The following resolutions were read and adopted: The Republicans of Cambria county, in convention assembled, impressed with the magnitude of the political issues which the people of the whole country are now called upon to decide, make the following declaration of principles:

1. Resolved, That the recent rebellion of the Southern States against the authority of the Federal Government and the expressed will of a majority of the American people, was unprovoked and unjustifiable, a murderous blow at the benign and sacred institutions of our fathers, and a monstrous crime against humanity itself.

2. Resolved, therefore, That we fully and heartily endorse all the acts of Congress and the martyred Lincoln, which aimed to overthrow the rebellion and preserve the Union, and that we approve with equal heartiness all the acts of Congress which are intended to secure the loyal fruits of the war and make treason odious for all time to come.

3. Resolved, That the persistent and malignant efforts of President Johnson to defeat the wishes of the people, and make the war for the Union, in the words of the Chicago Platform of 1864, "a failure," deserve the severest condemnation and the sternest rebuke, and call loudly for the exercise by the people's representatives in Congress of the high prerogative of impeachment and removal from office.

4. Resolved, That the removal by the President of Hon. Edwin M. Stanton from the post of Secretary of War, which he had filled during the war, and subsequently, with signal credit to himself and glory to the country, was an act of petty spite, prompted solely by the Secretary's vigorous measures to carry into effect, in their true spirit, the reconstruction acts of Congress.

how utterly lost is Andrew Johnson to all sense of shame and all regard for the good opinion of mankind.

7. Resolved, That we especially execrate the malignant order of the President, which commands General Sheridan to proceed immediately to the Western frontier, without granting him a single day's rest from the arduous duties he has uninterruptedly been called upon to perform since the commencement of the war, and without affording the people he has served so well the opportunity to express to him in person their approval of his brave, intelligent and eminently just administration of the affairs of the Fifth Military District.

8. Resolved, That we receive with great satisfaction the assurance from General Grant, expressed in Special Order No. 429, that "commanders of the Military Districts, created under the act of March 2, 1867, will make no appointments to civil office of persons who have been removed by themselves or their predecessors in command"—thus preventing the restoring to power of such prominent rebels as Mayor Monroe, Governor Wells and Gov. Throckmorton.

9. Resolved, That General Ulysses S. Grant is our first, last and only choice for the Presidency, in 1868.

10. Resolved, That the nomination by the Democratic party of Pennsylvania of George Sharswood for Supreme Judge is an explicit indorsement of that gentleman's famous decision in the case of Borie vs. Trott, wherein he declared the greenback currency of the country, issued by the Government as a war measure, to be unconstitutional, and therefore not money, but worthless paper.

11. Resolved, That in the language of the Pittsburgh Post, the Democratic organ of Western Pennsylvania, the nomination of Hon. Henry W. Williams, the Republican candidate for Supreme Judge, "is a good one," and that he "possesses legal and moral qualifications for the responsible position to which he has been nominated." Commendation such as this from a Democratic source is praise indeed.

12. Resolved, That we indorse the course of Hon. Simon Cameron, the Republican Senator from this State, and the course of Hon. Daniel J. Morrell, our immediate Representative in the lower House of Congress.

13. Resolved, That the State Administration, of which General John W. Geary, for many years our fellow-citizen, is the honored head, is entitled to the confidence of the party which kept Pennsylvania true to the Union when rebel sympathizers within her borders sought to place the great old State in an attitude that would forever have stained her fair fame with disloyalty and dishonor.

14. Resolved, That we unanimously indorse the ticket this day nominated, and pledge to it our earnest support at the ballot-box.

The following County Committee was appointed: Dr. WALTER BELL, Summitville, Chairman. Allegheny—George Litzinger. Blacklick—Samuel Reed. Cambria tp.—Benjamin Lloyd. Cambria boro.—Coyler Sheehan. Carroll—Joseph Davis. Chess Springs—M. D. Wagner. Clearfield—C. McCullen. Conemaugh tp.—Jacob Singer. Conemaugh, 1st W.—Charles O. Luther. Do. 2d W.—William Cushon. Cropp—George B. Wike. Ebensburg—E. W. William K. Piper. Do. W. W.—C. T. Roberts. Gallitzin—W. C. Cibert. Jackson—George Varner, sr. Johnston, 1st W.—John White. Do. 2d W.—James Eldridge. Do. 3d W.—D. N. Jones. Do. 4th W.—Wm. Dysart. Do. 5th W.—J. M. Bowman. Lorretto—W. J. Coons. Munster—Garrett Rissman. Richland—George Grumling. Summerhill—Henry Walters. Summitville—A. J. Watt. Taylor—John Morrell. Washington—John Wilkin. White—Thomas A. Powell. Yoder—S. Blough.

The Convention then adjourned.

MEMORANDA.—The Rev. John McKiuey, brother of Rev. David McKinney, D. D., and for some years pastor of the Presbyterian church in Alexandria, Huntingdon county, died in Hollidaysburg on the 24th ultimo, aged 70 years.

