MEMORANDA.—The bonded warehouse of Mr. Joseph S. Finch, Pittsburg, fell down on Friday evening last, burying several men in the ruins. One was killed. The national bank at Clearfield was entered by burglars on the night of the 13th and robbed of \$15,000 in cash and \$4,500 in U. S. bonds. A reward of \$1,000 is offered for the arrest of the burglars. Cow hydrophobia is the latest in Greensburg. Mr. J. K. Shryock has been appointed postmaster at Wilmore, Cambria county, vice Mr. J. McColgan, removed.

Mr. Henry Miller, of Bedford county, was instantly killed by a falling tree on the 5th inst. Our former fellow-townsmen, Mr. John P. Jones, is in town on a visit. He is now living in Preston county, West Virginia. A couple of base ball clubs have been organized in Altoona. Michael Warmouth, of Huntington county, was recently killed while assisting to raise a brick-yard shed in Bedford county. Another fire in Altoona last week. Two children of Wm. Robinson, of Duncansville, aged 7 and 9 years, while playing in the yard on Friday, discovered a piece of bread spread with arsenic, placed as a bait for rats, and ate the poison off.

The children immediately showed symptoms of being poisoned; prompt medical remedies were applied, and their lives were saved. Our townsman, Mr. A. G. Fry, lost a valuable horse by death on Sunday night. Summerhill had a concert on Friday and Saturday evenings. The weather is a little mixed. One day it is shine, the next rain, and all the time it is mud ankle deep. Two men, P. R. Harnish and W. A. Black, were waylaid by highway robbers near Huntington on the night of the 27th ult. They had very little money on their persons, and therefore the robbers had not much more than their labor for their pains. A self-dubbed "Professor" lectured lately in Williamsburg, Blair county, got up a class in mathematics, collected \$2,000 a head from each pupil, and then "let out." The class would like to hear from the "Professor." A woman in Somerset county was recently relieved of a tape worm eighteen feet in length. A directors' cars, which cost \$15,000, has just been completed at Altoona. It will shortly convey the Vice President and certain other officials of the Pennsylvania Railroad over the Pacific Railroad to California. A man was brought hither from Johnstown on Saturday night and committed to jail. He is charged with giving his wife "a wee bit of a beating." P. G. W. P. Pratt, of Philadelphia, delivered a temperance lecture in the Congregational church of this place on Tuesday night. It was well attended.

A GOOD AND FAITHFUL SERVANT.—A week or so ago, "Chaplain" Davis concluded the third year of his contract as carrier of the mails between the Ebensburg, P. O. and the E. & C. R. R. depot. That he has been a good and faithful servant is evidenced by the fact that, come fair or foul weather, come sleet or come snow, he is and ever has been faithful to his calling, and has delivered to the people of Ebensburg and vicinity their mail matter on time—always provided the R. R. made its time-table connections. All our local readers will be glad to know that "Chaplain" does not purpose severing his connection with the mail service, but, on the contrary, that the musical serenade of his overladen wheelbarrow will be heard on our streets of mornings and evenings hereafter as heretofore.

NEW BOOKS.—Mr. David T. James has become agent in this place for the sale of new and valuable work entitled, "The Life of Christ," by Rev. Dr. Eddy. It is a large and and beautifully bound book, and will be sold at from \$4.50 to \$7.50, according to the style of binding. It is a book of rare excellence. It is another effort, and in the right direction, to solve the problem of Jesus Christ, his nature, his life, his character, his relations to man, &c. He is also agent for another book entitled "Ora the Lost Wife," by Mrs. Bolla Z. Spencer. This book is finely illustrated, printed neatly, and will be sold at the low price of \$2.00.

MARRIED.—At Episcopal church, Middletown, O., May 6th, 1869, by Rev. C. P. Noyes, Harry C. Teeter, editor Press, to Miss M. Lizzie, daughter Jno. Grant, Esq.

