WITMER'S BRIDGE, Lancaster Tp. July 30, 1860. MESERS. EVANS AND WATSON: GENTLEMEN-The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Barr, in Lancaster City, on July 20th, 1858 has been subjected to a very severe test which it withstood in a most satisfactory manner. This Safe, containing all my book together with valuable papers belonging t myself and some to my neignbors and friends and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The Safe was on the second floor and fell to the basement of the Mill, and was ALLENDALE QUILTS, subjected for six hours to an intense heat among the ruius, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preser. vation, the paper not even being discolored. This fact was, however, to many bystaniers a better recommendation of your Safes than

could be expressed in any other words from Yours Respectfully. me. SAMUEL RAN BEQ. A large assortment of the above qualty of Fire and Thief Proof Safes always on hand and for sale at as low rates as any other EVANS & WATSON'S,
