MEMORANDA.—Scott Monroe, convicted one year ago in the Cambria county Court of larceny and sentenced to imprisonment in the Western Penitentiary for fifteen months, has been pardoned by the Governor. Thanksgiving day was pretty generally observed here. An unknown man was run over and killed by the cars near Lewisport on Saturday night. His head was entirely severed from his body. Mr. Joseph Zolner has removed his watchmaker shop to the building one door west of V. S. Barker's store. All work done by him is warranted. On Tuesday, a little daughter of Mr. Lewis Hoover, while sliding down a hill in the West Ward, had one of her legs broken near the ankle by the sled upon which she was sitting turning against a tree. An alarm of fire was caused on Saturday by one of the chimneys of Crawford's Logan House getting out. The same day, Jones & Sons' steam tannery, a short distance east of town, took fire, but the flames were subdued before any damage had been done. This tannery, it will be remembered, narrowly escaped destruction by fire one or four weeks ago. Light deer were trapped from this point to the cities on Sunday. They were killed in the northern part of the county, where they are said to be very plenty. Night thieves were reported in Indiana. An ox-roast, in honor of the Republican victories at the late national election, was held at Cookport, Indiana, on the 27th ult. The Masonic fraternity of this place intend observing John's evening (27th instant) by a banquet. The track on the Tyrone and Warfield railroad is laid to a point within five miles of the latter town. The store of Samuel Sprinkle, in Altoona, was robbed of a considerable quantity of goods a few nights ago. A new Presbyterian church is to be built in Hollidaysburg, and will cost \$32,557. The post offices at Hollidaysburg and West Newton, Westmoreland county, have lately been robbed by thieves and stamps. Thos. A. Burns, L. D., of Lancaster, has been elected President of the State Agricultural College. A committee appointed by the board of trustees of the college to visit the western portion of the State, will be connected with the operations of the Farm School, reported in favor of the purchase of one hundred and thirty adjoining the town of Indiana. A man, formerly of Westmoreland county, was robbed of his pocket watch containing \$1,354, at the Union Hotel in Pittsburgh one day last week. A public school house is being erected in Altoona. A fair in aid of the Vigilant Committee will be held in Altoona, commencing on the 9th instant. Mr. Geo. Woodman, the man who was run over by the cars near Huntingdon a week ago on Monday. A little son of John Sharpe, in Huntingdon, drank a quantity of whiskey on Saturday, and died of the effects of the dose. If you get a top-dish of oysters, drop into a restaurant, in the west end of the city. The dwelling of Mr. Geo. Tyrone, was burned to the ground last week, together with \$350 in money which had been deposited in the safe keeping. One of our subscribers, Mr. John T. Williams, of Cambria, has purchased a hog the other day for 450 pounds. It was one month and six months old. Mr. John M. Brown has been appointed postmaster at this county.

On Saturday next, at 12 o'clock, Mr. Hugh H. Hughes, at his residence, in the West Ward, designs removing to Missouri. The next week, Mr. Thos. Brown will sell, at his residence, in the West Ward, his household property. Sale commencing at 12 o'clock. Mr. M. Brown is agent in this county for the sale of that popular work, "The History of the Secret Society." Everybody should procure a copy. It will contain for subscription all can avail themselves of the opportunity of procuring a copy.

On Tuesday, the term of Geo. C. K. Zahn, Esq., as Prothonotary of Cambria county, expired. By general consent he is admitted to have made the most efficient and accommodating officer who ever served our people. The newly elected Prothonotary, Capt. J. K. Hite, assumed the reins the same day. He is a gentleman, and thoroughly qualified to perform satisfactorily all the duties pertaining to the office. Success to both.

BASE BALL CONCERT.—We understand a grand concert will be given here, under the auspices of the Mountaineer Base Ball Club, some time during the present month—probably about Christmas. The success of these concerts last winter was so signal that we imagine it only necessary to make this announcement to secure for the proposed concert a "full house."

SENTENCE OF YOUNG DRUM.—Wm. P. Drum, convicted in the Westmoreland county Court of murder in the second degree, has been sentenced to imprisonment in the Western Penitentiary for the term of four years and six months. A strong effort for Executive clemency is being put forth by the friends of the prisoner.

THE HAPPY FAMILY AGAIN.—The first day of December having arrived, the Happy Family are again on the ramparts, and, like faithful sentinels, are watching the chances of picking up a situation or so in the Prothonotary's office upon the retirement of the old Prothonotary and the advent of the new. A strong contest is going on between certain of the Family as to who shall be key-carrier for the new official. Lipton decides all controversies relating to the public patronage of the Family, and it is therefore likely that the position named will be assigned to the Chairman of the Committee on Pensions and Gratuities, because as yet that individual has received no reward for the injury he did the unfettered in the late canvass. The learned County Counsel, who of late has been almost exclusively devoted to the study of Ross-co on Mercantile Affairs, also asks for the position, with his usual modesty, and there may be other applicants. How this scramble will be decided remains to be seen. I would suggest the idea of dividing the honors. Give one the key; give another charge of the ash-pan, and another charge of the broom. By this means, all might be supplied with situations. REX.

