MEMORANDA.—Scott Monroe, convicted one year ago in the Cambria county Court of larceny and sentenced to imprisonment in the Western Penitentiary for fifteen months, has been pardoned by the Governor. Thanksgiving day was pretty generally observed here. An unknown man was run over and killed by the cars near Lewistown on Saturday night. His head was entirely severed from his body. Mr. Joseph Zolner has removed his watchmaker shop to the building one door east of V. S. Barker's store. All work done by him is warranted. On Tuesday, a little daughter of Mr. Lewis Hoover, while sliding down a hill in the West Ward, had one of her legs broken near the ankle by the sled upon which she was sitting running against a tree. An alarm of fire was caused on Saturday by one of the chimneys of Crawford's Logan House burning out. The same day, Jones & Evans steam tannery, a short distance south of town, took fire, but the flames were subdued before any damage had been done. This tannery, it will be remembered, narrowly escaped destruction by fire three or four weeks ago. Eight deer were shipped from this point to the cities on Saturday. They were killed in the northern part of the county, where they are said to be very plenty. Night thieves abound in Indiana. An ox-roast, in honor of the Republican victories at the late elections, came off at Cookport, Indiana county, on the 27th ult. The Masonic fraternity of this place intend observing St. John's evening (27th instant) by a banquet. The track on the Tyrone and Earlfield railroad is laid to a point within six miles of the latter town. The store Samuel Sprinkle, in Altoona, was robbed of a considerable quantity of goods a few nights ago. A new Presbyterian church is to be built in Hollidaysburg. It will cost \$32,557. The post offices at Ebensburg and West Newton, Westmoreland county, have lately been robbed money and stamps. Thos. A. Burghs, L. L. D., of Lancaster, has been elected President of the State Agricultural College. A committee appointed the board of trustees of the college to set a farm in the western portion of the county, to be connected with the operations of the Farm School, reported in favor of purchase of one hundred and thirty acres adjoining the town of Indiana. A. Meehling, formerly of Westmoreland county, was robbed of his pocket-book, containing \$1,354, at the Union Hotel, in Pittsburgh, one day last week. A public school house is being erected in more. A fair in aid of the Vigilant Company will be held in Altoona, commencing on the 9th instant. Mr. William Goodman, the man who was run over by the cars near Huntingdon a week died on Monday. A little son of John Shriver, in Huntingdon, drank title of harnhorn on Saturday, and died from the effects of the dose. If you eat a tip-top dish of oysters, drop into the restaurant, in the west end of the Ambria House. The dwelling of Mr. Litzer, Tyrone, was burned to the ground Friday week, together with \$350 in money, which had been deposited in the safe for safe keeping. One of our subscribers, Mr. John T. Williams, of Camp, butchered a hog the other day, dined 450 pounds. It was one and three months old. Mr. John M. an has been appointed postmaster at here, this county.

BLIC SALES.—On Saturday next, at 10 o'clock, P. M., Mr. Hugh H. Hughes will, at his residence, in the West Ward, his household and personal property. Mr. H. designs removing to Missouri county of weeks.
Monday of next week, Mr. Thos. core will sell, at his residence, in the West Ward, his household property. Sale commences at 12 o'clock, M. Mr. M. emove to Pittsburgh during the 2nd month.

F. W. BROWN is agent in this for the sale of that popular titled "The History of the Secret." This work is sold by subscription. Mr. B. will canvass for subscribers, then all can avail themselves of the duty of procuring a copy.

THE HAPPY FAMILY AGAIN.

The first day of December having arrived, the Happy Family are again on the ramparts, and, like faithful sentinels, are watching the chances of picking up a situation or so in the Prothonotary's office upon the retirement of the old Prothonotary and the advent of the new. A strong contest is going on between certain of the Family as to who shall be key-carrier for the new official. Lipten decides all controversies relating to the public patronage of the Family, and it is therefore likely that the position named will be assigned to the Chairman of the Committee on Pensions and Gratuities, because as yet that individual has received no reward for the injury he did the untrifled in the late canvass. The learned County Counsel, who of late has been almost exclusively devoted to the study of Ross-co on Mercantile Affairs, also asks for the position, with his usual modesty, and there may be other applicants. How this scramble will be decided remains to be seen. I would suggest the idea of dividing the honors. Give one the key; give another charge of the ash-pan, and another charge of the broom. By this means, all might be supplied with situations.

HUMAN BODY PETRIIFIED.—Items appear from time to time, says the Lewistown Democrat, of cases of the bodies of persons who have been long dead and buried, on being raised for removal and re-interment found to be in a state of petrification—or as the word means, turned to stone—and in perfect preservation. Such was the case in the instance of the removal of the body of a child from the Presbyterian Cemetery of this place a few days ago, after a repose of thirteen years. The entire upper portion of the body from the little thighs had returned to the native "dust," nothing remaining to indicate the form of a human being, while from the thighs downward was the most perfect model of the plump, beautifully rounded limbs of a babe; everything delineated to perfection—perfect as in life,—yet solid and white as Parian marble; even the little shoes preserved upon its feet as at the closing of the little coffin thirteen years ago!

