and explicit directions accompany each box, which must be strictly followed, and all diseases peculiar to females may be speedily cured.
Price \$1 per box; six boxes, \$5. Sold by one druggist in every town, village, city and hamlet throughout the world.

A CARD.—
WITMER'S BRIDGE,
Lancaster Tp. July 30, 1867.
MESSRS. EYANS AND WATSON: GENTLEMEN,
The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam J. Barr, in Lancaster City, on July 20th, 1859 has been subjected to a very severe test which it withstood in a most satisfactory manner. This safe, containing all my books, together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your Safes than could be expressed in any other words from me.
Yours Respectfully,
SAMUEL RANCE.

A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at low rates as any other firm, at
