MEMORANDA.—The total number of militia enrolled in Cambria county for 1868 was 2,416. A boy in Mifflin county broke his collar-bone the other day, while wrestling. Mrs. Catharine Weaver, of Allegheny Furnace, Blair county, has suffered for the last six years with a very severe pain in one foot. On Friday morning week, she awakened with a sharp, stinging pain in her thigh, and upon examination a long cambric needle was discovered and extracted. Where the needle originally came from is a mystery. Some adroit mail robber purloined the through pouch from Philadelphia to Hollidaysburg, at Altoona, on Friday evening week, and rifled it. It contained only about ten letters, and the robber did not therefore get much for his trouble. The Huntingdon county agricultural society has resolved to hold a fair next fall. The total number of miles of railroad in Cambria county is 38. Weston, the pedestrian, started on his 5,000 miles walk from Bangor, Me., on the 19th. The name of Spang's Mills P. O., Blair county, has been changed to Roaring Spring. The last Huntingdon county Court tried only one criminal case. A brakeman on the P. R. R. named Niedig slipped from the cars and was dragged several miles, at Rockville, on Friday week. When found, he was stone dead. The editor of the Altoona Indicator is informed by somebody that there is in the Blair county Poor House a girl who has a living snake in her stomach. The reptile has on several occasions protruded its head and neck from the girl's mouth to the extent of four or five inches, as several witnesses testify. She is afflicted with choking fits, which is not much wonder if the foregoing be true. The whole number of pupils in the Pennsylvania Asylum for the Blind on the 1st December last was 179. A large eagle was lately caught in a trap near Lock's Mills, Mifflin county. A quantity of slate fell from Mr. Daniel Beck, while he was digging coal, at Irwin station, smashing his left leg and left hand to such an extent as to render amputation necessary. James Howell, of Fall River, Mass., fell from a passenger train at New Florence, Thursday night week, and was run over by a freight train. He was badly hurt. The prisoners confined in the Westmoreland county jail attempted to break out on Wednesday last, but failed. A State Temperance convention will be held in Harrisburg on Tuesday, February 23d, next. Churches, Sunday schools, temperance societies, &c., are requested to send delegates. The second base ball concert, we understand, will come off in the Court House some time during the latter part of February next. The list of jurors for the March term of the Cambria county Courts will be found on the first page of this paper. Our Washington correspondent makes mention of a banquet tendered to Hon. John Scott, in that city, by Hon. J. Morrell. Mr. Scott was accompanied on his way to Washington as far as Harrisburg by a large delegation of his Huntingdon neighbors, irrespective of party, and on his return home was made the recipient of a public serenade. R. L. Johnston, Esq., this week returns from the township of the Ebensburg Freeman. A little boy named Myers was bitten on the hand by a rabid cat, in Huntingdon county, about a month ago, and on the 23d inst. died of hydrophobia. See the record of Mr. John Crouse, wholesale dealer in foreign and domestic wines and liquors, at Ebensburg. Mr. C.'s stock is very large, and his prices are very low. The people of this section have enjoyed two months' continuous fighting.

A GOOD PAPER.—The Pittsburg Gazette is not simply the oldest paper in West Pennsylvania, but among the very best in the entire country. It is true that the sensational line it is not the equal of some others, but its news is always fresh and trustworthy, and for ability it has very few equals. Its price is very low. Address Gazette, Pittsburg, Pa.

REPORT OF THE AUDITOR GENERAL.—We have received the Report of the Auditor General of the Commonwealth for the year ending November 30, 1868. The Revenue of the Commonwealth derived from Cambria county during the year we compile below, as also the Expenditures of the Commonwealth in behalf of the county for the same period.

Table with columns for Revenue and Expenditures. Revenue includes Tax on Corporation Stocks, Tax on Personal Property, Tax on Loans, etc. Expenditures include Pensions and Gratuities, Common Schools, etc.

BANQUETS.—On Friday evening last, the Odd Fellow fraternity of this place celebrated the eighteenth anniversary of the organization of their lodge by giving a grand supper in their lodge room. It was attended by a very large number of the brothers, accompanied by their wives and daughters, and we understand the affair was a success in every respect.

LEGISLATIVE.—In the lower House at Harrisburg, Mr. Porter, of Cambria, has introduced a bill providing for an increased compensation for the commissioners and auditors of Cambria county. Mr. Brown, of Huntingdon, has introduced a bill authorizing the Cambria Iron Company to increase its capital stock to five millions, to acquire additional lands, and change its name to Cambria Iron, Coal and Steel Company.

FIRE IN ALTOONA.—The freight car repair shops of the Pennsylvania R. R. Company in Altoona, together with fifteen cars which were undergoing repairs, were entirely destroyed by fire on Thursday night of last week. The shops consisted of two frame buildings, with a capacity for about thirty cars. Owing to the combustible character of the buildings and of the material in them, the flames spread very rapidly, and all efforts were unavailing to save either the buildings or their contents. The loss is estimated at about \$25,000.

On the Thursday night preceding this conflagration, a building belonging to Mr. T. W. Marriott was discovered to be on fire, but the flames were speedily extinguished. On the Saturday following, the lumber yard of the P. R. R. Co. was discovered to be on fire, but it was put out before any damage had been done. The frequent recurrence of fires in Altoona forces the conviction that that city is cursed by an organized band of incendiaries, intent on destruction and pillage.

DIED.—In Latrobe, on Thursday night last, Rev. N. H. Gillett, pastor of the Latrobe and Pleasant Unity (Westmoreland county) Presbyterian churches, aged about 70 years. The deceased had been a minister of the Gospel for fifteen or twenty years, and was loved and respected by all who knew him.

HOFFLAND'S GERMAN BITTERS

HOFFLAND'S GERMAN BITTERS. The Great Remedy for all Diseases of the Liver, Stomach or Digestive Organs.

HOFFLAND'S GERMAN BITTERS. Is composed of the purest (such as they are medicinally termed, Extracts of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.

HOFFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters, as stated, will use HOFFLAND'S GERMAN BITTERS. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

HOFFLAND'S GERMAN BITTERS. The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, skillfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases.

HOFFLAND'S GERMAN BITTERS. Persons advanced in life, and feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

HOFFLAND'S GERMAN BITTERS. It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

HOFFLAND'S GERMAN BITTERS. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeits. Principal Office, and Manufactory at the German Medicine Store, No. 63: ARCH-ST., Philadelphia, Pa. CHARLES M. EVANS, Proprietor. Formerly C. M. JACKSON & Co.