JOHNSTOWN NEWS.—A first-class job printing office is to be established in Johnstown in a week or two by Mr. George T. Swank Mr. Wm. Tibbott, formerly of Ebensburg, but for a year or two past a resident of Johnstown, has emigrated to Missouri. Noble, the miner injured in the C. I. Co.'s mines a couple of weeks since, has died. Our friend John S. Ogden has become proprietor of the Girard House, on Main-st., vice Jacob Holtzworth, bought out. Sanford's troupe of minstrels performed in Union Hall several nights last week. Wood, Morrell & Co.'s store was broken into on Saturday morning, and the watchman overpowered, but the thieves became frightened at some noise, real or imaginary, and left without stealing anything. The same night, the saloon of McDermott & Davis was broken into, but nothing was carried off.

TEACHERS' INSTITUTE.—The Cambria County Teachers' Institute will be held in Ebensburg commencing Monday, 21st inst. The Teachers' Advocate says that steps are being taken to secure an extensive, varied, and interesting course of exercises, including lectures, reports, discussions, class-drills, &c. Among those expected to be present are Hon. J. P. Wickersham, Prof. Andrew Burt, B. M. Kerr, A. M., Rev. Joseph Waugh, Prof. A. C. Johnson, and others. Excursion tickets will probably be issued on the railroad.

PROTHONOTARY.—On Tuesday, the term of Geo. C. K. Zahm, Esq., as Prothonotary of Cambria county, expired. By general consent he is admitted to have made the most efficient and accommodating officer who ever served our people. The newly elected Prothonotary, Capt. J. K. Hite, assumed the reins the same day. He is a gentleman, and thoroughly qualified to perform satisfactorily all the duties pertaining to the office. Success to both.

BASE BALL CONCERT.—We understand a grand concert will be given here, under the auspices of the Mountaineer Base Ball Club, some time during the present month—probably about Christmas. The success of these concerts last winter was so signal that we imagine it only necessary to make this announcement to secure for the proposed concert a "full house."

SENTENCE OF YOUNG DRUM.—Wm. P. Drum, convicted in the Westmoreland county Court of murder in the second degree, has been sentenced to imprisonment in the Western Penitentiary for the term of four years and six months. A strong effort for Executive clemency is being put forth by the friends of the prisoner.

LOCAL CORRESPONDENCE.

LETTER FROM CONEMAUGH—TWO PERSONS NARROWLY ESCAPE DROWNING.
CONEMAUGH, Nov. 3, 1868.

To the Editors of The Alleghenian:
Two persons narrowly escaped drowning here yesterday. There is a footwalk across the Conemaugh river in the rear of the round house of the P. R. R. Co. for foot passengers. Yesterday, about noon, a little boy named Robert Wendall, aged between 10 and 11 years, with his father and another man, were crossing this walk, when the boy fell in the river and was carried down the stream a considerable distance. He was rescued by Mr. F. Cobaugh, who brought him to shore and took him to the house of Mr. McKim, where Dr. Wilson (formerly of your town) soon restored him consciousness.

About 3 p. m. the same day, Miss Mary Glasser fell from the same walk into the river. She was brought out by your old friend Joe Henderson, formerly of the Eb. & Cresson Branch Railroad. The services of Dr. Wilson were again called into requisition, and the young lady was speedily restored.

KILLED.—Wm. Coates, a brakeman, fell off the second stock train east, near Wilmore, on Tuesday morning, and was killed. He was not missed till the train had arrived at Portage, when messengers were dispatched back to hunt him up, who found him lying by the track, considerably mutilated, and stone dead.

FIRE.—A fire occurred in Altoona on Thursday night of last week, resulting in the destruction of several buildings. The "Railroad House" was of the number. The loss is estimated at \$10,000.

THE PRIDE OF THE FAMILY
Is the accomplished daughter. Every lady must have knowledge and refinement. Central Pennsylvania has a just pride in the Hollidaysburg Seminary.

DIED.—In Ebensburg, on the 27th ult., Julia Ann Kearney, aged 50 years.
In Ebensburg, on the — ult., Margaret, wife of Edward Humphrey, aged 31 years.

CHEAP STORE.—The cheapest, largest and choicest lot of groceries in this market can always be found at M. L. Oatman's, three doors east of Crawford's hotel. It is indeed astonishing to everybody how extremely cheap goods of all kinds are sold at this establishment. New goods are received every week and delivered to customers in all parts of town. Mr. O. is also sole agent in this place for Bentley's non-explosive oil. We are glad to learn of the great favor with which it is received by all who have used it. It is destined to take the place of carbon oil ere long. Try it and you will use no other.