HUMAN BODY PETRIIFIED.—Items appear from time to time, says the Lewisport Democrat, of cases of the bodies of persons who have been long dead and buried, and being raised for removal and re-interment found to be in a state of petrification—or, as the word means, turned to stone—and in perfect preservation. Such was the case in the instance of the removal of the body of a child from the Presbyterian Cemetery of this place a few days ago, after a repose of thirteen years. The entire upper portion of the body from the little thighs had returned to the native "dust," nothing remaining to indicate the form of a human being, while from the thighs downward was the most perfect model of the plump, beautifully rounded limbs of a babe; everything delineated to perfection—perfect as in life,—yet solid and white as Parisian marble; even the little shoes preserved upon its feet as at the closing of the little coffin thirteen years ago!

JOHNSTOWN NEWS.—A first-class job printing office is to be established in Johnstown in a week or two by Mr. George T. Swank. Mr. Wm. Tibbott, formerly of Ebensburg, but for a year or two past a resident of Johnstown, has emigrated to Missouri. Noble, the miner injured in the C. I. Co.'s mines a couple of weeks since, has died. Our friend John S. Ogden has become proprietor of the Girard House, on Main-st., vice Jacob Holtzworth, bought out. Sanford's troupe of minstrels performed in Union Hall several nights last week. Wood, Morrell & Co.'s store was broken into on Saturday morning, and the watchman overpowered, but the thieves became frightened at some noise, real or imaginary, and left without stealing anything. The same night, the saloon of McDermott & Davis was broken into, but nothing was carried off.

LOCAL CORRESPONDENCE. LETTER FROM COENEAUGH.—TWO PERSONS NARROWLY ESCAPE DROWNING. COENEAUGH, Nov. 3, 1868. To the Editors of The Alleghenian: Two persons narrowly escaped drowning here yesterday. There is a footwalk across the Conemaugh river in the rear of the round house of the P. R. R. Co. for foot passengers. Yesterday, about noon, a little boy named Robert Wendall, aged between 10 and 11 years, with his father and another man, were crossing this walk, when the boy fell in the river and was carried down the stream a considerable distance. He was rescued by Mr. F. Colough, who brought him to shore and took him to the house of Mr. McKim, where Dr. Wilson (formerly of your town) soon restored him consciousness. About 3 p. m. the same day, Miss Mary Glasser fell from the same walk into the river. She was brought out by your old friend Joe Henderson, formerly of the Eb. & Cresson Branch Railroad. The services of Dr. Wilson were again called into requisition, and the young lady was speedily restored.

KILLED.—Wm. Coates, a brakeman, fell off the second stock train east, near Wilmore, on Tuesday morning, and was killed. He was not missed till the train had arrived at Portage, when messengers were dispatched back to hunt him up, who found him lying by the track, considerably mutilated, and stone dead.

FIRE.—A fire occurred in Altoona on Thursday night of last week, resulting in the destruction of several buildings. The "Railroad House" was of the number. The loss is estimated at \$10,000.

THE PRIDE OF THE FAMILY. Is the accomplished daughter. Every lady must have knowledge and refinement. Central Pennsylvania has a just pride in the Hollidaysburg Seminary.

DEED.—In Ebensburg, on the 27th ult. Julia Ann Kearney, aged 50 years. In Ebensburg on the — ult., Margaret, wife of Edward Humphrey, aged 31 years.

CHEAP STORE.—The cheapest, largest and choicest lot of groceries in this market can always be found at M. L. Oatman's, three doors east of Crawford's hotel. It is indeed astonishing to everybody how extremely cheap goods of all kinds are sold at this establishment. New goods are received every week and delivered to customers in all parts of town. Mr. O. is also sole agent in this place for Bentley's non-explosive oil. We are glad to learn of the great favor with which it is received by all who have used it. It is destined to take the place of carbon oil ere long. Try it and you will use no other.

HO! HO! HA! HA!—Another new and beautiful stock of ladies' and misses' furs of every desirable style and quality just received at J. Patton Thompson's emporium of fashion. Such a fine selection of furs is seldom seen outside the manufactory. Ladies who are in want of furs will find no better nor cheaper in town. A large lot of kid and cloth gloves for ladies and gentlemen on hand and for sale cheap.

