A. Guckenheimer vs. Owen Swency—attachment in execution. Jury find for the plaintiff in the sum of \$30.66.

Court adjourned Thursday evening.

BASE BALL.—A picked nine of the "Mountaineers" went to Loreto on Saturday, and played the "Elm" club of that place a practice game. The "Elm" is a new club, with excellent material for a crack first nine. The "Mountaineers" unite in pronouncing the trip a most enjoyable one.

The "Irons" of Johnstown started on their contemplated tour on Monday, going first to Huntingdon, where they played the "Socials." Score, 45 for the "Irons" to 25 for the "Socials." On Tuesday, the tourists went to Tyrone, where they played the "Bald Eagles." On Wednesday, they played the "Mountain Stars" of Altoona. On Thursday, (to-day) they play the "Mountaineers" in Ebensburg.

A regular meeting of the "Mountaineer B. B. Club" will be held in the Court House to-morrow (Friday) evening, at 8 o'clock. The semi-annual election of officers will be held and other important business transacted.

The "Tyroleans" of Harrisburg visited Hollidaysburg on Monday and played the "Unitas." Score, 56 to 21, in favor of the "Tyroleans."

The "Mountain" and "Star" clubs of Altoona have been consolidated, under the name of "Mountain Stars."

SENTENCE OF WILLIAM JOHNSTON.—The case of William Johnston, of Altoona, convicted of "showing" counterfeit postal currency, was finally disposed of by the U. S. Court at Pittsburgh on Thursday last. When he was called up for sentence, he protested his innocence. The Court remarked that it had no doubt whatever of his guilt, but added that his advanced age and the previous good character he had been able to establish inclined it to mitigate the sentence materially. The sentence was that the defendant pay a fine of \$3,000, and undergo an imprisonment of seven years in the Western Penitentiary. He was removed to the penitentiary shortly after. A petition for his pardon is being circulated.

JOHNSTOWN ITEMS.—The Turners' demonstration held on Monday and Tuesday of last week was a great success. Over 200 members participated in the business and festivities of the occasion. The Allegheny Evangelical Lutheran Synod was in session in Johnstown last week. Wm. Flattery, Esq., had a pocket-book stolen from his pocket in the Post Office, lately. It contained \$100. Major Thomas A. Maguire has been appointed to a clerkship in the Second Auditor's office of the Treasury Department in Washington.

MEMORANDA.—A public exhibition was held at Pine Flat Academy, Indiana county, on the 3d inst. Mr. Owen Davis, Miss K. L. Evans, and Miss Jennie Davis, of Ebensburg, delivered original orations on the occasion. Ex-Governor Curtin and Col. John W. Forney have arrived home from Europe. A man named Michael Gilmartin was instantly killed in the Pa. Railroad shop at Altoona, on Wednesday last, by a heavy piece of iron falling upon him. A little boy named Abrams attempted to jump on a train of cars in Altoona, the other day, but missed his footing and fell upon the track. The cars passed over one of his feet and crushed it so badly that amputation had to be resorted to. The Mountain House at Cresson will be closed shortly. The guests have nearly all gone home. Pigeons are said to be becoming plenty in the woods hereabouts. A new paper, called the Tyrone Bulletin, has just been started in Tyrone, with M. H. Jolly as editor. It presents a creditable appearance and is well edited. Miss Sarah Stewart burst a blood vessel and fell dead, in Gaysport, Blair county, one day last week, while milking a cow. A man named Valentine was lately sentenced to three years in the penitentiary for setting fire to the Blair county jail. Hon. S. C. Wingard, formerly of Ebensburg, has been nominated for the State Senate in the Lycoming district. Two convicts, clad in prison garb, were arrested in Middlecreek township, Somerset county, on Friday last, and lodged in the county jail. They are supposed to belong to a gang who escaped from the West Virginia penitentiary not long ago.

SPEAR'S ANTI-DUST COOK STOVE.—We refer the reader to an article on our first page, headed "Counterfeiting in America," from which may be gleaned much information concerning stoves in general and concerning Spear's anti-dust cook stove in particular. Our enterprising townsman Mr. Geo. Huntley, of the Ebensburg Hardware Store, has been appointed agent for the sale of this stove, which, by the way, is admitted on all hands to be the best stove manufactured. Any one needing such an article will do well by calling on him.

MAKE A NOTE OF IT.—Ebensburgers visiting Johnstown should not fail to pay a visit to the "Oak Hall Clothing Store" during their stay in the latter place. The best and most fashionable styles of ready-made clothing are sold there, and at prices considerably lower than those ruling in any other similar establishment in the county. The store is on Main st., in the busiest portion of town. E. Leopold & Bro. proprietors. Make a note of this, and give them a call.

FIRE.—On Monday night, two houses situated a short distance west of Cresson, on the turnpike, and familiarly known as the "Dr. Jackson homestead," were destroyed by fire. The houses were occupied by Mr. Gordon Mullin, who lost a large quantity of valuable furniture by the misfortune. The fire is supposed to have been communicated from a defective flue. We did not hear the loss estimated, but it must be considerable.

