A CARD TO THE LADIES!
DR. DUPONCO'S
GOLDEN PERIODICAL PILLS
FOR FEMALES.

In correcting irregularities, removing Obstructions of the Monthly Turns, from whatever cause, and always successful as a Preventive.

It is now over thirty years since the above celebrated Pills were discovered by Dr. Duponco, of Paris, during which time they have been extensively and successfully used in most of the public institutions—as well as in private practice—of both hemispheres, with unparalleled success in every case, and it is only by the "urgent request" of the thousands of ladies who have used them that it is induced to make the Pills public for the alleviation of those suffering from any irregularity whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health—otherwise the Pills are recommended.

ONE BOX IS SUFFICIENT.
Full and explicit directions accompany each box, which must be strictly followed, and all diseases peculiar to females may be speedily cured.

Price \$1 per box; six boxes, \$5. Sold by any druggist in every town, village, city and hamlet throughout the world.

Sold in Ebensburg, Pa., by **DR. J. LOYD DRUGGIST,** P. O., can have the Pills sent (confidentially) by mail to any part of the country, free of postage.

Sold also by Roush & Taylor, Altoona; Johnson, Holloway & Cowden, Phila; Demas Barnes & Co., New York; S. D. Howe, Sole Proprietor, New York. [ap 11-ly]

A CARD—
WILMER'S BRIDGE,
LANCASTER Twp. July 30, 1860.

MESSES. EVANS AND WATSON, GENTLEMEN.
The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam B. Bar, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books, together with valuable papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 21st of July, 1860, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours
