M. B. B. FAIR .- We are informed that stored, one of our distinguished citizens, a retired iron man, arose to second the nompices of the Mountaineer Base Ball Club ination of Gen. White. He performed in Zahm's Hall, High street, commencing his part with grace and ease. But about Monday evening next, and continuing this time there arose, very deliberately, our throughout the week. A large number of keen, handsome, and active young merchant doing business under the First National Bank building, who proposed the name of our able and distinguished Representative in Congress. At this, the whole meeting, with a few exceptions, arose to their feet. Now, a struggle occurred between our retired iron man and our keen young merchant to be heard .-The floor was allotted to the latter, when he called the aitention of the meeting to the fact that he really saw no cause for all the intense feeling manifested, and stated very forcibly that the least said would be the easiest mended. Both the senior justice and the retired iron man said-"Indeed, this may be so !" The meeting then repaired to the refreshment room, and after returning, our gallant Captain again

> way asked for an expression of sentiment. Our senior Justice intimated to the Captain, privately, that as they had both buried the hatchet, probably he could find it in his heart to vote for Governor Geary .---

And the Captain kindly consented to do so, notwithstanding his decided expressions in behalf of Gen. White. I may in another letter give the conclusion of our happy reunion.

Court commenced here on Saturday morning, and the new county was promptly organized. Our twin brothers from the upper end of town were both appointed to positions of honor and profit-one as Prothonotary, and the other as Register and

Recorder. Several cases in the sessions were tried, and the civil list cleared, when Court adjourned. Judge Miller presided. with the senior justice and the other justice as associates.

I am sorry to say that the doors of the First National Bank of this place were closed last evening. The cause is not definitely known. The last seen of the cashier

It imparts a tone and vigor to the whole system, strengthens the appetite, causes an enjoyment of the food, enables the stomach to digest it, purifies the blood, gives a good, sound, healthy complexion, eradicates the yellow tinge from the eyes, imparts a bloom to the cheeks, and changes the patient from a short-breathed, emaciated, weak and nervous invalid, to a full-faced, stout, and vigorous person. Hoofland's German Bitters is entirely free from all Alcoholic admixture. Hoofland's German Tonic is a combination of the ingredients of Hoofland's Bitters, with pure Santa Cruz Rum, orange, anise, &c., making one of the most agreeable and pleasant preparations extant. W. Williams' store.

HOOFLAND'S GERMAN TONIC, The Great Remedies for all Diseases of the Liver, Stomach or Digestive Organs.

HOOFLAND'S GERMAN BITTERS Is composed of the pure juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, THE making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

HOOFLAND'S GERMAN BITTERS. Those who have no objection to the com-

bination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as close-ly as it does with the O Stomach then becomes affected, the result of which is that the patient suffers from several or more of the following diseases ;

The sufferer from these diseases should exercise the greatest caution in the selection of remedy for his case, purchasing only that which he is assured from his investigations and inquiries, O possesses true mer-it, skilfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those wellknown remedies-Hoofland's German Bitters, and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefitted suffering humanity to a greater extent, than any other remedies known to the public. These remedies will effectually cure Liver

NOTICEI

It is a well established fact that fully onehalf of the female portion of our population are seldom in the enjoyment of good health, or, to use their own **I** expression, "never feel well," They are languid, devoid of all energy, extremely nervous, and have no appetite.

ARGE STOCK OF SUMMER To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND PELICATE CHILDREN Are made strong by the use of either o these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few .--Those, it will be observed, are from men of note, and of such standing that they must be believed.

PHILADELPHIA, April 28, 1866. "I consider 'Hoofland's German Bitters' a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, &c. "JAMES THOMPSON."

From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson-Dear Sir : I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a **N** clear proof in vari-ous instances, and particularly in my own family of the use of Dr. Heofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and Butter, Eggs, Wool, and all Country valuable preparation. In some cases it may fail ; but usually, I doubt not, it will be very beneficial to those who suffer from the above Yours, very respectfully, "J. H. KENNARD," causes.