INTEMPERATE LANGUAGE.—Cassville is a town in Huntingdon county. At the late term of the Huntingdon Court, a party residing in that town applied for hotel license. The application was signed by the required number of citizens of the town. In addition to this, four persons made affidavit that such licensed hotel was indispensably necessary for the welfare and accommodation of the citizens of the town and vicinity, and for the traveling public. A protest was presented to the Court, but of course the application was granted. The law allows the Judge no alternative in such case.

In connection with this matter, we are pained to read such intemperate and outrageous language as follows in last week's Temperance Vindicator: "Judge Taylor is aware, certainly that it is not necessary for the welfare of any community to have a poison fountain opened according to law, in their midst. If he knew it, the affidavit of any man to the contrary, should not have a feather's weight with him; and if he does not know that legalized liquor hells are fountains of death—floodgates from whence issue a continual stream of desolation, of misery, of woe, of death temporal, and death eternal, he is not fit to occupy the responsible position of Judge of a Court that has such a power for good or evil in its control."

The editor of the Vindicator ought certainly to know that the Judge of a Court does not make laws. He simply executes them as he finds them on the statute-book. If any person is dissatisfied with our present license system, let him attack the law-makers—not those whose sworn duty it is to carry the laws into effect. Such talk as the Vindicator indulges in is not only uncalled-for and outrageous, but is a positive injury to the temperance cause.

We might add that if anybody in Cambria would make an insinuation against Judge Taylor's integrity like unto the Vindicator's, he would be lashed naked from one extreme of the county to the other.

DECORATION OF THE SOLDIERS GRAVES.—Below we print a call for a meeting of the soldiers and citizens of Ebensburg and vicinity to take into consideration the propriety of observing in a suitable manner what is destined to be a National Memorial Day—the day set apart for the decoration of the graves of the Union soldiers who lost their lives in the war of the rebellion. All who revere the memory of our departed soldiers should attend the meeting and take part in the proceedings.—

A meeting of the Union Soldiers of Ebensburg, and vicinity, who served in the late war, will be held in the Court House, Ebensburg, on Thursday evening, May 20th, 1869, at 8 o'clock, for the purpose of making arrangements for decorating the graves of all deceased soldiers of the late rebellion buried at this place. Citizens are invited to attend. JOHN D. BARKLEY, E. P. TIERNEY, JNO. N. EVANS, WM. H. SECHLER, S. W. DAVIS, G. W. BROWN, W. M. A. JONES, E. V. BARKER, V. S. BARKER, J. MURRAY, H. BERG, D. O. EVANS, E. C. EVANS, JNO. E. SCANLAN, DAVID T. JAMES.

HEALTH AND HOME.—The "Health and Home," a semi-literary, semi-agricultural weekly journal, is, we are free to say, one of the best, if not the very best, publication of the kind ever established in this country. A fine story, illustrated, entitled "Marrying Well," is commenced in this week's number. Address 37 Park Row, New York.

NEW BUILDINGS.—We notice several new buildings are under headway of construction. Mr. Jas. Lloyd is building a beautiful residence in Mooretown. F. A. Shoemaker, Esq., we understand, intends erecting a number of tenement houses during the summer. Money cannot be invested to better advantage than in this way.

THE PUNXSUTAWNEY PLAINDOCTOR says: It is rumored that a married man, living a few miles east of this place, one day this week eloped with an unmarried woman, and whether they have gone no one knows. We understand that the said man left a wife and several children to mourn their loss. We will not mention any names.

BENEVOLENCE.—During the present week, the Mountaineer Base Ball Club will distribute among the worthy poor of Ebensburg eight barrels of flour. Many persons condemn base ball and base ball clubs, but this action of the Mountaineers, we opine, will convince them that some "good can come out of Nazareth."

ICE CREAM.—R. R. Thomas opened the ice cream season one night last week. He has fitted his rooms neatly and elegantly and is now prepared to wait upon his old customers. Bob is clever and accommodating, and besides he keeps a little the best cream we know of. Give him a trial.

COL. GEO. F. MCFARLAN, Superintendent of soldiers' orphans, has issued a circular address directing the various orphans' schools and homes throughout the State to annually observe the 29th day of May as a national memorial day for the decoration of soldiers' graves.

LOCAL CORRESPONDENCE.

