TRAGEDY IN CLEARFIELD COUNTY.—On Thursday last, David Ball stabbed Job Senease through the heart, killing him instantly. They both resided in Clearfield county, where the tragedy occurred. The particulars of the affair are related to us as follows: Ball and Senease were lumbermen. Last spring, while returning from a trip "down the river" by railroad, Senease became intoxicated, and Ball assisted the conductor to put him off the train. Senease swore revenge, threatening that if he ever met Ball he would whip him. They did not come together till Thursday last, when they met at a public sale near Glen Hope. Ball, who had heard of Senease's threats, called him aside to explain his conduct on the train; but as soon as the subject was introduced, Senease struck Ball, and a fight ensued. They were parted, and the latter, to avoid a second encounter, attempted to go away. Senease followed him, throwing stones at him....At this juncture, a third party named Baer gave Ball a knife and told him to defend himself. Ball immediately rushed upon Senease with the weapon, and stabbed him through the heart. Ball and Baer were arrested. The deceased leaves a wife and four small children.

THE DRUM-MOHEGAN HOMICIDE.—David Mohegan was a sort of weak-minded man who lived in Greensburg. He was the standing butt of the young men of that place, and jokes innumerable were perpetrated at his expense. On the night of the 25th of June last, a party tormented him till he lost his temper, and he made a violent onslaught on the crowd. During the fracas, he received a severe cut in the side from a knife in the hands of William Drum. He died the following morning. The trial of Drum on the charge of murder came off before the Westmoreland county Court last week, Hon. Daniel Agnew presiding. After a trial of four days, the jury returned a verdict of "guilty of murder in the second degree."

DIRECTORS OF THE POOR.—Mr. Christian Snyder, the newly elected Director of the Poor, has been sworn in and taken his seat in the board. He displaces Mr. Joseph D. Bailey. The board is now composed of the following members: Messrs. Henry Dyer, of Carroll tp., John D. Thomas, of Ebensburg, and Christian Snyder, of Jackson tp.

WEIGH SCALES.—The weigh scales used in Ebensburg for a score of years past were probably in the beginning reliable; but of late they have been practically worthless. The common method of using them was to ascertain by them the weight of a given article, and then guess how far wrong the answer was. We are glad to announce that this old relic has just been superseded by scales of late and improved construction, warranted to weigh correctly. They are located in a central and eligible position, on High street, immediately in front of Shoemakers' store. On Thursday last, the Town Council elected Mr. R. R. Thomas weighmaster, and he has entered upon the discharge of the duties of the position. The provisions of the ordinance relating to the scales will be rigidly enforced, and as matter of general information we subjoin the ordinance entire: Sec. 1.—It shall be the duty of the weighmaster to weigh all hay, coal, or live stock, or such other articles or things as may be presented for that purpose at the weigh-scales of the borough, and to furnish a proper and numbered certificate of the quantity in weight or bushels of the article or thing weighed to the party having the same weighed, and when the name of the purchaser can be ascertained his name shall be inserted in the certificate. Sec. 2.—No person shall be permitted to sell or deliver any hay or coal within the limits of the borough, in carts, wagons, sleds or other vehicles, until the same shall have been weighed upon the borough scales, and the number of pounds or bushels as the case may be in each load, duly ascertained by the weighmaster; and if any person shall sell or receive payment for any load of coal or hay not so weighed and the weight or bushels thereof so ascertained, or being receiving a certificate thereof from the weighmaster, or having received such certificate shall sell or deliver any such load of coal or hay, or other article weighed, it shall be his duty to make a suitable deduction on account thereof, as also for any undue moisture in hay or other article weighed. If any person shall present or make use of a false certificate, or of one issued on some other load than that on which it is fraudulently used, he shall pay a fine of not less than five nor more than twenty dollars. Sec. 3.—It shall be the duty of the weighmaster to keep the borough weigh scales and scales in good order and repair. If mud, dirt, or other extraneous substances shall adhere to any vehicle weighed, it shall be his duty to make a suitable deduction on account thereof, as also for any undue moisture in hay or other article weighed. If any person shall present or make use of a false certificate, or of one issued on some other load than that on which it is fraudulently used, he shall pay a fine of not less than five nor more than twenty dollars. Sec. 4.—The following shall be the rate of charges by the weighmaster: Load of coal drawn by one horse.....10c. " " " " two horses.....15c. " " " " three horses.....20c. Live stock per cwt., (provided that no draft shall be for less than 20c.).....02c. Hay or straw per 1,000 pounds or over.....20c. " " " " less than 1,000 pounds.....20c.