A facetious Democratic friend remarked in our hearing, after the Republican nominations were made, that Col. Linton could carry a single ton, and go 1,000 or 1,200 better in a way of a majority, just "as easy as rolling off a log."—Freeman.

Possibly—the Democrats are accustomed to carrying large loads. But our own private opinion is that the Republican candidate will demonstrate that he can carry a *Lin ton*, and that, too, without much trouble.

PITTSBURG MARKET.—T. C. Jenkins' latest circular gives the following quotations for flour:

Table with 2 columns: Flour type and Price. Includes Dayton Snow Flake, White Winter, Jenkins' Eclipse, Grant's O. K. Kentucky, Jenkins' Lilly Mills, Bartlett and Desplaine's, Crescent City.

DEAD.—Thomas M'Cauley, who was run over by an engine at the Cambria Iron Works, Johnstown, a couple of weeks ago, and was so severely injured as to render amputation of one of his legs necessary, died on last Friday, in Johnstown. He formerly lived in Susquehanna township.

THE reader has no doubt often heard of a "pocket saw-mill." By visiting the clothing store one door west of Cham. Roberts' jewelry store, one may be seen, in the shape of a model of a saw-mill invented by an Indiana county man. It is a curiosity.

MARRIED.—On Thursday, August 22, by Rev. S. Hildebrand, Mr. Saml. Shoffner to Miss Mary Pergrin, both of Jackson township.

THE Catholic festival held here last week was a great success. It was attended throughout by large crowds.

LOCAL CORRESPONDENCE.

LETTER FROM HEMLOCK.—DULLNESS IN BUSINESS CIRCLES BUT ACTIVITY IN BASE BALL CIRCLES.—SEVERAL GAMES, AND HOW THEY RESULTED. HEMLOCK, Sept. 9, 1867.

To the Editor of The Alleghenian: The blackberry season is about closing, the coal works have not yet resumed operations, and lumber is very dull. We are taking advantage of this situation by turning our almost undivided attention to base ball. Notwithstanding the inclemency of the weather, Saturday was an exciting day to the several clubs here.

Several match games were played, beginning with the first nine of the Grant club vs. the second nine of the Highland club. Score, 23 for the Grants, to 43 for the Highlanders. Then the second nine of the Grant club, alias the "Silver Grays," played the first nine of the Evening Star club, alias the "Pig-tails." Score, 50 for the "Silver Grays," to 31 for the "Pig-tails." After which, the first and second nines of the Highland club played five innings, with the following result:

Table with 2 columns: First Nine and Second Nine. Lists players and scores for Fox, Porter, Saylor, Leonard, Lynch, Porter, Bradley, Callahan.

DIED.—In this place, on the 30th ult., of dysentery, Mrs. M. McMasters, relict of the late Gen. Joseph McMasters, of Blairsville, aged 69 years.

ONE of the most useful inventions of the age, is "Engles' patent dust-proof arrangement" for watches. The American watch is now manufactured with this addition, thereby adding greatly to their superiority over other watches. C. T. Roberts keeps them for sale.

It may not be generally understood, but is nevertheless true, that as large a selection of dry goods can be found at J. M. Thompson's, as at any other store in town, and he also sells as cheap as the cheapest.—Call and see him.

DURING the past few years, a great amount of the wearing apparel which was manufactured proved comparatively worthless, but A. A. Barker is now offering to the citizens of this vicinity clothing of a superior quality, at reasonable rates.

MILLS & DAVIS are now comfortably ensconced in their new store room, and are offering greater inducements than ever to the public, in the shape of a large stock of dry goods, ready-made clothing, boots and shoes, groceries, &c.

WANTED!—Any number of persons to call at the cheap store of V. S. Barker and examine the ready-made clothing he is now offering to the public at greatly reduced prices. This is a rare chance to secure bargains, as he has all the latest styles.

By reference to our advertising columns, it will be seen that a full assortment of tin and sheet iron ware and stoves is kept constantly on hand at T. W. Williams' new store room. Give him a call.

GOING VERY FAST!—Ours is an age of wonderful inventions. The minds of ingenious men have brought forth machinery thereby facilitating and making labor easy, and among the rest, the blacksmith has not been forgotten; for I. C. Singer has invented a machine which makes the process of bending heavy or light tires, bands, &c., an easy and pleasant task. This machine is gauged and numbered so as to show exactly where to place the rollers, in order to bend the desired diameter. Hundreds of references can be given. To get the machine, address, R. H. Singer, Ebensburg, Pa. The rights to sell this machine in a few States remain to be disposed of. None need apply for Pennsylvania, as the inventor is doing well selling machines, and intends holding it for that purpose.

N. B.—The place to get your horse well shod, wagon tire made and general blacksmithing done is at R. H. Singer's Shop, near Isaac Evans' tannery.
