**L. LANGSTROTH'S PATENT MOVABLE COMB BEE HIVE!**  
Pronounced the best ever introduced in this county or State. Any person buying a family right can have their Bees transferred from an old box to a new one. In every instance in which this has been done the result has been entirely satisfactory, and the first take of honey has invariably paid all expenses, and frequently exceeded them. Proof of the superior merits of this invention will be found in the testimony of every man who has given it a trial, and among the number are the gentlemen named below, and their experience should induce every one interested in Bees to  
**BUY A FAMILY RIGHT!**  
Henry C. Kirkpatrick, of Carroll township, took 100 pounds of surplus honey from two hives, which he sold at 35 cents per pound.  
Adam Deitrich, of Carroll township, took from two hives 140 pounds of surplus honey, which he sold at 35 cents per pound.  
Jacob Kirkpatrick, of Chest township, took 60 pounds of surplus honey from one hive.  
Jacob Kirkpatrick, of Chest township, obtained 72 pounds of surplus honey from one hive, worth not less than \$21, and the right cost him only \$5.  
Peter Campbell from one hive obtained 35 pounds of surplus honey at one time.  
Quite a number of similar statements, authenticated by some of the best citizens of Cambria county, could be obtained in proof of the superior merits of Langstroth's Patent Movable Comb Bee Hive.  
Persons wishing to purchase family rights should call on or address