Ho! Ho! HA! HA!—Another new and beautiful stock of ladies' and misses' furs of every desirable style and quality just received at J. Patton Thompson's emporium of fashion. Such a fine selection of furs is seldom seen outside the manufactory. Ladies who are in want of furs will find no better nor cheaper in town. A large lot of kid and cloth gloves for ladies and gentlemen on hand and for sale cheap.

STOVES.—Throw away your old cracked stoves, and be annoyed no longer with a cold room and scolding wife, but go at once to the mammoth stove depot of Geo. Huntley, who keeps by far the largest and most complete assortment of stoves in the county. He sells very reasonable and guarantees the stoves to give entire satisfaction. Do you need one? Why not go and buy now, instead of putting it off from day to day.

CLOCKS.—Do you want a good clock—a time-keeper?

A large stock is constantly on hand and for sale at the lowest figures in the market at C. T. Roberts'. What is more convenient than a good time-keeper in the house,—the babies will cry less, grow prettier, sleep sounder and learn to say pa and ma much sooner than they otherwise would. Our word for it—Go and make a purchase.

V. S. BARKER.—If in need of anything in the dry goods, clothing, boot and shoe, or grocery line, go to V. S. Barker's to get it and thus save 20 per cent. on purchases. We desire to call especial attention to his elegant and superior stock of overcoats which were made expressly to his order and are now offered for sale at a mere trifle over and above cost. Drop in and see.

SHAWLS.—We call the attention of the ladies to the large and magnificent assortment of shawls at the fancy dry goods store of R. R. Davis. These goods are of the finest quality and the most fashionable styles, and will be disposed of astonishingly low. He has also a large variety of breakfast shawls. Go and see them.

The following is an extract from the editorial columns of the Democrat, New Bloomfield, Perry Co., Pa., and is deserving of the serious consideration of the afflicted:
HOOFLAND'S GERMAN BITTERS.—This valuable medicine has been in use in our place a long time past, and has performed wonders. We may notice a few instances that have come under our immediate notice. Almost every person who has stopped at the hotel of Wm. Lackey, Esq., one year since, predicted, from his emaciated countenance and debility, that he could not live much longer. He was unable to attend to business, and for the greater part of his time confined to his room. We recommended him to try the German Bitters, which he did, and to the surprise of all his friends and acquaintances, he now is able to attend to his usual business, and perform manual labor.

The case of Henry Asper, a stone mason, whom no one supposed would ever recover from the debility of his system, but was looked upon as fast approaching the grave, took eight or nine bottles of these Bitters during the last winter, and this summer he has been to the surprise of all who knew the case) following his trade.

The case of William Murphy is no less astonishing. He, too, was so far reduced as to induce a general belief that the grave alone would be his only remedy. Mr. Lackey induced him to try the Hoofland's German Bitters; he is now apparently, a well man, and able to do a hard day's work.

We would mention many other cases of a similar character if it were necessary. To the afflicted we say, try it fairly, and we will warrant relief.

"Hoofland's German Bitters" is entirely free from all Alcoholic admixture. Hoofland's German Tonic is used for the same diseases as the Bitters, by those preferring a preparation more stimulating. The Tonic is a composition of all the ingredients of the Bitters, to which is added pure Santa Cruz Rum, orange, anise, &c., making a remedy of rare value, and most agreeable and pleasant.

HOOFLAND'S GERMAN BITTERS

HOOFLAND'S GERMAN TONIC, The Great Remedy for all Diseases of the Liver, Stomach or Digestive Organs.
HOOFLAND'S GERMAN BITTERS
Is composed of the pure juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC
Is a combination of all the ingredients of the Bitters, with the pure quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcohol admixture, will use
HOOFLAND'S GERMAN BITTERS.
Those who have no objection to the combination of the Bitters, as stated, will use
HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disagreeable Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swelling of the Head, Harried or Difficult Breathing, Fluctuating at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, skilfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—Hoofland's German Bitters, and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Dropsy, Diarrhoea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines.
DEBILITY RESULTING FROM ANY CAUSE whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c.

PERSONS ADVANCED IN LIFE.

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.
WEAK AND DELICATE CHILDREN
Are made strong by the use of either of these remedies. They will cure every case of MARASMOUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are from men of note, and of such standing that they must be believed.

TESTIMONIALS:
Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—Philadelphia, March 16, 1867.—"I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system."

"Yours, truly, Geo. W. Woodward."
Hon. James Thompson, Judge of the Supreme Court of Pennsylvania.
PHILADELPHIA, April 28, 1866.

"I consider 'Hoofland's German Bitters' a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it."
Yours, &c.
"JAMES THOMPSON."

From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia, Pa. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I do not think, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
"J. B. KESNARD."
