

LOCAL AND PERSONAL.

EBENSBURG AND CRESSON RAILROAD.
After April 25, 1869, trains on this road will run as follows:
LEAVE EBENSBURG:
At 7:40 A. M., connecting with Philadelphia and Pittsburgh Express West, and Southern Express East.

MEMORANDA.—Mr. Harry Teeter, editor of the Meigs county, O., Press, was in town one day last week. He has lately taken up himself a wife, and of course was looking gay and happy. We were glad to see him.... A Jew peddler fell from the cars at Tyrone on Saturday week, and was run over. He was injured to the extent that one of his legs had to be amputated.... Greensburg is infested with burglars.... Two prisoners made their escape from the Indiana jail on Tuesday night of last week. Strange to relate, only one of the prisoners was a negro.... Hail killed, son of G. W. Reed, aged about 12 years, was drowned at Saltsburg on Tuesday afternoon last. He was in a skiff, which went over the dam. The body has not yet been found.... After a week of cold, wet, and disagreeable weather, the sun came out bright on Sunday, and since then we have caught occasional glimpses of summer.... One Schultz, a watchman on the P. R. R. at Hillsdale, Westmoreland county, was run over by a freight train on Friday of last week, and had a leg cut off.... John Stormer, the conductor of the Perry express freight, who was injured by the cars at Wall's station a week ago, has now died.... A couple of peripatetic organ grinders, enlivened town with third-class music one day last week.... The dwelling house of Mr. Andrew Kifer, in Unity township, Westmoreland county, was destroyed by fire on the 3d inst.... Two men, supposed to have been participants in the bank robbery in Clearfield, were arrested in Bedford on Friday last. Some \$500 of the stolen bonds were found in their possession.... The dwelling and effects of Widow Baskman, in Monroe township, Bedford county, were burned on the 3d inst. Loss \$2,000.... Henry Miller, of Southampton township, Bedford county, while peeling bark on the 8th inst., was killed by a large tree limb falling upon him.... The Senatorial district composed of the counties of Blair, Center, Huntingdon, Juniata, and Perry has instructed Gov. Geary.... A firemen's parade held in Harrisburg yesterday.... The aborigines have been "down the river" again, and are returning home in droves. We saw two men driving along the riverment to-day. Why were they not arrested and fined?... Normal schools will be held out in Cambria county as usual this summer.... Don't forget to attend the meeting of the soldiers this (Thursday) evening.... An insane man passed through town, singing and yelling, on Saturday.... The circus could get no hotel here to give it a stand and board, and so it will not exhibit in our benefit. Everybody is glad this time.

DEPARTED SPIRITS.—Mr. David Powell resides in Cambria township, seven miles north of Ebensburg. Once in a while he takes "a wee drop of the erathur," as there is no drinking saloon in his immediate neighborhood, he buys his whisky by the barrel. He does not keep a hotel, but he keeps a private bar, and that trouble the keeping gives him.... About a year ago, while transporting a supply of whisky hence to his domicile, the barrel fell off the wagon, was not the time missed, but was at the time covered by some evil-disposed persons, who rolled it away and hid it, doubtless knowing what they desired of its contents. It was only recovered after several days of search. And here, only a few days ago, Mr. Powell took home with him a barrel and a bran-new barrel of whisky, which he stowed away in his bar. He was happily engaged in the raising of stock, and by a happy thought, the bar is located in the granary of his barn for concealment sake. Well, the other night, a person or persons, to the law as yet unknown, without the fear of God and without auger bored beneath through the granary floor and also through the bottom of the barrel. A well-known law of gravitation would convince the reader, without our assistance, that the withdrawal of the auger was followed by a flow of spirits not often seen in these parts. It is not known whether a tub or other convenient receptacle received the contents. But it is known that the spirits were red-gone glimmering with the rays of the solace of an hour. Davy is dissolved.

