

[Continued from first page.] talents and eloquence need not shrink from a comparison with the boasted British Parliament. Our pulpits and our courts exhibit much talent; and medical science has been raised among us to an exalted station.

The battles of Erie and Champlain, in proportion to the forces engaged, might challenge a competition with the boasted victories of Lord Nelson; and in what page of history will you find the record of achievements greater than those performed by the Americans during the Revolution and the war which commenced in 1812.

Sympathizing with the distress of our fellow men, and anxious that all may obtain the freedom which we enjoy, we must consider the example which our Declaration of Independence has given to other nations as among the greatest of its results. The new freemen of the Republic on the Southern part of our continent will cheerfully unite with us in the celebration of this day. It is to our example they owe their freedom. On this day the arms of the Greeks will be nerve with increased power. Amidst the horrors of war, and the roaring of the desolating artillery, they will rejoice at the blessings of America, and will unite their prayers with us for the freedom of the world.

The declaration of the 4th of July, 1776, taught to the world a lesson never to be forgotten—gave an example which will in due time be followed by every nation on earth. The Supreme God who rules the destinies of the world, never intended that men should remain subjects to the sway of tyrants and despots—never gave to any particular family the right of continuing their arbitrary rule from generation to generation. Man must and will be free. The sins of the people may for a while keep them subjects to kings, emperors and hereditary rulers; but finally the whole human race will be emancipated. All will enjoy the government of their choice. All will be ruled by persons of their own selection, subject to be removed whenever they violate their trust or lose the confidence of the people.

What may be the fate of our beloved country, it is impossible to predict. But let us sincerely hope that history will not record of her, as of many other nations—"she rose—she flourished—she fell." Let us hope that she will continue to be, as she has been for the last fifty years, the polar star of liberty—the beacon light by which the benighted world will be led to emancipation.

We have every reason to expect this. The same spirit which animated our Fathers, still pervades the country. Liberty is a blessing bestowed by Heaven, consecrated by the blood of our patriots and endeared to us by the felicity which it has imparted. Our dispositions must be strangely altered; ignorance must make vast inroads upon us, before we can submit to lose the inestimable gift. We cannot lose it. The knowledge of our rights and the fear of losing them will create a zeal like that which now animates the regenerated Greeks. We will yield our liberty only with our lives.

JOHNSON'S RHEUMATIC COMPOUND!

No medicine for the cure of Rheumatism has ever attained to such a high degree of favor and universality as JOHNSON'S RHEUMATIC COMPOUND. Although but one year before the public, this medicine has justly gained an unbounded popularity. When the originator first introduced it, he was convinced of its efficacy, but he little supposed it was destined to prove such an inestimable blessing to the afflicted. But "true merit" cannot be suppressed.—The attestation of hundreds who have been cured by its use, must prove the truth of the assertion, "THAT IT IS A RADICAL CURATIVE" FOR INFLAMMATORY AND ACUTE RHEUMATISM, GOUT, NEURALGIA, AND KINDRED DISEASES.

We recommend it with confidence as THE GREAT INTERNAL REMEDY, For the Speedy and Positive Cure of the above Complaints.

Messrs. R. E. Sellers & Co.: This is to certify that for the last sixteen years I have been severely afflicted with rheumatism, often confined to my house, and even unable to walk. Being in the Postoffice, about two months ago, Mr. Clark observed my crippled condition, and urged me to try a bottle of "Johnson's Rheumatic Compound." I followed his advice and now, by the blessing of God, and the use of half a bottle of your "Compound," I am free from all symptoms of rheumatism, and can walk without the aid of my staff, as well as ever. This alarming mortality, loudly calls for increased watchfulness, and greater care in the selection of the remedy. LET PHYSICIANS SPEAK! SELLERS' VERMIFUGE THE BEST IN USE—HERE IS THE PROOF. Licking Station, Ky., Dec. 14, 1845. Mr. R. E. Sellers:—Your Vermifuge possesses more virtue than any I ever used. I will state a case where I gave one vial. My brother's child was pining and wasting to a mere skeleton. In thirty-six hours after I gave the Vermifuge, the enormous quantity of upward of six hundred worms were passed. The child that was given up for lost, is now as well as any in his neighborhood. AMBROSE ARNETT, M. D.

A CARD TO THE LADIES!—DR. DUPONCO'S GOLDEN PERIODICAL PILLS FOR FEMALES. In correcting irregularities, removing Obstructions of the Monthly Turns, from whatever cause, and always successful as a Preventive. It is now over thirty years since the above celebrated Pills were discovered by Dr. Duponco, of Paris, during which time they have been extensively and successfully used in most of the public institutions—as well as in private practice—of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of ladies who have used them that I am induced to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility for the precise admonition, although their mildness would prevent any mischief to health—otherwise the Pills are recommended. ONE BOX IS SUFFICIENT. Full and explicit directions accompany each box, which must be strictly followed, and all diseases peculiar to females may be speedily cured. Price \$1 per box; six boxes, \$5. A CARD.—WITMER'S BIRD... Lancaster, Pa. July 30, 1867. Messrs. Evans and Watson:—Gentlemen: The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adams Bar, in Lancaster City, on July 20th, 1867, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my papers together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Dollars, (\$20.00) was in my Mill when it was destroyed on the night of the 27th of July, 1867, and passed through the fire unscathed. The safe was on the second floor and fell to the basement of the Mill, and subjected for six hours to an intense heat, among the ruins, which was greatly increased by the combustion of a large quantity of confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being scorched. This fact was, however, to many by a better recommendation of your safe than could be expressed in any other manner. Yours respectfully, [Jan 24] SAMUEL RAMBO.

A large assortment of the above City of Fire and Thief Proof Safes always on hand and for sale at low rates as any firm, at EVANS & WATSON'S, No. 16 South Fourth st., Philadelphia.