A SPLIT TICKET.—The Hollidaysburg Register says that some dissatisfied member of the untiered Democracy in Greenfield township, Blair county, cut his electoral ticket in the middle and voted the upper half! Probably he was an Irishman, and didn't like Blair's former Know Nothingism and Finnegan speech; or, he may have been a temperance man from principle, and took this plan to prove his love of temperance and his opposition to the "main strength" of his party; or, he may have been a copperhead, and in this way voted to show his dislike to any one who fought in the Union ranks. At any rate, he didn't like Blair.

WESTON.—This celebrated pedestrian, as will be seen by a paragraph elsewhere, will shortly undertake the task of walking from Bangor, Me., to St. Paul, Minn., and back to New York city—5,000 miles—within 100 consecutive days. On his return trip, he will pass through Ebensburg—probably about the latter part of February.

GRAND CIRCULAR HUNT.—On Sunday afternoon last, eleven men and three dogs succeeded in hunting down and killing a squirrel that had the temerity to appear in the streets of our borough.

CARDS, circulars, &c., printed to order at this office.

LOCAL CORRESPONDENCE. LETTER FROM JOHNSTOWN.—A STRANGER SWINDLES THE FIRST NATIONAL BANK OUT OF FIFTY DOLLARS, AND IS AFTERWARD BROUGHT TO GRIEF—CHAPTER OF ACCIDENTS—RELIGIOUS ITEMS, &c., &c. JOHNSTOWN, Nov. 16, 1868. To the Editors of The Alleghanian: A young man named C. B. Gavitt, who represented himself as an agent for the hoop skirt house of Judy Levi, of Philadelphia, presented a check for \$50 on Mr. Levi at the First National Bank in this place. The check was cashed; but Mr. Roberts, the cashier, suspecting all was not right, telegraphed to Mr. Levi on the subject, and received answer that Gavitt was an imposter. He was forthwith arrested, and Mr. Roberts got his money back. Daniel McLaughlin, an employee of the Cambria Iron Co., had one of his feet badly crushed the other day by a large lump of ore falling upon it while engaged in filling carts at the blast furnaces of the Company. Two men, named David Bee and John Noble, were seriously injured on Saturday last by the premature explosion of a blast in a mine. Noble had half of his face blown off, and is not expected to survive. Bee will recover. A man named Lake, residing in Woodvale, while excavating a cellar, was seriously injured on Saturday evening by a mass of earth falling upon him. On Sunday last, the rite of confirmation was administered to some two hundred children at St. John's church, this place, by Rev. Bishop Demence, of Pittsburg. A procession of the children confirmed took place Sunday afternoon. Some 150 of them, dressed in white, marched through the streets, followed by the Johnstown Silver Band, the St. Peter's Society of St. John's church, the St. Matthew's societies of Cambria and Johnstown boroughs, and several clergymen on foot and the Bishop and three clergymen in a carriage. It was an interesting spectacle. The corner-stone of the new German Catholic church was laid the afternoon of the same day by the Rev. Bishop, assisted by other clergymen. The suspension bridge connecting Cambria and Millville boroughs will soon be completed. Dio.

CULTURE. Makes the difference between the gentleman and the boor, the lady and the drudge. A pupil in the Hollidaysburg Seminary has a pleasant home and excellent instruction.

CONTINENTAL VOCALISTS.—This famous troupe sang to crowded houses here Saturday and Monday evenings. Tuesday and Wednesday evenings they sang in Johnstown.

WE advise all young people who intend going from home to school to go to the State Normal School at Edinboro. It is cheap, thorough, and practical.