STOVES.—Throw away your old cracked stoves, and be annoyed no longer with a cold room and scolding wife, but go at once to the mammoth stove depot of Geo. Huntley, who keeps by far the largest and most complete assortment of stoves in the county. He sells very reasonable and guarantees the stoves to give entire satisfaction. Do you need one? Why not go and buy now, instead of putting it off from day to day.

HAVE YOU?—Reader, have you ever visited A. A. Barker & Son's variety store, two doors east of the bank? If you have not, you cannot be said to be well posted as to where goods are sold very cheap; and besides their variety and quantity of goods exceed that of any other store in the county. The extremely low prices of this store are worthy the consideration of those who want bargains.

SOMETHING NEW.—Glad news to the housekeeper. Joy to the world. Everybody will be delighted to learn that Thos. W. Williams has purchased the right to sell Russell's Broiling Iron, a new and novel invention. There are many advantages claimed for this over the old method of broiling steak, &c., which will readily be perceived upon examination of the article. They are very cheap and will speak for themselves upon trial.

WINTER CLOTHING.—Many persons defer ordering their winter garments until the last moment, and then wait them almost instantly. We advise all such to visit the popular Oak Hall Clothing Store of Leopold & Bro., Main-st., Johnstown, where they will find a magnificent stock of ready-made garments to select from, got up in choicest style from handsome material. Fits to please all, and prices to suit the times.

GREAT RUSH.—The great rush to the New York Dry Goods and Millinery Store of L. Mayer continues night and day, and goods are being disposed of regardless of cost. It is a fact not to be denied that he is selling not only the latest and most fashionable goods worn, but the cheapest and best of the market affords. Ladies, drop in and see the beautiful styles of millinery goods just received.

CLOCKS.—Do you want a good clock—a time-keeper? A large stock is constantly on hand and for sale at the lowest figures in the market at C. T. Roberts'. What is more convenient than a good time-keeper in the house,—the babies will cry less, grow prettier, sleep sounder and learn to say pa and ma much sooner than they otherwise would. Our word for it—Go and make a purchase.

V. S. BARKER.—If in need of anything in the dry goods, clothing, boot and shoe, or grocery line, go to V. S. Barker's to get it and thus save 20 per cent. on purchases. We desire to call especial attention to his elegant and superior stock of overcoats which were made expressly to his order and are now offered for sale at a mere trifle over and above cost. Drop in and see.

SEAWALS.—We call the attention of the ladies to the large and magnificent assortment of shawls at the fancy dry goods store of R. B. Davis. These goods are of the finest quality and the most fashionable styles, and will be disposed of at astonishingly low. He has also a large variety of breakfast shawls. Go and see them.

The following is an extract from the editorial columns of the Democrat, New Bloomfield, Perry Co., Pa., and is deserving of the serious consideration of the afflicted: HOOFLAND'S GERMAN BITTERS.—This valuable medicine has been in use in our place a long time past, and has performed wonders. We may notice a few instances that have come under our immediate notice. Almost every person who has stopped at the hotel of Wm. Lackey, Esq., one year since, predicted, from his emaciated countenance and debility, that he could not live much longer. He was unable to attend to business, and for the greater part of his time confined to his room. We recommended him to try the German Bitters, which he did, and to the surprise of all his friends and acquaintances, he now is able to attend to his usual business, and perform manual labor. The case of Henry Apter, a stone mason, whom no one supposed would ever recover from the debility of his system, but was looked upon as fast approaching the grave, took eight or nine bottles of these Bitters during the last winter, and this summer he has been (to the surprise of all who knew the case) following his trade. The case of William Murphy is no less astonishing. He, too, was so far reduced as to induce a general belief that the grave alone would be his only remedy. Mr. Lackey induced him to try the Hoofland's German Bitters, he is now apparently, a well man, and able to do a hard day's work. We would mention many other cases of a similar character if it were necessary. To the afflicted we say, try it fairly, and we will warrant relief. "Hoofland's German Bitters" is entirely free from all Alcoholic admixture. Hoofland's German Tonic is used for the same diseases as the Bitters, by those preferring a preparation more stimulating. The Tonic is a composition of all the ingredients of the Bitters, to which is added pure Santa Cruz Rum, orange, anise, &c., making a remedy of rare value, and most agreeable and pleasant. Principal Office, 631 Arch St., Philadelphia, Pa. Sold everywhere by Druggists and others.