DECORATION.—We give below the programme agreed upon by the committee appointed at a meeting of soldiers held on Thursday evening last to make arrangements for the decoration of our soldiers' graves on Saturday next. It is hoped that our business men will cheerfully accede to the request of the committee and close their doors during the continuation of the solemn and impressive ceremonies:—
The procession will form at the Court House, on Saturday next, May 29th, and be ready to move at one o'clock, p. m. It will be composed of one division, under the command of a chief Marshal, assisted by two assistant Marshals. The procession will march over such route to the different cemeteries as the chief Marshal and his assistants may hereafter designate, in the following order, viz:—
Martial Band.
American Flag Draped in Mourning.
Officiating Clergyman.
Decorating Committee of Thirty Young Ladies Under the Management of an Assistant Marshal.
After which
The Divines Will March in Such Order As The Chief Marshal Shall Direct.
The graves in the different Cemeteries to be visited, will be previously marked with small flags, by a Committee appointed for that purpose.
The ceremonies at the cemeteries will consist of vocal music by a band of vocalists which will be in attendance. An oration appropriate to the occasion, and to conclude by prayer.
During the continuance of these ceremonies the merchants and business men of the town are earnestly requested to close their places of business and participate in the ceremonies; while the pastors of the different churches and janitor of the court house are respectfully requested to have their several bells tolled at proper intervals during the moving of the procession.
All are cordially invited to attend. It is hoped and expected that all who desire will participate.

LOCAL POLITICS.—The political campaign is opening up bravely. With your permission, I propose to take a look at the situation from a Democratic stand-point, and shall endeavor to keep you posted as to what is going on.
John Porter, of Hemlock, will undoubtedly be nominated for Assembly. He has no opposition, for Gen. Potts will not be a candidate since the establishment of the District Court at Johnstown.
There will be a fight for Register and Recorder. Geo. W. Outman, of Ebensburg, is supposed to have the inside track, for the reason that he had the next highest number of votes to Griffin, the present incumbent, four years ago. But Thomas McKernan, of Cambria City, is after him with a sharp stick. Thomas lives in an extremely enlightened community—the "Five Points" of Cambria county Democracy you might call it—and will therefore receive much support. Other candidates are mentioned, who will be named hereafter.
The Dem. Co. Com. will meet in the Court House, Ebensburg, on the 8th proximo, to select conferees to go to Harrisburg on the 14th of July to support Hon. C. L. Pershing for Governor.
OBSERVER.

THE NEW GAME LAW.—We publish on our first page the new game law passed by our late Legislature. Some of its provisions should be rigidly enforced here. Section five, for instance, provides that no insectivorous bird shall at any time be killed. It has no doubt been observed by our local readers that many, probably a majority, of the fruit and shade trees in this town and vicinity are dead or dying. Why? Primarily and mainly because of the absence of woodpeckers and other insectivorous birds from our midst. The boys and senseless sportsmen will not allow them to remain. That section ought to be enforced. Again, section six ought to be enforced. That most beautiful and most gamey of all fish, the speckled trout, with which our mountain streams, now abound, will the course of time die out if they are not afforded proper protection. Unless restrained by law, piscatorial guerrillas will line the margins of the streams after the spawning season has commenced; and to catch and kill one trout in the spawning season is to catch and kill thousands. The entire act, we take it, is timely and called for, and its every section ought to be enforced throughout the State.

INTERNAL REVENUE.—The Collector of this (17th) district gives notice by hand-bill that taxes on income, articles in schedule A, and on business, are due and payable, and will be received for Cambria county at the following times and places:
Ebensburg, on Tuesday and Wednesday, June 15th and 16th.
Johnstown, any time prior to June 30.
CROP PROSPECTS.—From all parts of the country come good reports of good prospects for one of the most bountiful grain harvests ever known. If the fall crops are equally good or even average the effect on prices will be felt ever the entire country.

MARRIED.—On the 25th inst., at the residence of the bride's parents, by Rev. B. M. Kerr, Mr. Geo. F. Robinson and Miss Aggie M. Roberts, all of this place. There it is; another gone! It is always a pleasure for us to record the joining together of two kindred hearts; but more especially does it become a pleasure when, as in the above case, we have the satisfaction of announcing the receipt of a green-back in the shape and style of the V kind in conjunction with the notice of the nuptials. The happy couple will accept our thanks and most extravagant wishes for long lives and merry ones. May they enjoy in the fullest degree the supreme joy and felicity that ever springs from the union of
"Two souls with but a single thought,
Two hearts that beat as one."
May they be happy!
—On the 25th inst., in Ebensburg, by Rev. R. C. Christy, Mr. H. A. Shoemaker to Miss Lida Meyers, both of Ebensburg.
Still another gone! Harry is so pre-eminently a good fellow, and his wife so perfect a model of the womanly woman, that we take especial pleasure in congratulating them on their union. Their lives—may they be long; their happiness—may it be perfect; their end—may it be peace.
—On the 25th inst., at Summit, by Rev. Ryan, Mr. Thos. J. Glass, of Ebensburg, to Miss Alice Fox, of Washington township.
And yet another gone! Well, true manhood is joined to true womanhood—sterling worth to grace and goodness. We ardently hope that theirs may be a path strewn with roses, and that never a cloud may obscure their future horizon.

