ng humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, F Chronic Diarrhoen, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines.

DEBILITY RESULTING FROM ANY CAUSE whatever ; Prostration of the System, induced by Severe Labor, Hardships,

Exposure, Fever, &c.

There is no medicine extant equal to these emedies in such cases. A tone and vigor imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purihealthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE!

It is a well established fact that fully onehalf of the female portion of our population are seldom in the enjoyment of good health, or, to use their own I expression, "never teel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND DELICATE CHILDREN Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few .--Those, it will be observed, are from men of note, and of such standing that they must be believed.