I once more return my sincere thanks to my old friends and customers for their liberal patronage extended towards me, and now, owing to the great fall in prices, by which many articles can be sold as cheap as before the war, and having a thorough knowledge of the business and the wants of the public, I take pleasure in announcing that I can and will sell goods at a less figure than any similar establishment in city or country. My stock will consist in part as follows: DOOR AND CUPBOARD LOCKS, CATCHES, BOLTS, DINGERS, SCREWS, WINDOW SPRINGS, SHUTTER HINGES, WINDOW GLASS, NAILS, PUTTY, BORING MACHINES, AUGERS, CHISELS, BRACES AND BITS, HATCHETS, SQUARES, COMPASSES, TRY SQUARES, BEVELS, POCKET RULES, JACK, SMOOTHING, AND FOR PLANES, PANEL PLOWS, LEVELS, SASH, RAISING, AND MATCH PLANES, SAW SETS, BENCH SCREWS, CROSS-CUT, PANEL, RIP, COMPASS, AND BACK SAWS, GAUGES, OIL STONES, SCREW DRIVERS, PLOWS, POINTS, SHOVELS, FORKS, SCYTHES AND SNATHES, RAKES, BOES, SPADES, SHEEP SHEARS, HORSEBRUSHES, CARDS, CURRY COMBS, BELLS, HAMES, WHIPS, BUT, TRACE, BREAST, HALTER, FITT, TONGUE, AND LOG CHAINS, RIFLES, SHOT GUNS, REVOLVERS, AND PISTOLS, CARTRIDGES, POWDER, SHOT, CAPS, LEAD, POUCHES, POWDER FLASKS, GAME BAGS, GUN LOCKS, MAIN SPRINGS, PIVOTS, &c., LAMPS AND OILS, COOKING, PARLOR, & HEATING STOVES, TIN AND SHEET IRON WARE, WASHING MACHINES, AND WINGERS, &c., &c., &c., &c., &c., &c. Also—FLOUR, TEA, COFFEE, SUGAR, &c. TOBACCO AND CIGARS. Odd Stone Plates, Grates, and Fire Brick always on hand to suit Stoves sold by me. Well and Cotton Pumps and Tubing at manufacturers' prices. Spouting made, painted, and put up, at low rates. Persons owing me debts of long standing will confer a favor by calling and paying up as soon as convenient, as it takes a great deal of money to keep up my stock and pay expenses, and owing to the small profits that I am making on goods I cannot afford to give long credit—the interest would soon eat up the profits. HOOFLAND'S GERMAN BITTERS HOOFLAND'S GERMAN TONIC. The Great Remedies for all Diseases of the Liver, Stomach or Digestive Organs. HOOFLAND'S GERMAN BITTERS is composed of the pure juices (as they are medicinally termed, Extracts) of Roots, Herbs, and Berries, making a preparation highly concentrated, and entirely free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public. Those preferring a Medicine free from Alcoholic admixture, will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the continuation of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable. The stomach, from a variety of causes, such as indigestion, Dyspepsia, Nervous Debility, &c., is very apt to have its functions deranged. The Liver, sympathizing as closely with it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases: Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Digestive Tor Food, Fulness or Weight in the Stomach, Sour Eructations, Sickness or Burping at the exit of the Stomach, Straining of the Head, Headed or Difficult Breathing, Flitting at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dizziness, Stinging or Burning pain in the Head, Dificulty of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc. Scalding Flashes of Heat, Burning in the Throat, Constant Imaginations of Evil, and great depression of Spirits. The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which is assured from his investigations and inquiries, possesses true merit, skilfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those reliable Remedies—Hoofland's German Bitters and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA. Thirty years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public. These Remedies will efficaciously cure Liver Complaint, Jaundice, Dropsical, Chronic or Nervous Debility, Chronic Diarrhoea, Disease of the Kidneys, small Disorders arising from a disordered Liver, Stomach or Intestines. RELIEVE RESULTING FROM ANY CAUSE whatever; Stricture, Labor, Hemorrhoids, Exposure, Fever, &c. There is no medicine extant equal to these Remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is condensed from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being. PERSONS ADVANCED IN LIFE, And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will install new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years. NOTICE! It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of persons the Bitters, or the Tonic, is especially recommended. WEAK AND DELICATE CHILDREN Are made strong by the use of either of these Remedies. They will cure every case of NERVOUSNESS, without fail. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are from men of note, and of such standing that they must be believed. TESTIMONIALS: Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes—Philadelphia, March 16, 1867.—"I find Hoofland's German Bitters is a good tonic, useful in diseases of the Digestive organs, and of great benefit in cases of Debility, and want of nervous action in the system." "Yours, truly, Geo. W. Woodward." Hon. James Thompson, Judge of the Supreme Court of Pennsylvania. PHILADELPHIA, April 26, 1866. "I consider Hoofland's German Bitters a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can testify this from my experience of it." Yours, &c. "JAMES THOMPSON." From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but generally, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, "J. B. KENNARD." CAUTION. Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeit.