LOCAL CORRESPONDENCE.
LETTER FROM CARROLLTOWN.—IMPROVEMENT THE ORDER OF THE DAY.—VARIOUS ITEMS OF INTEREST.
CARROLLTOWN May 24, 1869.
To the Editors of The Alleghenian:
As the Freeman has an able "Buz Fuz" correspondent here, I thought it not out of place to give the readers of The Alleghenian a word of news from northern Cambria.
First, then, with regard to improvements of a substantial character. Mr. Frederick Snyder is now fast pushing ahead a fine frame building, two stories in height, with a high basement story. The dimensions of the building are fifty by thirty feet; and the general arrangements of the rooms, &c., is first-class and after the most modern style. Mr. Ed. Binder is also pushing on a large frame building, for a dwelling, that will add greatly to the appearance of that part of town. The convent building now engages a large force of workmen, and soon the walls will be commenced; after which, we will give you a full description thereof. Mr. Paul M'wanger, proprietor of the Mountain House, at north end of town, is also improving the front of his large and commodious hotel by painting, etc., etc.
Mr. Joseph Behe has broke ground and is building the foundation for a new saw-mill, to be located just beyond Mr. Werner's tannery, at the north end of town. He proposes to have the mill on the ground next week.
Several minor improvements, such as small dwelling houses, fancy fences, &c., are going up in different parts of the town. But we had almost forgotten to notice the internal improvements made by Mr. Lawrence Schroth in his first class hotel. Mr. S. is papering, renovating and refurbishing his house throughout, and guests who call with him will appreciate his taste.
This disjointed epistle must not be closed without some comment on the operations, brou and loud, of "Buz Fuz" printed in last week's Freeman. In a sly and go'ing style, as he thinks, he intimates that, while our young ladies are fair, handsome, and healthy, yet they are given to unnatural coloring of cheeks and faces, that should be made to blush only by the glow of health. Now, "Buz Fuz" is either not a judge of healthy-looking complexions, else he has been guilty of some unwarranted peeping into the toilet boxes and countenances of our young ladies, not to accuse him of still greater familiarity.
FUZZY-BUZZY.

THE HOG QUESTION.—At a meeting of the Town Council of Ebensburg, held on Monday evening last, a petition signed by 122 citizens of Ebensburg was presented, asking that an election be ordered for some suitable day to decide the momentous "hog in" or "hog out" question. The "fathers," in their wisdom, refused to grant the request. So that, for the present at least, the hog may consider himself "in."

PERSONAL.—Hon. John Porter, Cambria county's Representative to the lower house of the last Legislature, was in town on Monday. Mr. Porter's eulge in the House gave much satisfaction to his constituents, and there is no doubt of his re-nomination by the Democratic party. As to his re-election—well, we don't know about that.

BOY KILLED.—On Tuesday of this week, a young boy named Callahan was killed at Lily's station, this county, under the following circumstances: He was undermining a large mass of coal in a mine in that neighborhood, when the mass caved in, and, falling upon the boy, crushed him so badly that he died in a half hour.

MAN KILLED.—On Tuesday evening of last week, a man named Thomas Riley was run over and killed by the Phila. express east on the Penna. Railroad one mile east of Wilmore. The deceased was walking on the track at the time, and was not discovered in time to stop the train.

MARRIED.—At St. Augustine, on the 18th inst. by Rev. Father Burns, Mr. John Flynn, of Lock Haven, to Miss Annie Flanagan, of Bells Mills, Blair Co.

HON. A. A. Barker, of Ebensburg, addressed a temperance meeting at Springfield Furnace, Blair county, on Saturday evening last.