LETTER FROM JOHNSTOWN—ACCIDENTS—DEATH OF A CENTENARIAN—ANOTHER DEATH—DOG LAW—THE NEW COURT, &c.

JOHNSTOWN MAY 17, 1869. To the Editors of The Alleghenian: On Wednesday, 12th inst., a man named Colligan, residing in Cambria borough, was seriously injured in the mines of the Cambria Iron Co. He had one of his arms broken, his head crushed, and was otherwise seriously injured.

On Saturday last, a man named John M. Reese and a boy named Watkins were dangerously burned by an explosion of fire damp in the coal mines located in Cambria boro.

Mrs. Shehan, an old lady aged 102 years, residing in Millville borough, while attempting to cross the track of the Penna. R. R. at the depot of this city, was struck by a passing freight locomotive and was seriously injured. No hopes are held of her recovery.

Dr. T. F. Campbell, of this city, died very suddenly on Sunday morning last. He retired in good health on the evening previous, and was dead in the morning. An over dose of morphine is said to have been the cause.

The dog law is still in force, and the dog police are making a rich harvest at the expense of the poor canines.

Since my last letter the New Court has been located in the new Union Hall, at a rental, I understand, of \$800 per year.

Since writing the foregoing fire damp accident, I have heard that the boy Watkins has died. Reese will recover. Dio.

THE MARKETS.—Elsewhere we give the market reports of Ebensburg, Philadelphia, and Pittsburg. We are convinced that these constitute a valuable feature of a newspaper, and will hereforward furnish them to our readers weekly.

MARRIED.—On the 13th inst., by the Rev. J. R. Williams, Mr. Thomas Murray, of Maine, and Miss Rose W. McCarty, of White township, this county.

READ THIS.—A place to buy good cheap Tea and Coffee. The Empire Tea and Coffee Co., of New York, have appointed V. S. Barker, of this place, their agent for the sale of their choice Teas and Coffees. Below will be found the prices of Teas. Any person on looking it over can see for themselves that they can save from 25 to 50 per cent. by purchasing from him: Best Black, per lb. \$1.50; Y. Hyson, 1.60; Japan 1.55; Eg. Breakfast 1.35; Imperial 1.00; Gun Powder 1.60; Eng. Breakfast Coffee 30 cents per pound; Java 35.

GOODS AT COST.—R. R. Davis designs removing his mercantile establishment from its present location, near the "Diamond," to the rooms in the East Ward formerly occupied by E. Hughes & Co. He does not covet the trouble of "moving" his stock now on hand, and so, to the end of avoiding that trouble, he will, for six weeks, sell goods at cost. Give him a call and secure bargains.

EVERYTHING.—Hardware, tinware, sheet-iron ware, copper-ware, stoves, and anything and everything in that line, for sale at George Huntley's. Also, coffee, sugar, cigars, notions, &c., &c. He has a bigger store-room, and better fitted, than any similar establishment in Cambria county.

HOT WEATHER.—Summer will soon be here, and our readers will need summer clothing. When in Johnstown, visit Leppold & Bro's store. They can sell summer clothing, to say nothing about summer hats, caps, &c., cheaper than can be bought in Philadelphia.

MAYOR, MAYER.—Johnstown is not a city, and so has not a Mayor. But it has what is better—it has a Mayer. This Mayer sells dry and dress goods cheaper than can be bought elsewhere in that town. Try him when you have an opportunity, and be convinced.

NEW DRESS AND DRY GOODS.—A. G. Fry has just received a splendid stock of dress and dry goods. The attention of our fashionable ladies and gentlemen is directed to this fact. The goods will be sold "dirt cheap."

NOTIONS.—M. L. Oatman has just received a very large and very varied stock of notions. Go and see them. Go and see them to-day. Go and see them, go and see them to-day, and buy what you need.

\$10,000 REWARD.—A reward of \$10,000 is offered for the discovery of a man who will say that he knows of a store in Ebensburg where he can buy goods cheaper than at A. A. Barker & Son's. Spring stock just received.

HOE! EVERY ONE.—If you own a garden, and purpose cultivating the same, go to T. W. Williams to buy your rake, spade, hoe, &c. Every road ought to maintain its man, and so every man ought to be an agriculturist.