We are sorry to learn that Mr. E. R. Dunegan, one of the Commissioners of this county, had an arm broken on last Wednesday. He was riding in a buggy, when a runaway team attached to a wagon ran into and upset the buggy, with the result before stated. Our young friend John H. Evans, of Oil City, is in town on a visit. Though he lays claim to the title of invalid, it is the unanimous verdict all around that he never looked better than now. The Hollidaysburg Register asks, with reference to the return game of base ball between the "Mountaineers" of this place and the "Juniatas" of Hollidaysburg, whether we can give any tidings of our club. We can only say that the "Mountaineers" still live, and will speak for themselves at as early a day as possible. Mr. R. R. Thomas has opened out, on High street, an oyster saloon, where daily and nightly he will serve forth to all who may come the freshest and fattest bivalves. The Congregationalist Church of this place intend erecting a new church edifice. Over five thousand dollars have already been subscribed toward the building fund. A man named Abram Good, formerly of Conemaugh, this county, fell under the cars at Williamsport on Monday. J. S. Kirby, a telegraph operator and agent of the Union Pacific Railroad at Topeka, Kansas, committed suicide on last Thursday. It is stated he was a defaulter in the sum of \$5,000. He formerly resided in this county. An application has been made to the President for the pardon of Johnson, of Altoona, convicted of counterfeiting postal currency. A man named Carney, of this county, went to Altoona the other day and sold seventy or eighty dollars' worth of produce. The money was stolen from him before he could get home. The weather has been cold of late.

LOCAL CORRESPONDENCE.

LETTER FROM JOHNSTOWN—A COUPLE OF FOOT RACES—CONVENTIONS AND PIC-NICS—BASE BALL—THE "IRONS" GOING ON A TOUR, &c. JOHNSTOWN, Sept. 2, 1867.

To the Editor of The Alleghanian: An exciting foot race came off at Woodvale on last Saturday, between Robert Bruce, alias R. B. Way, of Alleghany city, and David C. Davis, the champion runner of this place. Distance, 100 yards; stakes, \$200. The result was a victory for Way. Another race came off at the same place the same day between Thomas Parfit and Hedy. Distance, 100 yards; stakes, \$20. Parfit came in the winner by some ten or fifteen feet.

The picnic of the Grand Army of the Republic came off on Saturday at Woodvale grove. All those in attendance returned home well satisfied with the day's amusement.

A convention of delegates representing the Pittsburg district of the Turners' Association will assemble here to-day. The societies of Johnstown, Pittsburg, Alleghany, Cleveland and Wheeling will be represented. To-morrow, they will hold a grand pic-nic at Luenen's grove, at which prizes will be given to the most skillful in turning.

A match game of base ball was played here on Saturday between the Junior Juniatas of Hollidaysburg and the Junior Independents of this place. The latter club was waxed to the tune of 70 to 15.

The Iron base ball club of this place intend taking a tour eastward next week. Their intention, I believe, is to play in Huntingdon on Monday, in Altoona with the Mountians on Tuesday, in Hollidaysburg with the Juniatas on Wednesday, and in Ebensburg with the Mountaineers on Thursday. Dio.

BASE BALL.—The East Ward members of the "Mountaineer" club played against the West Ward members on Saturday last, with the following result:

Table with columns for East Ward and West Ward, listing players and scores. Includes totals for innings and runs.

A match game was played between the second nine of the "Mountaineers" and the first nine of the "Stars" on Tuesday afternoon. Score, 20 to 32 in favor of the "Stars."

NEW RAILROAD.—A public meeting was held in Homer on the 26th ultimo, favorable to the construction of a line of railroad from that point to Cherry Tree. One hundred thousand dollars' worth of stock was subscribed for. Mr. George Barrett was selected as chief engineer, and was instructed to commence an experimental survey forthwith.

WE hear everybody saying—and what everybody says must be true—that the largest, best selected and decidedly the cheapest stock of goods to be found in this or any other town, is to be found at J. M. Thompson's. Call and examine his goods before purchasing elsewhere.

REFITTED.—Prominent among the many improvements now being made in our town, is the addition being made by C. T. Roberts to his jewelry store. His storeroom is now one of the largest in town, and is filled with an excellent selection of clocks, watches, jewelry, &c.

THE general impression at the present time in regard to the selling of cheap goods is that V. S. Barker sells cheaper than the cheapest. Strangers in attendance at court will do well to make a note of this, as he has just received new goods.

IT is a natural result for people in need of any kind of goods to go where they can purchase the cheapest, and of course they go to A. A. Barker's. Crowds of customers, continually going and coming, bear testimony to his low prices.

REMOVED.—Messrs. Mills & Davis last week moved their stock in trade to their new storeroom, two doors west of the Post Office, where they will be pleased to have their friends call and examine their new supply of goods.

PIC-NIC.—Mr. Richard Detling will give a grand pic-nic at Lily station on Monday, 16th inst. Oceans of fun may be expected, and everybody is invited.

COURT is well attended this week. No business of importance has yet been transacted. We will give an abstract of the proceedings in our next issue.

LOST!—On Tuesday, a silver breastpin, with the initials "K. Z." engraved thereon. The finder will confer a favor by returning it to this office.