DIED.—In Washington township, near Wilmore, on the 19th instant, Dr. D. T. Storm, aged 75 years and 5 months.

APPOINTED.—Mr. John Brown has been appointed Postmaster at Summerhill, Cambria county, vice Mr. Plummer removed.

NEW DRESS AND DRY GOODS.—A. G. Fry has just received a splendid stock of dress and dry goods. The attention of our fashionable ladies and gentlemen is directed to this fact. The goods will be sold "dirt cheap."

PRICES GOING DOWN!

AT THE EBENSBURG HARDWARE & HOUSE FURNISHING STORE.

I once more return my sincere thanks to my old friends and customers for their liberal patronage extended towards me, and now, owing to the great fall in prices, by which many articles can be sold as cheap as before the war, and having a thorough knowledge of the business and the wants of the public, I take pleasure in announcing that I can and will sell goods at a less figure than any similar establishment in city or country.

My stock will consist in part as follows:
DOOR AND CUPBOARD LOCKS, CATCHES, BOLTS, HINGES, SCREWS, WINDOW SPRINGS, SHUTTER HINGES, WINDOW GLASS, NAILS, PUTTY, BORING MACHINES, AUGERS, CHISELS, BRACES AND BITS, HATCHETS, SQUARES, COMPASSES, TRY SQUARES, BEVELS, POCKET RULES, JACK, SMOOTHING, AND FOR PLANES, PANEL PLOWS, LEVELS, SASH, RAISING, AND MATCH PLANES, SAW SETS, BENCH SCREWS, CROSS-CUT, PANEL, RIP, COMPASS, AND BACK SAWS, GAUGES, OIL STONES, SCREW DRIVERS, PLOWS, POINTS, SHOVELS, FORKS, SCYTHES AND SNATHES, RAKES HOES, SPADES, SHEET SHEARS, HORSEBRUSHES, CARDS, CURRY COMBS, BELLS, HAMERS, WHIPS, BUT, TRACE, BREAST, HALTER, FITH, TONGUE, AND LOG CHAINS, RIFLES, SHOT GUNS, REVOLVERS, AND PISTOLS, CARTRIDGES, POWDER, SHOT, CAPS, LEAD, POUCHES, POWDER FLASKS, GAME BAGS, GUN LOCKS, MAIN SPRINGS, PIVOTS, &c. LAMPS AND OILS, COOKING, PARLOR, & BEATING STOVES, TIN AND SHEET IRON WARE, WASHING MACHINES, AND WRINGERS, &c., &c., &c., &c., &c., &c. Also—FLOUR, TEA, COFFEE, SUGAR, &c. TOBACCO AND CIGARS.

Odd Stone Plates, Grates, and Fire Brick always on hand to suit Stoves sold by me. Well and Cistern Pumps and Tubing at manufacturers' prices. Spouting made, painted, and put up, at low rates. Persons owing me debts of long standing will confer a favor by calling and paying up as soon as convenient, as it takes a great deal of money to keep up my stock and pay expenses, and owing to the small profits that I am making on goods I cannot afford to give long credit—the interest would soon eat up the profits. HOOFLAND'S GERMAN BITTERS

AND HOOFLAND'S GERMAN TONIC, The Great Remedies for all Diseases of the Liver, Stomach or Digestive Organs.

HOOFLAND'S GERMAN BITTERS is composed of the pure juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable. The stomach, from a variety of causes such as indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases: Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flashes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, is skillfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—Hoofland's German Bitters, and Hoofland's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA. Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public. These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhoea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines. DEBILITY RESULTING FROM ANY CAUSE whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE, And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters or the Tonic, an elixir that will instill new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years. NOTICE It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of persons the Bitters, or the Tonic, is especially recommended. WEAK AND DELICATE CHILDREN Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. These, it will be observed, are from men of note, and of such standing that they must be believed. TESTIMONIALS: Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—Philadelphia, March 16, 1867.—"I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system."—Yours, truly, Geo. W. Woodward." Hon. James Thompson, Judge of the Supreme Court of Pennsylvania. PHILADELPHIA, April 28, 1866. "I consider Hoofland's German Bitters a valuable medicine in case of attacks of indigestion or Dyspepsia. I can certify this from my experience of it."—Yours, &c. "JAMES THOMPSON." From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, "J. H. KENNARD."