WATCHES, JEWELRY, &c.—The magnificent display of watches, jewelry, &c., now in store at C. T. Roberts', is beyond comparison. Having received another lot of goods last week, he now boasts of having the best assortment of jewelry in the county. For variety, style, beauty and elegance, his goods are unsurpassed. Among his selection we find a superior quality of gold and silver watches, gold and silver chains, gold and silver spectacles, sleeve-buttons, finger-rings and gold pens in endless variety, and at exceedingly low figures. In a word, if you do not want ten cent jewelry palmed off to you as genuine, buy from C. T. Roberts'. A word to the wise is sufficient.

WISHES OF LADIES.—First, a husband; second, a fortune; third, a baby; fourth, a trip to Europe; fifth, a better looking dress than any of her neighbors; sixth, to be well buttered with flattery; seventh, to have nothing to do in particular; eighth, to be handsome; ninth, to buy her goods where they are the latest and most fashionable; tenth, in order to dress neat and fashionable, you must buy from J. Patton Thompson, who sells very cheap. Go and be convinced.

"KEEP THE BALL ROLLING."—It is well started, and is gathering force and momentum every day. The grand throngs which marked the "Opening" a month ago have become a permanent institution, and the New York Dry Goods and Millinery Store is crowded every day with people who desire to reap the benefits of Leopold Mayer's preparations for the trade of the present season. Store room in Parke's Hall, Johnstown.

GOOD ADVICE.—The light of spring was coming fast, As through our quiet village past A youth who bore amid snow and ice A banner with this good advice, Go to Huntley's to buy all manner of hardware, groceries, &c., &c. It should also be borne in mind that he keeps the largest stock of stores in town.

WHILE in town, reader, we suggest that you make a point to visit the store of A. Barker & Son, and examine their immense stock of goods. Such a complete stock is rarely found in this section of country. We advise you to go and see their goods before buying elsewhere, or you may lose a bargain.

SATISFACTION GUARANTEED.—If there is one place more than another where customers are better satisfied with their purchases, it is at the Oak Hall Clothing Store of Leopold & Bro., Johnstown. They feel satisfied they can please one and all in quality and price. They sell decidedly cheaper than any similar establishment in Johnstown. Drop in and see.

TINWARE, &c.—A great variety of tinware of every description may always be found at Thos. W. Williams' cheap store.—In the hardware line may be found every thing necessary to complete a well regulated hardware store. He also has for sale the Rustic window shade, the best invention of the age.

CHEAP STORE.—When in want of a bargain in dress goods, clothing, boots or shoes, don't forget to call at R. R. Davis', where a large and elegant assortment of all kind of goods are always to be found.—Goods sold at city prices for cash.

WORTH CONSIDERING.—It is a fact not to be denied that in quantity, quality and style, V. S. Barker's stock of boots and shoes, ladies' and misses' gaiters and polish boots, children's and infants' boots and shoes, cannot be surpassed by any house in town.

HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC. The Great Remedy for all Diseases of the Liver, Stomach or Digestive Organs. HOOFLAND'S GERMAN BITTERS Is composed of the pure juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Berries, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases: Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swimming of the Head, Buried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merits, is skilfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—Hoofland's German Bitters, and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines. DEBILITY RESULTING FROM ANY CAUSE whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, a beneficent that will instill life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE! It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND DELICATE CHILDREN Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Therefore, it will be observed, are from men of note, and of such standing that they must be believed.

TESTIMONIALS: Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—"Philadelphia, March 16, 1867.—I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system."

"Yours, truly, GEO. W. WOODWARD." Hon. James Thompson, Judge of the Supreme Court of Pennsylvania, writes:—"PHILADELPHIA, April 28, 1866. 'I consider Hoofland's German Bitters a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, &c. JAMES THOMPSON.'"

From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, "J. H. KENNARD."

CAUTION Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeit. Principal Office, and Manufactory at the German Medicine Store, No. 63 ARCH-ST., PHILADELPHIA, PA. CHARLES M. EVANS, Proprietor. Formerly C. M. JACKSON & Co.