TO THE WORKING CLASS!

I am now prepared to furnish all classes with constant employment at their homes, the whole of the time, or for the spare moments. Business never light and profitable. Fifty cents to \$5 per evening, is easily earned by persons of either sex, and the boys and girls earn nearly as much as men. Great inducements are offered those who will devote their time to the business; and that every person who sees this notice, may send me their address and test the business for themselves. I make the following unparalleled offer: To all who are not well satisfied with the business, I will send \$1 to pay for the trouble of writing me. Full particulars, directions, &c., sent free. Sample sent by mail for 10 cents. Address E. C. Allen Augusta, Maine. [March 11-3m.]

AT THE EBENSBURG HARDWARE & HOUSE FURNISHING STORE.

I once more return my sincere thanks to my old friends and customers for their liberal patronage extended towards me, and now, owing to the great fall in prices, by which many articles can be sold as cheap as before the war, and having a thorough knowledge of the business and the wants of the public, I take pleasure in announcing that I can and will sell goods at a less figure than any similar establishment in city or country.

My stock will consist in part as follows:

DOOR AND CUPBOARD LOCKS, CATCHES, BOLTS, HINGES, SCREWS, WINDOW SPRINGS, SHUTTER HINGES, WINDOW GLASS, NAILS, PUTTY, BORING MACHINES, AUGERS, CHISELS, BRACES AND BITS, HATCHETS, SQUARES, COMPASSES, TRY SQUARES, BEVELS, POCKET RULES, JACK, SMOOTHING, AND FOR PLANES, PANEL PLOWS, LEVELS, SASH, RAISING, AND MATCH PLANES, SAW SETS, BENCH SCREWS, CROSS-CUT, PANEL, RIP, COMPASS, AND BACK SAWS, GAUGES, OIL STONES, SCREW DRIVERS, PLOWS, POINTS, SHOVELS, FORKS, SCYTHES AND SNATHS, RAKES, HOES, SPADES, SHEEP SHEARS, HORSEBRUSHES, CARDS, CURRY COMBS, BELLS, HAMES, WHIPS, BUT, TRACE, BREAST, HALTER, FITH, TONGUE, AND LOG CHAINS, RIFLES, SHOT GUNS, REVOLVERS, AND PISTOLS, CARTRIDGES, POWDER, SHOT, CAPS, LEAD, POUCHES, POWDER FLASKS, GAME BAGS, GUN LOCKS, MAIN SPRINGS, PIVOTS, &c. Odd Stone Plates, Grates, and Fire Brick always on hand to suit Stoves sold by me.

Well and Cistern Pumps and Tubing at manufacturers' prices.

Spouting made, painted, and put up, at low rates.

Persons owing me debts of long standing will confer a favor by calling and paying up as soon as convenient, as it takes a great deal of money to keep up my stock and pay expenses, and owing to the small profits that I am making on goods I cannot afford to give long credit—the interest would soon eat up the profits.

HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC.

The Great Remedies for All Diseases of the Liver, Stomach or Digestive Organs.

HOOFLAND'S GERMAN BITTERS!

Is composed of the purest juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, &c., making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC!

Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcohol admixture, will use

HOOFLAND'S GERMAN BITTERS.

Those who have no objection to the combination of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Stinking or fluttering at the pit of the Stomach, Swelling of the Head, Headed or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., &c., &c. In the Flash of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true mercurial, skillfully compounded, and free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—Hoofland's German Bitters, and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhoea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines.

DEBILITY RESULTING FROM ANY CAUSE

whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE!

It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are from men of note, and of such standing that they must be believed.

TESTIMONIALS!

Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—Philadelphia, March 16, 1867.—I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system.

Yours, truly, Geo. W. Woodward.

Hon. James Thompson, Judge of the Supreme Court of Pennsylvania. PHILADELPHIA, April 23, 1866.

"I consider 'Hoofland's German Bitters' a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, &c. "JAMES THOMPSON."

From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson, Dear Sir:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, "J. H. KENNARD."

CAUTION.

Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeit.
