

EBENSBURG AND CRESSON RAILROAD. On and after Monday, April 29, 1867, trains will run as follows: EBENSBURG—

MEMORANDA.—Gen. Wm. S. Calohan, State Superintendent of the Portage Canal, has applied for the benefit of the bankrupt law.

BASE BALL.—On Saturday afternoon last, the first nine of the Junior Mountaineers, of this place, went to Summit to play a match game with the Monitors of the latter place.

WASHINGTON MONUMENT.—The Washington Monument, to somebody's disgrace he said, has never been completed, and it is now proposed to go to work with a will and finish up the job.

HOW IS IT?—One report says that Santa Ana has been shot by order of Juarez; another report contradicts this point blank.

TEMPERANCE ASSOCIATION.—The temperance convention to form a county temperance association met in Johnstown on Monday. It was largely attended.

NEW POSTAL CURRENCY.—A new kind of postal currency, of the fifteen cent denomination, will be issued, shortly, and in this connection we beg leave to inform the citizens of this vicinity that all kinds of currency are taken in exchange for any kind of merchandise, at V. S. Barker's, Ebensburg.

GOOD NEWS.—For the benefit of mankind generally, we would state that a very large stock of spectacles, including the celebrated parabola, is to be found at C. T. Roberts'. He has also just received a new stock of telescopes and magnifying glasses of different sizes and descriptions.

REFRESHING.—The present state of the weather, with the thermometer ranging among the nineties, is highly suggestive of the lightest style of clothing, just such as is kept by Mills & Davis. Fitted with a suit of it, you may defy the extreme heat of the "dog days" with impunity.

SUDDEN DEATH.—A young man named Benjamin F. Potter, of Johnstown, died suddenly at Derry, Westmoreland county, on the 16th ultimo, from the effects of an overdose of laudanum. The drug was taken to remove a cramp caused by drinking ice water.

FIRE.—On Sunday last, the shingle mill of Messrs. E. & T. Nutter, in Chest Springs, was totally destroyed by fire. Loss \$3,000. Insured for \$500.

OIL!—Though there is a decided lull in the oil market just at the present time, in those regions where oil is a staple production, it yet appears that some excitement is likely to be kicked up here—even here—in connection with the greasy compound. A company has been formed to bore for oil upon ground belonging to Mr. Shuster, 2 1/2 miles north of town, and an engine and the other apparatus necessary to the work have been purchased.

WASHINGTON MONUMENT.—The Washington Monument, to somebody's disgrace he said, has never been completed, and it is now proposed to go to work with a will and finish up the job.
